Dear CEO of CSR Solutions Mr. Nehemie Kyakubuta

I am very pleased and convinced that your activities and cooperation with our ELFO FAMILY will have very good influence not only upon your prospect, but also ELFO's future. So that I want to promote further your project on the basis of mutual understanding and reciprocal benefits.

I wish our cooperation be a good example for stimulating other ELFO members' activities. Therefore, as a rule, let's open our correspondence so that they may know also their steps, and how for them to go ahead well.

UN Amb. H.E. Mr. Kisembo Abraham invited you to join the ELFO this time, so he is your

Representative in the sense of Charter of the ELFO. He contributed to growth of ELFO FAMILY and will do also regarding your projects.

Rikio's 6th Draft MOU on CSR Solutions

In July 9, 2024, I presented the 1st draft, and from July 18, 2024 began the work for revision of the draft. And today (OCT 28, 2024) I resent the 6th draft (Green phrases are recent addition, rosy words are today's addition and *italic is my comment.*)

Memorandum Of Understanding on CSR's Projects

We Partners Concerning Projects of CSR Solutions,

recognizing that the realization of the present projects is important for contributing to rise in standard of living of partners as well as many interested persons and people around them,
convinced that international cooperation for completion of these projects will produce fruitful results, being an example uniting ELFO members and world peoples,

Have Resolved To Combine Our Efforts To Realize Projects of CSR Solutions.

Done at the city of Kinshasa the xxx th day of xxx month, two thousand twenty five.

PART I . INTRODUCTION

Article 1. Parties to the MOU

1. Original Parties to the Memorandum Of Understanding (hereinafter referred to as MOU) shall be, in principle,

- a. Loanee CSR Solutions (hereinafter referred to as CSR);
- b. ELFO Pres. Edmario and the member of ELFO FAMILY who will succeed, by the end of this year, in letting bankers or investors to invest capital concerning present MOU;
- c. Cooperators (bankers, investors etc.) whom any member invited to join the ELFO FAMILY, and who are ready invest in projects of CSR;
- d. Any member willing to invest in projects of CSR; and

e. A bank Itaú Internacional ready to be in charge of accounting affairs concerning projects of CSR Solutions.

2. Mr. Kisembo Abraham **as a first runner provided for in the present MOU.**

3. ELFO Hon. Pres. Rikio will not be a party to the present MOU, provided that he will be a personal assistant to the CSR Solutions.

Article 2. Character of this partners' group

1. This partners' group around CSR Solutions will be soft, and there will not be its President, Representative or Head of the group. The above-said bank may be a Chair with equal right of vote with others, but will not be superior over other partners. (Par in parem non habet jurisdictionem)

2. CSR Pres. Nehemie may appoint ELFO Hon. Pres. Rikio, by a contract with him, as his 1st Assistant responsible for arranging affairs.

Article 3. Purposes of the MOU

1. Purposes of the MOU are the followings:

a. to realize a project of construction of **a Little Palace of Earth-Loving Peace and Amity in Baraka in the territory of Fizi in South Kivu in the Democratic Republic of Congo;**

b. to realize a project of construction of **a Palace of Earth-Loving Peace and Amity in Kinshasa;**

I suppose that these 2 projects of ecovillage and ecotown are safer and more profitable than only one project of ecovillage. If many houses are built in ecovillage, but they remain unsold, it will be difficult to manage well. On the other hand, such risk will be less in Kinshasa. 200 million \$, for example, may be for ecovillage, and the other 200 million for ecotown, for example.

c. to create value to be shared fairly not only among parties to the MOU, but also any member of ELFO FAMILY.

d. to enlarge opportunity of employment of ELFO members by hiring majority

of them in the ecovillage.

2. Partners shall try so that present MOU be a good example to be followed not only by them regarding later projects, but also by other ELFO members.

Article 4. Joining the MOU

The MOU is open not only to any ELFO member at the time of signature of the MOU, but also to any member acceding to the ELFO FAMILY later.

PART II. LOANEE'S RIGHTS AND DUTIES

Article 5. Loan for projects of Palaces of Earth-Loving Peace and Amity

1. A loanee CSR Solutions may receive total sum of 400,000,000 US \$ while Cooperators are ready to remit up to that extent.

It is probable that by the end of 2025 year CSR and brokers cannot collect 400 million \$, so that I suppose some Cooperators will remit their money separately in accordance with agreement among interested persons.

2. Even if Loanee CSR does not receive total sum 400, 000, 000 US & by the end of 2025, the CSR may begin its projects at any time on its own responsibility.

See Article 8 on “Encouraging steps by CSR Solutions”. When the CSR receives the capital through these steps, it may begin its work now, probably, together with its own capital.

3. Regarding capital sent to the CSR by a Cooperator after January 1, 2025, it shall be refunded by 2035 in accordance with agreement between them.

Article 6. Security for the Palaces of Earth-Loving Peace and Amity

1. Pres. Nehemie sent me a document on security in French ([click here](#)),
2. Then in July 21, 2024 he sent it in English ([click here](#))

Dear CSR Pres. Mr. Nehemie, thank you so much for your English text now. It seems to be security provided by local, not central Government. Is my supposition right? Anyway it is very good, it is a kind of PPP (Public Private Partnership).

Article 7. Refund and Interest to be paid to investors

1. The total sum of loan with its interests shall be refunded within **10 years**.
In other MOUs the period is 5 years. They will be revised also as 5 years.
2. The interest rate for 10 years will be **5 %** to be applied every year **unless** otherwise provided in individual agreement between CSR and the other persons concerned.
3. Supposing the present MOU will be effective in December 31st, 2024, CSR may refund the said **400,000,000 US \$** to the Cooperators, **by agreement with them, choosing one of following models:**
 - a. Model A of CSR's light burden as is shown **in A in annex I**.
 - b. Model B of CSR's moderate burden as is shown **in B in annex I**.
 - c. Model C of CSR's heavy burden as is shown **in C in annex I**.
 - d. Model D of mixed burden to which CSR and Cooperators agree.
3. When CSR fails to refund in a given year above-mentioned, the interest of that year will be **6%**, and from the 6th year the **7%** of interest will be applied to the refund. Any partner shall not regard arrears of CSR as unfriendly.

PART III. ENCOURAGING STEPS

Article 8. Encouraging 3 steps by CSR Solutions

1. CSR may encourage Cooperators' early determination of their investment by refunding on the basis of an agreement, irrespective of the time of conclusion of the present MOU, to 1st runner of the investment, additional **3 %** of the sum, to 2nd runner additional **2 %**, to 3rd runner additional **1 %**.

3. OELO 2nd and 3rd Presidents, Vice-Presidents shall be also the 1st runner to remit at least 1,000 US \$, provided that they may claim refund for one year with simple interest of 8%.

When Vice President remits 1,000 US \$, he or she can receive 1,050 US \$.

4. Any member of ELFO FAMILY may lend one's money to a specialist in investment to get maximum gain which is permitted by domestic law, enjoying the right to receive refund with 7% interest. The other 1% of the remittance will be remuneration for the said specialist.

Article 10. The 2st Runners with 7% interest

1. The following members of OELO shall be the 2nd runner who may receive interest of annual 7% of one's remittance:

- c. Representative of Cooperators
- d. Representative of Loanees
- e. Secretary-General.

2. Any member of ELFO FAMILY may lend one's money to a specialist in

investment to get maximum gain which is permitted by domestic law, enjoying the right to receive refund with 6% interest. The other 1% of the remittance will be remuneration for the said specialist.

- e. Secretary-General.

2. Any member of ELFO FAMILY may lend one's money to a specialist in investment to get maximum gain which is permitted by domestic law, enjoying the right to receive refund with 5% interest. The other 1% of the remittance will be remuneration for the said specialist.

Article 12. Remittance

1. International remittance of money among the present partners shall be conducted through Paypal unless otherwise agreed.

2. The CSR shall have its own bankbook exclusively for its projects.

Then a member may send money directly to the bankbook. But in this case remittance route may be through some banks, and its fee maybe surprisingly expensive while the fee is almost gratis through the Paypal.

Article 13. Zoom Amicable Party

This Article and the following 2 Articles are stipulated in the OELO Charter.

1. If a Loanee wants investment of more than 1, 000, he or she will have duty to create one's domestic or international ZAP (Zoom Amicable Party) aiming at creation of FM and Radio.

2. The Loanee has a duty to join the ELFO central ZAP for 30 minutes at least once a week, and if it is impossible, let some member join it.

PART III. BROKER, REPRESENTTIVE, ASSISTANT

Article 17. Brokerage and work

1. Members' brokerage will be 1 % of the loan, the brokerage is included in

the loan. *(It means that brokerage will be paid from among the Loan.)*

A Social Housing Project

With massive land rich in petroleum as security

In July 3, 2024 UN Amb. Kisembo sent me the following message

(colored phrases are by me):

Dear President Rikio Kaneko and the entire ELFO leadership team.

I am writing to appreciate you for the work you are doing to take our ELFO to the next level.

I personally no longer need the 20,000\$ loan as I had earlier indicated. Kindly pass on the opportunity to another member.

Kindly allow me to present to you a social housing project which has received approval by the Democratic Republic of Congo Government with a government letter of comfort attached to this email. There's need for funding of this project which I believe if taken up by ELFO as the developer and financier through ELFO connections, ELFO will be able to earn revenue from it at least for 25 years.

Attached please see the project plan and Government letter of Comfort indicating massive land rich in petroleum as security.

[JUN 6, 2024, FROM Edmario] Congratulations, happiness and success, dear Kisembo, for the blessed loan amount. I believe that together we can become very rich at ELFO and make a difference and change in our families with a better quality of life.

At the moment I'm living in a favela in the state of Rio de Janeiro, unhappy, poor and humble. I want to help my family. I am married at the civil registry office. No marriage is perfect. I live in the Dois de Maio favela number 246 house 10 in the Sampaio neighborhood in the state of Rio de Janeiro.

I really count on your support, from Mr. Rikio Kaneko, Ivo and Alain so that the NGO ELFO becomes a reference in the world.

I would like to travel the world as interim representative President of ELFO in several countries and develop real estate investment project with buildings to meet a great demand from ELFO members.

We must reinvent ourselves with real estate project with commercial rooms and supermarkets to serve ELFO members, world leaders in meetings, coffee,

laughter and investments.

Let's make the NGO ELFO an environment for large investment deals. The NGO ELFO will be an attractive place for gigantic projects, small projects, dreams and achievements.

We need to set up meetings with key investors at our earliest convenience so that we pave a way forward for projects at hand. I am willing to travel with you at my own cost since ELFO does not have funds available yet.

Let's open our doors far wider for all members of the ELFO FAMILY! According to my 1st Draft MOU, I was only one assistant to your company, but see 2nd Draft. Now I propose far wider gates through which any member may enter your projects, imagining ecovillage and ecotown. A draft Article 15 reads:

Not only a personal assistant to the CSR Solutions Mr. Rikio, but also any member of ELFO FAMILY may gain 1 % of the remittance sent by his or her effort to the CSR from a Cooperator. Their gain is not of brokerage character, rather as a result burdensome service for the CSR Solutions.

[JUL 21, 2024. FROM Pres. Kisembo] Dear Mr. Nehemie TCHAKUBUTA BYAOMBE,

Thank you for the English translation of the Government letter of comfort releasing the land to you for development projects. This will go a long way in analyzing and evaluating the project sustainability.

I will be honoured to receive an invitation to visit the project site in Baraka, view the security land in question and together with other technical persons carryout it's valuation. This will be a benchmark for us to proceed well with your project.

*Dear Pres. Mr. Nehemie, glad that you have a good team who are willing to cooperate with ELFO FAMIL. I want their **email addresses**, who will be responsible for general affairs, for organizing DRC ELA (Earth-Loving Association), DRC Earth-Loving Company, and DRC ZAP (Zoom Amicable Party) etc.*

Dear Hon. ELFO President Rikio Kaneko,

I hope this email finds you well.

I am writing to ask for your approval and support to travel to the Democratic Republic of Congo City of Kinshasa and South Kivu province on official visit to meet the leaders of CSR SOLUTIONS which is scheduled to take place from 10th to 15th August 2024.

Kindly see invitation attached to this email.

Objective of the visit:

1. To meet the leaders of CSR SOLUTIONS as a KYC (know your client protocol) this is a prerequisite to carrying out any business internationally.
 2. This visit will give me an opportunity to familiar myself with CSR SOLUTIONS previous work successes and their current activities as well as looking at their administrative environment.
 3. I will have an opportunity to visit the city of Baraka and physically see the project site and look at other investment opportunities in the area. Housing must be complemented by other factors on ground such as water, road network, electricity e.t.c.
 5. To visit and find out the value of land that has been offered as security for the 400m dollars loan proposal.
 6. To meet and interact with the area Governor and other leaders in the region.
- To meet CSR SOLUTIONS Bankers in Kinshasa for a partnership prospectus.

I submit that, this trip is a necessity as it will put the project into perspective.

However, my new Organization OELO is still at infant stage and hence is unable to support this trip financially. I am now turning to my Mother organization ELFO for financial support. I have attached a budget estimate and a temporary trip itinerary for your attention.

Thank you.

Yours sincerely,

Amb. Kisembo Abraham

ELFO 2ND PRESIDENT AND PRESIDENT OF OELO

Dear OELO Pres. Amb. Kisembo

Thank you for your message. In principle, I agree to your proposal, provided that you will receive your **travel costs 3,500 US \$ not from the poor ELFO, but from among the Loan of 400 million US \$.** I think it is very good for you to demonstrate your initiative to be the 1st runner of investor stipulated in MOU on CSR, Article 8 and 9. I suppose you can conclude a contract with CSR Pres. Nehemie in accordance with these Articles.

Dear ELFO GA Chair Irina Karpekina, will you decide, if OELO Pres. Kisembo agree to, that his travel to DRC is recognized within a framework of the MOU, Article 8 and 9?

Dear members of ELFO FAMILY, you may get also more or less gain from our economic activities. Please learn how to get it, observing members' activities.

Bankbook named DRC Earth-Loving Oases

Dear CSR Pres. Nehemie

*Will you please ask your bank to make a bankbook named DRC Earth-Loving Oases (its holder will be CSR Pres. Nehemie). You know, OELO Pres. Kisembo wants to see you. He says 3,500 US \$ is necessary for his travel. **After your opening the bankbook, remittance will be sent in it.** Your team members are your friends Pinos, Pierre Senga, Andries, Musubao Maene, and Judy. I want to send them my greeting and talk a little bit. So will you please send me **their email address** for earlier realization of your project?*

There are many questions regarding the security for your projects (click [here](#)) and guarantors. Will you explain more in detail about it?

ELFO Hon.Pres. Rikio Kaneko

ELFO Pres. Edmario welcomes OELO Pres. Kisembo's Visit to the DRC

[JUL 26, 2024] Dear Mr. Kisembo, I wish you spiritual and material blessings on your demanding trip to Congo to discuss external matters of ELFO and OELO regarding financial matters with the company CSR SOLUTIONS.

I support your decision to meet the CSR SOLUTIONS company team in Congo in person. It is important to deal with these external financial matters personally and represent OELO and ELFO.

This opportunity to visit the city of Baraka and physically see the project site and other investment opportunities in the area is extremely healthy and important to close any MOU agreement with peace and wisdom.

The decision to take out a loan is very serious because it will generate a monthly commitment to your company's results. So, before taking this step, you need to find out what the company's problems are that generated the need for the loan. It's time to evaluate your sales, your cash flow and other management controls. Even to know if the business is viable or if the loan will only increase the size of the crisis.

Banks' requirements

To make your credit application more likely to be approved, check out what financial institutions usually analyze to decide whether to grant it or not.

Payment capacity: Banks analyze the company's payment capacity through cash flow, DRE and its projections, accounting records and billing.

Customer history: Has the applicant borrowed before? Have you been punctual in paying your debts in the past? Banks also consult the Central Bank's information system on incidents registered with Serasa, SPC, Cadin, notary offices, also involving partners and guarantors.

Capital: Analysis of the company's indicators, such as profit margin and reserves to meet its commitments.

Guarantees: Institutions evaluate the guarantees offered at the time of the loan: investments, properties, securities receivable, etc., which can be presented by the company or its partners.

Economic situation

The company's environment, but also the country's economic and social situation are part of the banks' analyzes when deciding whether or not to grant a loan. When the general situation of the economy is complicated, the tendency of financial institutions is always to be more conservative, fearing that borrowers will not be able to pay off their loans.

To support you, Sebrae offers a free online course on financial management. Take advantage and become more prepared to face the challenge of keeping your business sustainable and long-lasting.

Q: What is the name of the bankbook?

4. Participation in ZAP (Zoom Amicable Party)

Every day at 20:00~20:30 we hold ZAP (Zoom Amicable Party). It's very desirable that many your friends join us in the ZAP.

Answer: We will be present every day at 8:00 p.m.~ 8:30 p.m. during the zoom conference. Please send us the zoom link each day to allow us to participate too.

Q. Are your team accustomed to manipulate Zoom? Until today nobody has joined us!?

5. Appointment of persons responsible for some sectors

How about appointing several persons as follows:

- a. A person responsible for communication for me (How about Mr. Pinos)*
- b. A person responsible for communication for OELO Pres. Kisembo*

Answer: Yes, we are ready to receive the president of OELO in the Democratic Republic of Congo, which is why an official invitation was sent to him.

Q. Did you agreed to several conditions necessary for his staying in your country? When does he stay?

N.143. [Asiimwe Bridget](#) (SEP 28, 2021), **youth Ambassador** at Marie stopes [Uganda](#); Her first reply is *"Thanks for sharing. Beautiful. I love it."* And I Irina sent her my answer;

Oh, dear Asiimwe Bridget!! So long I can remember, you are the 3rd Diplomat who used expression 'Beautiful' as for Interstate Department or our Organization. You know, not only flowers, but also an Organization can be "Beautiful". Dear Asiimwe, thank you so much, for your sharing with us!! Then we want to enroll you as our member. All our member welcome you, and you will often receive our interesting message. According to the ELFO rule, I am your Representative, so if you don't express your opinion in an ELFO organ (for example, in the General Assembly or some organ), your opinion will be regarded as the same of mine, and if I don't express my opinion, it is regarded as the same with our President Rikio Kaneko, because he is my Representative: he invited me to join the ELFO. It's very interesting and convenient system. From now on you can add additional aspect which will make you happier and more hopeful, Yours, Irina Kaneko bridgetemwiisa@gmail.com
