

Earth Home Stay Associates (EHSA)

EHSA Representative Rikio Kaneko

Policy of Earth Home Stay Associates (EHSA)

1) Purpose of the EHSA are to promote amity and globalization of Home Stay. Principles of the EHSA are to take the position for all human beings and to cooperate with other tourist and home stay organizations.

2) The EHSA is composed of MHs (Member-Hosts) and MGs (Member-Guests). In the EHSAs are ML members who have not any duty, only receive an email, but have one vote. An Earth-Loving Ambassador (ELAAT) and Earth-Loving Angel for Peace and Amity (ELAPA) may become an EHSA automatically.

3) The name of MHs' establishments (a building or house) may be named The Earth –Loving Oasis, HOUSE for Peace & Amity, or HOUSE for PEACE, Welfare & Amity.

4) An EASA member may use such a symbolic logo mark as shown here with necessary qualification by permission of President of the EHSA.

5) A MH will recommend our colleague MHs to his guest, showing a MH list to the guest.

6) A MH may have his Own Home Page (OHP) which is perfectly independent of any agents, provided that MH shall be also a host (or hosts) of word-wide agents.

7) A MH shall talk with a MG in a friendly way about a discount and services to be given to the MG, pay due remuneration to a MG who recommended another lodger to stay for more than one month.

8) A MH may receive a guest in one's home when the Host's family is composed of more than 2 members, and all of them agree to reception of a guest.

9) A MH, who controls and manages a lodging house in one's neighboring land and lives there daily, may use its rooms as a home stay room if municipal law permits.

10) A MG and a MH may cooperate with each other on mutual basis, cooperate with local inhabitants, participate in construction of a networks uniting regions and the World.

11) We EHSA think that irrespective of pay or free home stay, so long as it is not against public welfare nor public order and good custom, to welcome natives and foreigners in one's own or another house is human natural right and a use of one's own property recognized by its very nature.

12) Our EHSAs will request Governments of States and local authorities to relax considerably restrictions on home stay, rather to take positive measure to encourage home stay, helping family finances, invigorating tourism, widening tax revenue field, and to increase a budget in order to promote friendly relations among nations and to establish true PERMANENT PEACE.
