Dear Our ELFO FAMILY Member Jonida Pragu

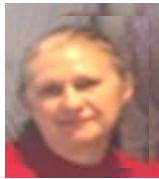

First of all, let us be grateful to ALL which help us, who maintain our life. Our heart always palpitates, the Sun gives energy for all living things, and we were born on our precious Planet. Without harmony here it would be miserable, without mutual respect of personality it will bring forth conflicts, without love the world would be dark, and I expect you would be covered also with good and beauty:

Life, Conscience, Truth, Cleanliness, Delight
Happiness, Health, Success, Security, Calm

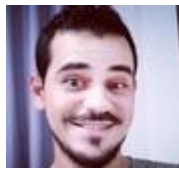

(from 55 Earth-Loving Flowers)

May you live safe and long!!

We also celebrate your birth day!! 私たちもお祝いするよ!!
