Up to present time 24 ELACs (Earth-Loving Amicable Club) have been created. I hope these Clubs will develop more, becoming a base of our future ELFO (Earth-Loving Friendly Organization).

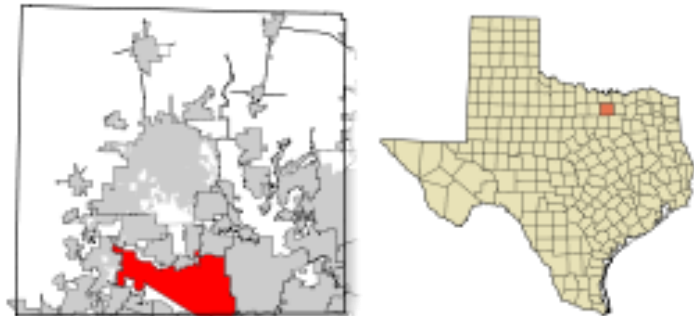

All the members of these ELACs stayed in my accommodations, so that almost all the readers of my present MM (Mail Magazines) have common elements with them.

ID Medan Resort City ELAC

インドネシア・メダン観光市友好クラブ

An Indonesian lady Kiki Hardianty (right photo) and her companion stayed in my Nishioka House, and their stay was unbelievably fruitful, though her first message of 17, December, 2019 did not suggest it.

Before her arrival at Sapporo she already agreed implicitly to become an ELA, and read my proposal to create a **Medan Resort City ELAC**. While staying here in Sapporo they played with me 5-5 game, and I gave them a Certificate of 10 Class, they created with me the said ELAC. Here you see its Article 1:

Article 1 (Purposes and activities) The purposes and activities of ID Medan Resort City Earth-Loving Friendly Club (hereinafter referred to as the Club) are as follow:

1. to strengthen friendship and partnership among the present Club members as well as the other family organizations around the World.
2. to introduce Medan Resort City to the World, promoting exchanges especially in economic, and touristic fields, and if possible, producing Earth-Loving Goods (ELG) and others.
3. to support the said general ELFO, to be its member, to be ready to act for its Medan Resort City local branch if our Club and the ELFO agree to such cooperation.
4. to open an Earth-Loving Friendly Party promoted by our Club.
