The 4th Proposal to Belligerent Russia and Ukraine

Co-Signers Wanted 共同署名者を求む

Today (JAN 26, 2023) the 4th Proposal on conciliation was adopted unanimously by the ICO GA, which you see in the below P.S. Members of our ELFO MAMILY can understand outline of this important process of our efforts through the URL: <http://mopw.org/pr.%20n233-con-3rd%20prop..pdf> In the aforementioned URL you see conciliation Proposal N.1, N.2 and N.3.

You can see Ms. Dr. Tamara Alqolaghassi's name because I wanted her to find some African co-signers, So it is supposed that co-signatories would appear, among others, from African countries.

P. S.

The 4th Proposal on Conciliation between Belligerent Russia and Ukraine

Ceasefire, Neutralization of Ukraine, fair settlement territorial problems and Aid to Ukraine!!

1. We the ELFO (Earth-Loving Friendly Organization), the ICO (International Conciliation Organization), the undermentioned Africans and others welcome Russian initiative of unilateral declaration of temporal truce of 36 hours because it is a positive step toward general ceasefire and restoration of peace.

(As for elaboration of ICO's Proposal please see at p. 11 of the URL <http://mopw.org/pr.%20n233-con-3rd%20prop..pdf>)

2. We wish that in future Ukrainians also take a rest calmly by their top leader's declaration of truce even if it is 12 hours ceasefire, and even if it is not by negotiation, but unilateral initiative. There is no doubt that

even an unilateral truce and much more a bilateral ceasefire become blessed bliss especially for soldiers and their mothers because they can enjoy temporal peace with far more stressless feeling.

3. Even if Russian step is unilateral truce of 36 hours, it is the very first step which may lead to bilateral truce and finally to general ceasefire and restoration of peace. People around world, therefore, can see a Light and a Hope, which make their heart less stressful. So that we wish that Russian and Ukrainian belligerents enter the 2nd stage for promoting truce and restoration of peace. We wish that they consider our following Proposal:

a. When in future one of the belligerents declares a unilateral truce, the other belligerent complies with, and respect, it, stopping battle, not firing.

b. When it is impossible for one of them to respect the aforementioned clause, that belligerent makes an effort to make truce at least one third of the period which the other belligerent proposed.

c. We wish that belligerents pay the utmost attention to the fact that overwhelming majority around the world aspire after general ceasefire and peace, not war, and we think that both Russia and Ukraine should begin negotiation without conditions as soon as possible..

4. The current Russo-Ukrainian War is not a simple restrictive relations only between the belligerents, but it is one of the 2 greatest causes of contemporary world-wide serious distress: coronavirus and Russo-Ukrainian War, which are flying on our precious Earth hand in hand closely, influencing very bad huge impacts upon all human beings, especially upon Africans suffering also from global warming.

5. Africa relates so closely with Ukraine and Russia that Russo-Ukrainian War influences very badly upon Africa, among others, upon poor people. The longer continues war, the worse increase hunger and poverty there. When it becomes very difficult for Africans to import wheat from Ukraine, it will be a matter of life or death. So that here we call for solidarity among Africans, the African Union, the ELFO and the ICO. Together we will be stronger!!

6. Further we wish that both of belligerents understand more or less gigantic compromise is necessary for building peace and amity between belligerents. Our ICO has already sent its concrete conciliatory Proposal and draft compromise. (See at pp.11~16 in the URL <http://mopw.org/pr.%20n233-con-3rd%20prop..pdf>)

7. Our ICO has already elucidated conception of neutralization of Ukraine. (See pp.11~13 of the above URL) Permanent neutralization of Ukraine will be established by international treaty. Ukraine, however, can contribute considerably to promoting negotiation for general ceasefire and restoration of peace if it expresses unilaterally its readiness to be a permanent country.

“Such peaceful amicable way leads to ONE World, namely, World Federation where every State shall be peaceful, and of neutralized character. Permanent neutralized States or regions are forerunners of progressive peaceful process moving toward establishment of ONE World. They can be even proud of it: they are in the van of the era!!” (Ibid, p.12).

8. Fair Settlement of Territorial Problems. We the ICO, ELFO FAMILY, and the undermentioned Africans and others believe firmly that the ICO has made up very fair scheme for settling these problems, using 3 ways, namely, diplomatic negotiation, conciliation, and judicial settlement. So that we expect both belligerents to agree to our Proposal in this respect also as soon as possible.

We the undermentioned Africans agree to not only to the present 4th Proposal on conciliation WISHES, but also the 1st, 2nd and the 3rd fair and equitable Proposals on conciliation.
