March 20, 2023

Dear ELFO President, ELFO Members and Diplomats.

Nature gifted us beautiful land with peace, harmony, tolerance, and ELFO takes responsibility to preserve the nature at its original state, where each nation and individual help each other to live a fearless life as nature gifted to them.

I am really impressed from ELFO Charter to provide opportunity to every nation without creed, race and color.

ELFO is striving to maintain peace in the world where people lived with peace of mind and affection to each other as well as ELFO gives right to every individual irrespective of their gender and nation. Everyone is equal here and every effort is made to ensure their basic rights.

For the nuclear non-proliferations ELFO is striving to save world/nations from the devastation of the nuclear arms war.

Dear President and members, thank for providing me the opportunity to be part of such a great organization. When first time Miss. Hope Watanabe contacted me and asked for my willingness, I felt a great that I would be the part of the ELFO. And after reading the ELFO Charter I feel lucky that I will be working for such a great cause.

3rd President Mr. Ajay Singh sent me greetings and even a little discussion with him gave me more happiness and inspiration.
