Let's welcome Amb. Mr. Arif Muhammad As Vice-President

You know, every day I am corresponding with members or non-members about their joining our ELFO FAMILY or their post in the FAMILY. I am glad that Pakistani Amb. Mr. Arif Muhamad (pic.) expressed his readiness to be ELFO Vice-President. I wish that he will contribute to developing ELFO, assisting its President. Our talk is, among others, as follows:

Good day!! Yes, you are. Don't be worried. If you are ready to be Vice-President or Acting President, Top leaders will be glad.

[Arif Muhammad](#) Hope Watanabe, I am willing and ready for Vice president position. And thank you, Hope Watanabe

Oh, thank you!! Then I'll talk about you with concerned President. Hope

Sure thank you

First of all, I talked about you with Hon. Rres. Rikio. He was very glad, and asked a President to nominate you as his Vice-President. Let's expect warm flowery spring,

My Former Message of FEB 13, 2023

Hello, my dear ELFO FAMILY

I agree to the very important 2 agenda items of the GA on ideals to be considered in 2023 year, and Rules on Territorial Boundary Arbitration Court.

I am representative of many member-Diplomats of MFA, Civil Diplomats, Artists, Judges and others (<http://mopw.org/repr.%20hope.230213.pdf>). They will be regarded as having voted “Yes” if they don’t express their objection as stipulated in ELFO Charter.

I have a good idea on ideal song of national ELFA!!

Hon. Pres. Rikio proposed to adopt his song on ideas of the NELFA (Nepali Earth-Loving Friendly Association) as follows:

From our loftiest Everest love and soul flow. Nepali idea is far high, pure like its rivers.

From plain to our native country people climb up, aiming at peace, harmony with all, see them, go down to grand mounts in deep thought.

From heart we wish permanent peace, wholistic amity leading to One World. Exulted, singing together, we march Earth-Loving Amicable Way.

From our Nepal rises the bright Sun lighting people to better Planet, blessed beauty spreading flowers reaching down to oceans and the world.

How about the following parody about Switzerland, Germany, and Italy which have also very beautiful Alps? Future ELFA of these countries may qualify as they like. (N.B. Countries where high mountains are Pakistan, China, India, Bhutan, Tajikistan etc.)

A Parody for future ELFA of Switzerland, Germany, and Italy

From our loftiest **alpine range** love and soul flow. **All our ideas are** far high, pure like its rivers.

From plain to our native country people climb up, aiming at peace, harmony with all, see them, go down to grand mounts in deep thought.

From heart we wish permanent peace, wholistic amity leading to One World. Exulted, singing together, we march Earth-Loving Amicable Way.

From our **country** rises the bright Sun lighting people to better Planet, blessed beauty spreading flowers reaching down to oceans and the world.

I see **a contest of work of arts** as one of the agenda items. I propose also that the aforementioned parody is latter half part of one whole song, so that first half part of the same clauses must be added.

Let's Create Many ELFAs!!

Earth-Loving Friendly Association!

I am HOPE, and I hope that there will appear many national ELFAs (Earth-Loving Friendly Association) this year because there is base for it which former ELFO Pres. Rikio Kaneko laid: he appointed many Ambassadors or personalities as Representative of national branch of our ELFO. Some of them will be President of national ELFA.

On the other hand, a dark horse suddenly appear!!

Please see my invitation activities. Every day I send many Linkedin members invitation for enrolling them as our ELFO member. Yesterday (BEB 7) I sent such invitation to Mr. Hilary Davies (pic.), introducing our ELFO:

Dear Amb. Hilary B. Davies I have honor to have received your sign of interest in my ELFO (Earth Loving Friendly Organization).

For you there are many choices, for example, (...omission...)

Creation of a national BRANCH of the ELFO. At present time there only several national branches of our ELFO in the following countries: Japan, India, Brazil, Mexico, Nepal, and Fiji. If you are a national besides these countries, you may be one of the initiators to create an ELFA (Earth-Loving Friendly Association) in your country.

At present time a national branch of central ELFO does not exist in your country. So we are very obliged to you if you will make an effort to create it.

Thriving Times! Thanks so much for the opportunity. I will love to serve as assistant to the

President. Also, if there is possibility for me to serve as President representing my country Liberia, I will be willing to serve because I haven't seen anyone from Liberia there yet. I stand to be corrected. Kindly share with me your WhatsApp number.
