Exchange of 'Visiting Cards'
is a custom among ELAs
「名刺」交換は仲間の慣例

Many of Nepali ELAs have received 'Visiting Cards' (VC) from me. In such an urgent time as nowadays it's very important and convenient to know each other promptly, so that I want to send drafts of every Nepali ELA's 'Visiting Card' to Nepali members. **If someone is unwilling to opening one's VC even to one's compatriots, please feel free to send me a message to that effect. Again I say I'll respect such privacy to 100 %.**

HOW TO KNOW ELAs' VC & MAILTO??
いかに仲間のメールアドレスを知るか

902 old ELAs already know a way to opening ELAs' Visiting Cards (VC). Dear old ELAs, please permit new ELAs to see your VC for prompt cooperation.

Let's open the NELA GA

e-ネパール ELA 総会を開催しよう

As it seems difficult for many ELAs to gather together, then let's open Nepali ELA General Assembly (NELAGA), fully using Internet.

Maybe, in a critical time, Nepali ELAs will be the first runner on our Earth to go ahead in such a form, and this may be a good example to be followed by ELAs of other nations.

都市封鎖が宣言されたため、パーティ開催はできないようなので、それではe-ネパール ELA 総会をインターネットを駆使して開催しよう。これは、他の ELA の好例となる。

Dear Nepali ELAs, I sent you Nepali ELAs' e-mailtos the other day, and again yesterday addresses, expecting that you get acquainted with each other and elect President of all Nepali ELAs. To promote the above-mentioned procedure our steps will be the followings:

- a. **Provisional Secretariat, and Vice-PS:** Dear Bhim San, are you ready to be a PS? You may appoint a Vice PS.
- b. **CDC:** to organize **CDC** (Committee for Defeating CoronaV) of general character. The CDC may be consist of 2 sub committees: **S-CDC for IS** (Immediate Steps) & **S-CDC for NELC** (Nepali ELC [Earth-Loving Company])
- c.

Dr. Nerendra Thangunna agreed to be a Provisional Chair the CDC.

ネランドラ タングンナ博士が暫定議長

Thank you, Nerendra San, for your decision to be a Provisional Chairman. First of all, please talk with Bhim San, send your greeting to Nepali ELAs. You may appoint Vice-chairpersons.

Dear Nerendra San, this time the CDC will declare the opening of the **NELAGA**, and decide the date, place, agenda items. The General Assembly will demand many days, Agenda items are very important. Maybe, they will be at least as follow:

1. Constitution of Nepali ELAs
2. Membership (MI members, organizations)
3. Activities of the first year (to the end of year)

At present time I know Nepali ELAs better than you, so that I inform you of their readiness to play a certain role in this organization or of suitability to a post.

ELAs are of comprehensive character. Considering, however, nowadays' critical situation, let's define Nepali main work as defeating CV (CoronaV). So the one of the choice of schemes of Nepali ELAs will be as follows.

Strengthening of Secretariat

To electronize Secretariat

事務局の強化、その電算化

Yesterday I received from our ELA Suresh Pariyar a good proposal on electronizing ELA's system in Nepal, he asked me to look at the following URL:

<https://1drv.ms/x/s!AuBdNg6gXJZVokBtbsigTQtkSxCR?e=eymxGr>

Did you peeped through it? And he adds that anyone who has this link can enter this information by oneself. He believes this will help us to communicate in common chat room or in one to one private chat room.

I encouraged him to electronize ELAS' system. **私はスレシュ・パリヴァル仲間の電算化の提案を推奨した。**

Let's sell necessary goods

2%profits to Corona Relief Fund!!

必要な商品を販売しよう。2%の利潤はコロナV救済基金へ

Our ELA, **Nepal ELA Aafanta (Nepal lovers).**

Com is one of our stars in Nepal. It permitted me to introduce its goods to all ELAs around the World.

Now you see them:

Action is more urgent than talking

いまでは行動が話すことより重要

To talk is necessary, but at present critical time please act and cooperate with ELA companies or persons who are producing medical instruments or others.

Gradually you will know how to promote creation of NELC (Nepali Earth Loving-Company) which is to set up Corona Relief Fund. Here and there you may open often ELB (Earth-loving Bazar), using the right symbol mark with necessary qualification.

May Nepal be the best example of recovering its beauty!!

ネパールがその美を回復する最上の例とならんことを!!

According to today's info on coronaV, in Nepal there are 42 infected persons, 0 death, and 5 recovered, the numbers increasing rapidly.

It is clear that all Nepalese must battle against CV: all Nepali ELAs, nationals, organizations, autonomies, and Nepali State.

I suppose in Kathmandu there are comparatively more infected persons, so it goes without saying that Nepali ELAs pay attention not only to Budhiganga Municipality, but also to Kathmandu and other regions just as I took into account not only Nepal, but also Fiji, the USA, and Mexico.

I want also Nepali ELAs, Nepali people, and Nepali State to show, in this dark and critical days, the best example of recovering former figure of its beautiful country, and the best example of promoting World Peace, World friendship, and One World.

May Nepal be the best example of a color bearer of One World

ネパールが1つの世界の機種の最良の例とならんことを!!

Nepal is the highest country with the highest Mt. Everest. If Nepali people and State research and advocate, as high as Everest, ideas of World peace, friendship, and One World, then people all over the World will be curious to know the reasons, and it will stimulate many foreigners to visit Nepal. I want also my Nepali ELAs to have dynamic view about our precious Earth.

ネパールが世界平和、友好、「ひとつの世界」の理想を探究するなら、世界の人々のネパール旅行をも刺激するでしょう。
