

Dear Mr. Volodymir Zelenskyy  
President of Ukraine

We below-mentioned 2 Presidents have honor to send to your Excellency our hearty greeting regarding our goodwill 5<sup>th</sup> Proposal of conciliation between Russia and Ukraine, concerning Russo-Ukrainian War.

I am President of the ICO (International Conciliation Organization) which was created in May 17, 2022 with the current war as a momentum. The ICO is composed mainly of Diplomats of MFA, PAAs (Peace and Amity Ambassador), which attaches great importance to natural friendship irrespective of many differences among people, races or nations.

The other co-sender of the present document is President of the inclusive ELFO (Earth-Loving Friendly Organization) established in January 1, 2020. Its 1800 members (VIPs, 334 diplomats of MFA, scholars, lawyers, economists, artists, numerous people) are promoting friendship, peace, plan funds, festival to make our Planet better. (<http://mopw.org/>)

Pleased at the creation of the ICO, and in order to contribute to making our Planet safer, more peaceful and more friendly, our ICO decided to make utmost efforts to render good offices or mediation for recovering peace and amity between your Excellency's Ukraine and Russia.

Dear Mr. Volodymir Zelenskyy, members of our ICO and the ELFO will be very pleased if your Excellency or authorities as well as Russian side will agree even partly to our fair proposal.

Both Ukrainian and Russian parties can see ICO's and ELFO's 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> joint Proposals in an URL: <http://mopw.org/pr.%20n186-con-start.pdf> at pp.7~12 of the URL. And the 4<sup>th</sup> Proposal in <http://mopw.org/4th%20conci..pdf>

This time we propose our 5<sup>th</sup> Proposal: 8 points are added to the former Proposals, which reads as follow:

1. Both Ukrain and Russia shall refrain from destroying the following objects;
  - a. Presidential building;
  - b. Atomic station;
  - c. Hydroelectric station which may cause flood;
  - d. Woods which may cause large-scale fire.
2. An International Inspection Commission (IIC) would be instituted for safe navigation within Black See, which would be composed of coastal States of the Black See and the United Nations.
3. Use of cluster bombs will lead to further inhuman battle, therefore, belligerents shall also refrain from use of cluster bombs.
4. Both belligerent Ukraine and Russia shall refrain from using ABC weapons strategic and tactical, even if it is very ineffective because even use of very ineffective ABC weapons would give an excuse for using such tactical and strategic weapons;
5. It shall absolutely be forbidden to make a nuclear surprise attack.
6. If a belligerent State is obliged to do it, in advance she shall open her ultimatum before all the world.
7. At that time both belligerents shall stop fighting promptly, any State or person shall not instigate nuclear war, on the contrary, encourage general truce.
8. Peace treaty or treaty on permanent neutralization of Ukraine should stipulate demilitarized zone as wide as possible of not only Ukrainian, but also Russian territories.

Our ICO and ELFO want to accelerate process of early conciliation. So that the first talk between a belligerent and the ICO will begin with Ukrainian side or Russian side, which will express their readiness earlier than the other. We want to conduct the present conciliation, opening its process through the Internet in many universities and before all the people around the world for keeping fairness and transparency.

For earlier ceasefire, restoration of peace, and promotion of friendship,

Very truly yours,

October 15, 2023

P.S. 3. Earth Loving Song

I Rikio Kaneko have written an Earth-Loving Song of 4 verses. I dedicate this song of mine especially to your Excellency and Pres. V. Zelensky because “two travelers” in the 2<sup>nd</sup> verse symbolize not only common people, but also especially Russians and Ukrainians.

Along our Earth-Loving Amicable Way travellers wish journey of life with flowers  
blooming in harmony, respect, and love, always glad at life, conscience, good, beauty,  
a truth-loving, clean Earth-Loving HUMAN LARGGE FAMILY!!

Along our Earth-Loving Amicable Way two travellers pray to lovely field flowers,  
remembering people's distress, hoping recovery,  
to all, wishing happiness, health, success, security and a calm family.
