

Call for CEO and persons interested in One World Palace

November 23, 2025

Rikio Kaneko, Hon Dr, Hon Prof. ELFO Hon. President
Edmario Peixinho, Acting President of the OPELA

We have honor to call for many peoples to cooperate with us in creating One World Palace of Earth-Loving Amity (**OWPELA**). As Hon. Prof. of Sapporo University, I appealed establishment of the Earth-Loving Friendship Organization (**ELFO**), and finally reached its founding on New Year's Day, 2020.

Our ELFO places emphasis on peace and friendship, neither division nor confrontations among peoples, and has been more or less successful in establishing some subsidiary international organizations such as ICO (International Conciliation Organization), OELO (Organization for Earth-Loving Oases) of economic character, and OPELA of cultural, touristic, sportive quality, and many national Earth-Loving Friendly Associations.

As one of the activities of the ELFO FAMILY, it decided to create the OWPELA in areas where it is possible, and now more than 60 MOUs (Memorandums of Understanding) for the Palaces have been approved. Please see: our website <http://mopw.org> ⇒ **Welcome** ⇒ **OPELA**. As to 4 kinds of the OWPELA: <http://mopw.org/kinds%20of%20palaces%20251115.pdf>

Since the members of our ELFO FAMILY are from many countries, the OWPELA will have an international character, and the stakeholders and capital will have also a global quality rather than national color at the beginning, and will play a role in connecting hearts of people around the world, no matter where it is established.

We are currently looking for especially CEO and members of **ELAF** (Earth-Loving Amicable Fellows. About it see MOU, Article 3) which will promote startup of the project.

Firstly, especially, **we need CEO, namely, Loanee-Enterpriser**. From view point of promoting intercultural understanding, international friendly cooperation, and early realization of the project, CEO may consist of not only nationals of a given country, but also foreign persons.

Secondly, we need members of the ELAF from **many spheres of social activities**, who will promote the project. The first and foremost wanted are political parties and party members. We want also the following persons to join us, namely: lawyers, educational institutions, sports and game players, friendship organizations, religious organizations, industry organizations, tourism, hotel, and cultural organizations. etc.

Thirdly, **ELFO FAMILY's due status**. In this project each interested person will occupy one's due position by a contract. Regarding the ELFO FAMILY, as there are already more than 750 personalities ready to loan for project of OWPELA, we wish that our ELFO members may buy rooms, rent them, and manage a certain space of the OWPELA.

With thanks, for friendship and better Earth,
