Only with Earth-Loving Heart

I sent to Yanyan Zhang (张衍燕) a message which reads, among others, as follows:

Thank you so much for your initiative. In order to increase ELAs (Earth-Loving Associate) among nations, general character of Visiting Cards (VC), which I proposed, is more convenient. You may add such a phrase as written in the first line of the VC, decreasing distance between lines, and say to interested persons that only Earth-Loving Heart is necessary to enter our ELFO.

A Chinese Student's Encouraging Mail

Yanyan Zhang (张衍燕) read my Mail Magazine (MM) N.7 on members' increase; Mr. WAHEED Ahmad; Mr. Toshio Suzuki and Mr. Jun'ichiroh Ohwaki, and soon after that she sent me an email, which I open here with her permission:

Dear Rikio san, I'm very glad to receive your mail, I read it earnestly. With the addition of new friends, I believe our strength will increase, and our belief will spread. I believe that soon more and more people will join us in the action of Earth-Loving. Looking forward to your next letter.
From 张衍燕

She is an ELA Chinese vice-representative. Her university is 山东外贸学院 (Shandong Foreign Trade Vocational College).

Generalization of ELAs' Visiting Cards

You know, up to the present time ELAs' Visiting Cards (VC) were rather of touristic character, namely, on its top you saw 'Earth-Loving Ambassador for Amity & Tourism' and on the second line, 'Earth-Loving Home Stay Associate'.

Another kind of VC, however, is necessary in order to involve as many people as possible to the ELFO (Earth-Loving Friendly Organization), deleting the above-mentioned phrases 'Earth-Loving Ambassador for Amity & Tourism' and 'Earth-Loving Home Stay Associate'. For example, see the below VC:

Candidate for an Earth-Loving Friendly Org.

CN. Earth-Loving Friend. Yanyan Zhang (张衍燕)

UANCONG ZHAO; XUEYI FAN; KUN JING;

YINGLIN YANG; SHUBO ZHANG; XIULIN WANG

They will ask you, "What's the ELFO?" Then you may show a pamphlet of the ELFO and other materials. It's not obligatory to paste your photo in the VC. For example, if members of a music club are ready to be an ELA, a photo of their representative may be pasted or not in their VC.

I am very interested in your students and university as they are of international character. They must unite human hearts among nations, not disrupting them. You wrote: "There is an old poetry in China that "四海之内，皆兄弟也". It means that our friendship across the globe is across racial lines. I'm very interested in it!!!"

1000 candidates are necessary

A draft ELFO Charter, Article 10 (effectuation) provides that Present Charter becomes effective in the following cases:

- when more than 2 States exchange ratification;
- when more than 10 autonomies from more than 5 States become a candidate for a member;
- when more than 20 deputies from more than 5 States, more than 200 individuals from 20 States become a candidate for a member;
- on the day after 1,000 individuals from among 30 States become a candidate for an ELFO member.
