Indian Earth-Loving Song

Hurrah!! I have written the 1st draft Indian Earth-Loving Song!! Let's sing together through Zoom sooner or later!! You'll notice that this is a parody of Nepali Earth-Loving Song.

I

From the loftiest Himalaya mercy flows to all. Indian idea is far high, born in long old time.

From many countries to our Holy Land people travel, aiming at peace, harmony with all,
feel hope, seeing many saints in calm deep thoughts.

II

From heart we wish permanent peace, amity with all for One World.

Happily singing together, we march an Earth-Loving Amicable Way.

From India Mahatma Gandhi lights people to better Planet,

love and beauty spreading flowers reaching down to oceans and the world.

mercy 慈悲 Holy Land 聖なる地 saints 聖人 Mahatma Gandhi マハトマ ガンジー (インドの政治家)

The image shows a handwritten musical score for the song 'Indian Earth-Loving Song'. The score is written on two pages, with lyrics in English and Japanese. The music is written in a simple, hand-drawn style, using a treble clef and a key signature of one sharp (F#). The lyrics are written below the notes, and the Japanese translation is written below the English lyrics. The score includes various musical notations such as notes, rests, and dynamic markings (e.g., ff, mf, p, cresc, decresc). The lyrics are as follows:

A more generalized parody:

From our loftiest Heaven love flows to all. Our idea is far high, pure like crystal.
From bottoms to holy heights people climb up, aiming at peace, harmony with all,

From heart we wish permanent peace, amity with all for One World.

Elegy for Unhappy People

I wrote another song this time for unhappy persons who left this world unfortunately. An ELFO member, my dearest younger brother Yoshio Kaneko (75 y. pic.) passed away in [June 5th, 2022](#) and ELFO GA Chair Irina's mother Nina (83 y.) in [September 18th, 2022](#). I hear members' and non-members' sorrowful news almost every day.

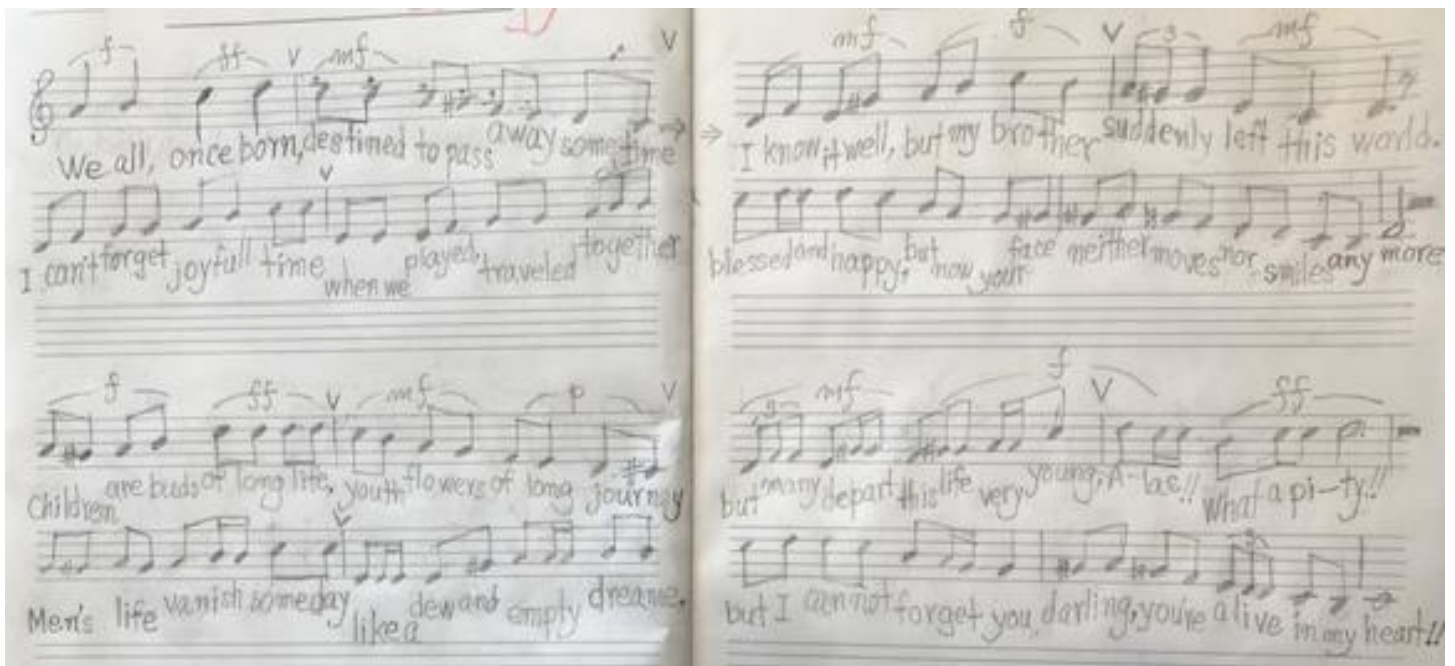

We can imagine how pitiful and painful those mothers are whose sons died in battle fields. War victims in Russo-Ukrainian War may be considerable number. In Oct. 29, 2022 Ukrainian military announced that Russian war deaths were over 70,000. Ukrainian war deaths must also be not a little. I composed my song, also thinking of those unfortunate persons:

*We all, once born, are destined to pass away some time.
I know it well, but my brother suddenly left this world.
I can't forget joyfull time when we played, traveled together,
blessed and happy, but now your face neither moves nor smiles any more!*

*Children are buds of long life, youth flowers of long journey.
But many depart this life very young. Alas!! What a pity!!
Men's life vanishes some day like a dew and empty dream.
But I can not forget you, Darling, you're alive in my heart!!*

The Greatest happiness for All

[Bhutan's Gross National Happiness Index | OPHI](#) It reads, among others, as follows:

Since then the idea of Gross National Happiness (GNH) has influenced Bhutan's economic and social policy, and also captured the imagination of others far beyond its borders. In creating the Gross National Happiness Index, Bhutan sought to create a measurement tool that would be useful for policymaking and create policy incentives for the government, NGOs and businesses of Bhutan to increase GNH.

Dear my ELFO FAMILY, a philosopher Bentham presented a maxim ‘The greatest happiness of the greatest majority’, while I urge **The greatest happiness for ALL** as sung in my 1st draft of Bhutanese Earth-Loving Song as follows:

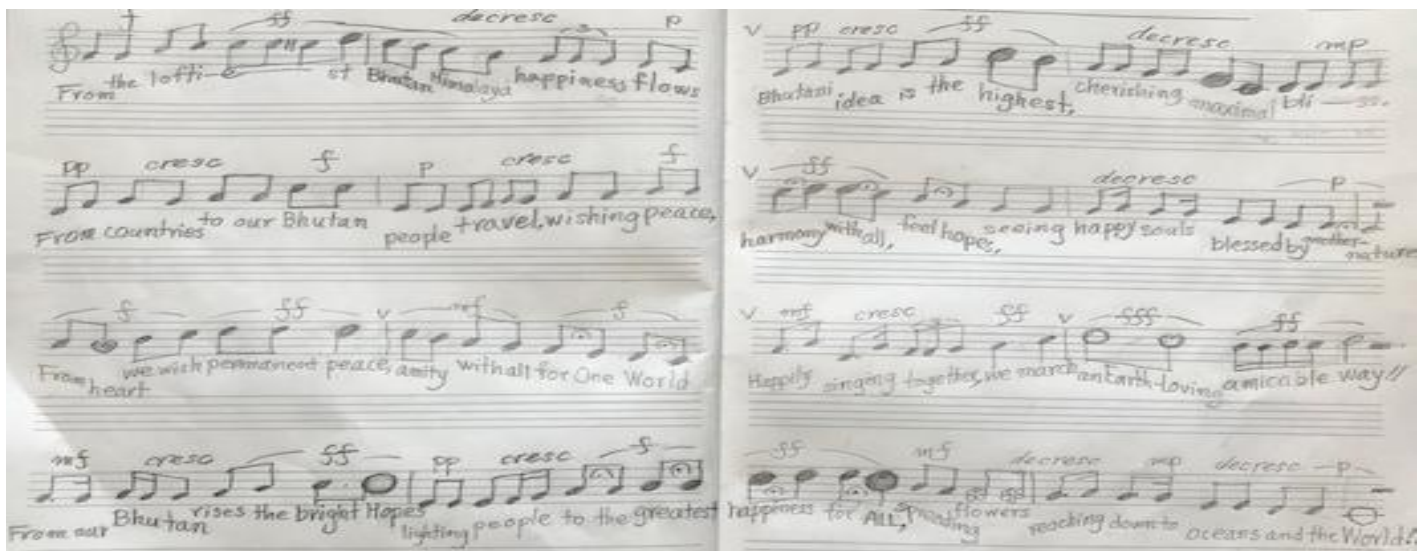

I

From heart we wish permanent peace, amity with all for ONE RORLD.
