A Contract between E. M. and A.P. on Amity and Cooperation

E.M. and A. P. have honor to have concluded the present Contract between E.M. and A. P. on Amity and Cooperation.

Edmario's brokerage will be divided equally with Rikio

(From Rikio's Message of NOV 11. 2024)

nnYou know, as an Assistant to him I am making great efforts to realize project of SPELPA (Small Palace of Earth-Loving Peace and Amity) in Santa Katarina, and I proposed him to divide his brokerage equally between us proposed him.

It means that if Mr. Edmario receives 100 money unit from Ms. Anna Fiedler, it will be divided equally among us. Regarding to my offer, he answered, among others, as follows:

So dear Rikio I need your support and assistance in drafting our MOU memorandum. I have only an old cell phone. I don't have a computer at home.

I need you to help me... Of course all your efforts will generate 50% of my commission with Anna in brokerage...

Nothing will be free. It is only fair that Mr. Rikio has 50% brokerage.

Edmario & I Rikio shall donate 10% income to ELFO

According to ELFO rules, 10% of member's brokerage and of Assistant's remuneration shall be donated to the ELFO FAMILY. So Edmario and I wish that members of ELFO FAMILY cooperate with us as much as possible.

Candidate for a Loanee-Enterpriser

(Under construction)

Call for persons interested in Palace in Santa Catarina

November 2024

Initiator Rikio Kaneko, ELFO Hon. Pres. and Hon. Prof. of Sapporo University

I have honor to call for many peoples to cooperate with us in creating Palace of Earth-Loving Peace and Amity (PELPA) in Brazil, Japan and around the world. As Hon. Prof. at Sapporo University (int'l relations), I appealed establishment of the Earth-Loving Friendship Organization (ELFO), and finally reached its founding on New Year's Day, 2020.

Our Organization places emphasis on peace and friendship, not division among peoples, and has been more or less successful in establishing subsidiary organizations such as the International Conciliation Organization, Organization of Earth-Loving Oases, and national Earth-Loving Friendly Associations.

As one of the activities of the Earth-Loving Family, it was decided by the Earth-Loving Family to build Palaces of Earth-Loving Peace and Amity in areas where it is possible, and now draft Memorandums of Understanding (MOU) for the Palaces in some countries, including Sapporo, Brazil, and Cameroon, Ukraine etc. have been unanimously approved.

Since the members of our ELFO FAMILY are from many countries, the PELPA will have an international character, and the stakeholders and capital will have a global character rather than national color, and will play a role in connecting the hearts of people around the world, no matter where it is established. According to the MOU for the Palace of Earth-Loving Peace and Amity in Brazil,

We partners concerning project of creating Little Palace of Earth-Loving Peace and Amity in Brazil (hereinafter referred to as SPELPA).

recognizing that the realization of the present project is significant for contributing to promotion of peace, friendship, and trust among nations,

convinced that international cooperation for completion of this peaceful project will produce fruitful results, uniting peoples around the World,

Have Resolved To Combine Our Efforts To Realize Present Project of the PELPA.

The plan to establish the Earth-Loving Peace and Amity in Brazil is one example of the hopes for the establishment of similar palaces around the world, and for the proposed MOU consisting of more than 41 articles, please see the URL: <http://mopw.org/ri-ri-jp%20loanee-n8-241027.pdf>

We are currently looking for **A. Original member-investors** 1) and **B. Original members without investment obligations** (Article 2).

First of all, urgently we need Loanee-Enterprisers. If an entrepreneur can run the SPELPA in Brazil on their own efforts without a loan, of course, that would be very welcome. If they cannot, they may receive loan.

Secondly, we need supporters who will financially promote the project, such as bankers, investors, and donors. What is unique at this stage is that more than 300 VIPs from around the world and diplomats from the Ministry of Foreign Affairs are potentially ready to invest.

Thirdly, original members without investment obligations. If anyone or any organization around the world is interested in this project, they are welcome to become original members. First and foremost are political parties and party members, then lawyers and legal organizations, educational institutions and educators, sports and game players and their organizations, friendship organizations, religious people and religious organizations, entrepreneurs and industry organizations, persons related to tourism, hotels and restaurants, cultural figures and cultural organizations, etc.

We sincerely hope for the understanding and cooperation of Brazilians and people around the world.

Dear President of Hotel XXXXX

I have honor to send you a very significant document named **Call for persons to be interested in SPELPA in Brazil**. We ELFO FAMILY are very glad if you read it, and are willing to cooperate with us. Another important Document is MOU (Memorandum Of Understanding) on SPELPA (Small Palace of Earth-Loving Peace and Amity), URL of which is: <http://mopw.org/ed-loanee-n8-241102.pdf>

You see “Loanee-Enterpriser” in the MOU (PART III). To speak frankly, not only ELFO Hon. Pres. Rikio, but also all the ELFO FAMILY will be very glad if you are ready to be the Loanee-Enterpriser. If so, Mr. Rikio will explain more in detail because he drafted the present MOU. His email address is kaneko-ri@jcom.home.ne.jp

In advance he says that if your hotel is interested in the SPELPA, both of them (your hotel and the SPELPA) will frequently open international events and conferences, which will make both hotels full of guests, do famous not only both of us, but also Santa Catarina itself.

On the other hand, I have my private favor of you. My family would like to live in the SPELPA, managing several flats (apartments) for a small hotel or BNB business. Exterior of the SPELPA may be one hotel, but legally I would like to manage several flats, and your hotel will manage all the other flats and spaces. I hope you will be interested in our project of SPELPA.

If so, I will make utmost efforts so that your hotel and the SPELA be full of guests, opening frequently international events and conferences.

For prosperity and blessings of your hotel,

ELFO Pres. Edmario Peixinho

Dear CEO and President of Hotel XXXXX

I have honor to introduce myself as Hon. Pres. of ELFO (Earth-Loving Friendly Organization), and call for you to cooperate with us in creating Palace of Earth-Loving Peace and Amity (PELPA) in Brazil. As Hon. Prof. at Sapporo University (international law and relations), I appealed establishment of the ELFO, and finally reached its founding on New Year's Day, 2020.

Since the members of our ELFO FAMILY are from many colorful countries, the PELPA will have an international character, and the stakeholders and capital will have a global character rather than national color, and will play a role in connecting the hearts of people around the world, no matter where it is established. According to the MOU for the Small Earth-Loving Peace and Amity in Santa Catarina,

We partners concerning project of creating Little Palace of Earth-Loving Peace and Amity in Brazil (hereinafter referred to as SPELPA).

recognizing that the realization of the present project is significant for contributing to promotion of peace, friendship, and trust among nations,

We are currently looking for **A. Original member-investors** 1) and **B. Original members without investment obligations** (Article 2). First of all, **urgently we need Loanee-Enterprisers**. If an entrepreneur can run the SPELPA in Brazil on their own efforts without a loan, of course, that would be very welcome. If they cannot, they may receive loan.

Fortunately, President of our ELFO is a Brazilian, he is Mr. Edmario Peixinho who entered our ELFO in July 11, 2021, and since then he actively encouraged our members of the ELFO. I am sure he and our ELFO will passionately support CEO and/or a Loanee-Enterpriser ready to involve in the project of the SPELPA.

At present there are **761 ELFO Dignitaries and personalities ready to invest in the PELPA. (ANNEX V. List of Contributors to the SPELPA in Santa Catarina).** In addition, Pres. Edmario will inform you (Loanee-Enterprisers) of the names of other Cooperators (bankers, investors etc.) who will lend due amount of money for you if necessary, and send you the name of the bank ready to be in charge of accounting affairs of the present project. (MOU, Article 1) On the other hand, further I will inform you of names of many other ELFO personalities ready to invest in the project of the SPELPA in Santa Catarina.

Pres. Edmario wants to move from Rio de Janeiro to Santa Catarina and to live in the SPELPA. As ELFO President he must know actually all the fundamental important matters concerning not only the SPELPA in Santa Catarina, but also other PELPAs or SPELPAs around the world, and accumulate his experiences in SPELPA in Santa Catarina. In this respect I am pleased that our ELFO FAMILY decided the following items.

1. We ELFO will make efforts to call for bankers, investors etc. to invest in projects of PELPAs in Brazil.
2. PELPAs will be established in Santa Catarina, Rio de Janeiro, San Paulo, Brasilia, Manaus, Macapa etc.
3. It is indispensable for some ELFO members to live in PELPAs, uniting peoples' heart, promoting amity.
4. Our ELFO wish that Loanee-Enterprisers secure at least one flat with furniture for the ELFO member and one flat for their practical training. These ELFO members will buy the flats or pay monthly rent.
5. Our ELFO recognizes the said Loanee's Enterprisers' priority over others to create PELPAs within Brazil.
6. If refund interest 5% is high, then it may be 4%. (Cf. MOU, Article 11, Paragraph 2).

For Peace and Amity and with gratitude,

ELFO Hon. Pres. Rikio Kaneko

Dear Mr. Riko o e Mr Edmario,[FROM Anna, DEC 14, 2024]

I appreciate the improvement in your health Mr. Rikio, may God always place his hand where he foresees help.

Send photos of the building to Edmundo. As already foreseen, including by real estate law, the construction has a delay in delivery. For you, this is good, since we did not start the negotiations, thus saving time for someone else not to have finalized this purchase with another company.

For delivery now scheduled for February 2025, I managed to secure the value of R\$25,500,000 for your proposal until the end of 2024.

I cannot guarantee that the owner of the building will accept this for 2025.

As I have already mentioned in all our conversations:

At this moment what we have is a purchase intention between brokers and buyer. It only goes to the owner when there is a proposal or a visit, even if virtual.

It is of great importance to make a proposal official, which requires the following data: Who is going to buy the building (or their legal representative) documented; what value is offered (at this moment, for example, they can try a slightly lower value, as long as it is respectful) and the payment format (how much at the signing of the contract and how much at the delivery of the building).

I have trusted your intention to purchase and I really believe in it, but the owner knows us and is free to sell when any other proposal arises. We know that he already agreed and refused because they were lower than expected.

Only the OFFICIALIZED PROPOSAL characterizes a negotiation. Thank you and I look forward to this proposal.

Sorry for any mistakes in writing, this is not my language.

Good luck and good work,

Anna Fiedler

[FROM Anna] Dear Mr. Kaneko, Mrs Irina e Edmário,

Get me to update the messages. I read the 28-page memo and all the emails.

Conclusion: You are well organized, determining standards and rules for these employees' investments (companies). Then in the emails it appears that they are, internally, deciding who will be responsible for each investor

At this point, I understand that you do not have the investor defined and compacted and that you are still unable to make a concrete proposal regarding who, how much and when we will enter into the process of purchasing the building.

Considering that we have 3 days until the end of October, remember that the price will be modified for the building to be fully ready in November. we need to wait for new values. If the

proposal were made this month, we plan to maintain the value.

I await the completion of your search for investors worth approximately US\$ 4.6 million (until 10/31) or more in November.

At this moment, here on this side of the negotiation, there is nothing to resolve. I wish you, as always, good luck with this capture.

Remember, to make a proposal we must have: Name of whoever (whether legal or physical) will buy and own the building, value of the proposal and method of payment of this amount. To do this, you need documents from this buyer (personal documents and address). After this proposal, a survey will be made of the purchasing power certificates for this name (whether physical or legal) and then the proposal will be taken to the owner of the building.

Good morning and thank you very much for your effort and dedication.

[FROM Rikio, OCT 18, 2024] Dear Anna, thank you so much for your mail. Now I'll comment on your each points

1. the address of the building has already been passed on to Edmario

Comment: Yes, I know it Rua 906, n° 111 - Balneário Camboriu – SC. Not only I, but Cooperators (bankers, investors) and Loanee-Enterprisers want to know the map where the building is indicated.

2. yes, there is Univali nearby. It is a region with a large commercial, tourism and business movement

Fabor: In general buyers and Cooperators want to know more in detail. Can you send us maps around the building?

Can you send us URL of website by which we can see the building and the map around it.

3. regarding brokerage: of the total purchase price, the owner pays 5% commission.

Question: What does "the owner" mean? Does it mean Edmario, another Loanee-Enterpriser, or your company?

Question 2: To whom does the owner pay 5% commission?

This (5%?) is already divided into 50% for the responsible broker of the building (*Can you tell us its name?*) and 50% for the real estate company that I represent, that is, for my real estate company it gets 2.5%. In this amount, my real estate company passes me 37%. This value is what I divide with Edmario, he has to provide an invoice and pay the tax (*Can you indicate approximate amount*) corresponding to the amount he receives.

Comment: I cannot understand well this point 3.

5. Edmario is the one who will make the contact (*with whom?*), obviously I have no knowledge of how the members work, the business objectives they will achieve here. I have no arguments for these conversations

6. The owners decide the name of the Building, that is, you change it when you acquire it
Thank you for your understanding

I await the purchase proposal. Remembering that the amount of R\$25 million is until the end of October, in November the amount will be different

Comment: I am afraid that Edmario cannot find Loanee-Enterpriser by the end of October. A certain period is necessary for him and me as his assistant.

[FROM Rikio, OCT 18,2024] Sr. Rikio and Sr. Edmario:

1. the address of the building has already been passed on to Edmario
 2. yes, there is Univali nearby. It is a region with a large commercial, tourism and business movement

[FROM Edmario, NOV 4, 2024] My dear Rikio, I disagree with the G.A unanimous decision to have a businessman investor in Brazil.

In Brazil it may be difficult to find an investor for the Brazilian PELPA. The potential foreign investor needs to have a company in Brazil with a CNPJ that pays taxes to the federal government or has a legalized tax invoice.

It is important to have a foreign investor in the PELPA (Palace of Peace and Friendship) in Brazil.

From Past Materials

[From Rikio] Oh, a lot of thanks, dear Anna!!

I supposed that Edmario had already transmitted you my message [on division of brokerage between you and him] and you had read it.

Anyway in future your and Edmario's success will depend on his great efforts to invite peoples to join the project.

Talk with him please about future hopefull plan.

Have a nice day,

Rikio

Before I sent her the avove message, she had answered affirmatively on my question on her **readiness to pay a certain of brokerage to be paid to Edmario if he succeeds in persuading an ELFO member or non-member to buy the building**. Her answer was simple: **the intermediation already has a partnership, she would save 50% for her real estate business, where she keep 37% of these**.

[OCT 16, 2024 FROM Rikio] Dear Anna, Thank you so much for your readiness to share brokerage with Edmario. I want to know more in detail about the building and brokerage:

1. Address of the building. Neither Edmario nor me knows it. Will you tell us where it is.
2. Is their an university or sports establishment near the building?
3. I want to confirm your readiness to pay 50% of brokerage to be paid to Edmario if he succeeds in persuading an ELFO member or non-member to buy the building. Here I want only your reconfirmatin "Yes".
4. I don't understand your additional explanation "**where you keep 37% of these**." What does it mean? Does the 37% have something to do with Edmario?
5. Can we divide your work and Edmario's effectively? For example, he has exclusive right to inquire ELFO members, a certain number of hotels, bankers, investors, or Loanee-Enterprisers whom you have not inquired personally by your own letter.
6. I wish that the building be named as Little Palace of Earth-Loving Peace and Amity if he succeeds in persuading some person to buy the building?

Hello Mr. Rikio. I was never asked this question [of division of brokerage between her and Edmario --Rikio] .If that had been the case, the answer is simple: **the intermediation already has a partnership. I would save 50% for my real estate business, where I keep 37% of these**. If we make this sale, I can perfectly split my share of the brokerage with Edmario.This is a common process, as long as it is made clear, as is being done now. I can't wait, Anna Fiedler

In June 24, 2024 Ms. Anna Fiegler sent me the following message

My questions or comment are written in green phrases. She writes:

Mr. Kaneko, Mrs. Irina and Mr. Edmário.

My name is Anna Fiedler, I am a broker at Santailha real estate, in Florianópolis.

My CRECI is 41453 (easily checked on the CRECI website)

[What does CRECI mean?]

My Instagram is <https://www.instagram.com/annafiedlercorretora/>

The website of the real estate agency I am linked to is:

My <https://www.linkedin.com/in/anna-fiedler-6909172b/> I use little.

[In this URL you can see the right photo]

I have a request for your interest in purchasing a property with the following characteristics:

· Building in excellent condition;

[Is the building old, new, or under construction?]

· Minimum 5 floors;

[But at one of the pictures sent by you, I see 7 floors. Do you want us to buy or rent the very building in the picture?]

· Apartments that can be used for tourism and hosting business teams;

[OK, that's very good.]

· Commercial store on the ground floor;

· Preferably meeting room;

· Tourist and urban standard location;

· Close to the capital of Santa Catarina and the beach;

[Will you please tell us the exact address of the building?]

- Security;
- Access to different types of commerce and leisure.

I have been working on finding a property suitable for the use that will be given to it.

I found a building in **Balneário Camburiú**: a city close to **Florianópolis** (capital of SC [See pic.]), recognized as a city with very high purchasing power and real estate appreciation much higher than the average in Brazil. The city is a favorite in upper-class tourism, in Brazil and around the world. Footballer Neymar, Cristiano Ronaldo, model Giselle Bündchen and actress Demi Moore have giant apartments there. All businesses are prepared to serve this public.

This building has 17 floors + 2 stores on the ground floor. It is being built, with delivery expected in October 2024. The advantage is that

it is completely new and has a guarantee from the construction company.

The building's entrance hall will be made of light marble.

Initially it will be delivered unfurnished, but I can resolve that too.

They might think about transforming a floor into meeting rooms.

Property value R\$23 million which is equivalent to **U\$4,180,000.00**. To be converted on the date of purchase.

Below are some photos of the building under construction. Projections of what the apartments might look like and projections of what the entrance to the building will look like.

I await your comments and interest in expanding this presentation.

Hello Mr. Kaneko, Mrs. Irina and Mr. Edmário.

[AUG 2, 2024] Ms. Anna Fiedler's Readiness to cooperate with ELFO FAMILY

I am writing to you to find out how I can guide you regarding the building in **Balneário Camburiú**. [pic.]

I need to know more details about the project here in Brazil so I can guide you regarding this acquisition.

What is the deadline for this process to happen?

Should we contact the building owners to let them know we have a client with a concrete interest?

I am available and continue to support this community so that the ideal of this community can happen in a prosperous place like Santa Catarina

Waiting for a response,
