

Old members of the ELFO

As of January 26, 2024

ELFO Hon. Pres. Rikio Kaneko

Our ELFO (Earth-Loving Friendly Organization) was established in January 1, 2020 mainly by Earth-Loving Associates (ELA). In the beginning stage the ELFO was composed these ELAs.

Before creating the ELFO I operated BNB business, and many foreign guests stayed in my accommodation, and I succeeded in inviting them to a group of Earth-Loving Associates aiming at establishment of the ELFO. Please see the following visiting cards of theirs which I made as their certificates.

All of ELAs joined the ELFO in January 1, 2020., but their former visiting cards remain not revised though it is desirable to use rather 'ELFO member' in their new visiting cards. Here every old member may make up one's new visiting card, using these original cards.

Here you see 898 old ELFO members, but there are other old members (about 50) , so that as of January 26, 2024 there are about **2090 members** (1050 old members+1041 new members) 2100.
