Let's create many Earth-Loving Oases

Earth-Loving Oases (ELO) must be established
so that all the members might participate in them,
each participant getting profits and feeling happiness!!

You know that General List of Earth-Loving Oases's Cooperators (GLELOC) is composed mainly of ELFO members who are ready to cooperate with other ELFO members who want to receive a certain amount of money or investment.

1. Let's promote friendly financial cooperation among members

If you want Cooperator's help, it is very good to talk with them, at least correspond with them. In our ELFO FAMILY there are many economists, bankers, investors, other rich members, you may find them through Google searching engine, or you may try to invite such cooperators to join our ELFO FAMILY and talk about their aid. If you succeed in inviting people to join our ELFO FAMILY, you can get certain amount of remuneration from their membership fee every year. It is a kind of your pension, which is explained in detail in our web-site:

(Firstly, click: [http://mopw.org/Outline%20of%20the%20Concil-frame\(6\).html](http://mopw.org/Outline%20of%20the%20Concil-frame(6).html)

Secondly, click MM, and see at pp.2~7.)

Each of you can get remuneration not only from such invitation, but also as mediator (broker) when, thanks to you, your invitee (cooperator) concludes a contract of purchase with a seller. Let's try to promote such friendly cooperation among ELFO members!!

2. How to invite cooperators to join our ELFO FAMILY?

I suppose most of us are a LinkedIn member, but if you are not, I recommend you to join it because it is very convenient means of invitation of cooperators.

I . First step: invitation

When you use the LinkedIn, firstly you must send a short message within 300 letters. You may use a model of my typical invitation as follows:

1800 members of Earth-Loving Friendly Organization (VIPs, 345 diplomats, scholars, lawyers, economists, investors, bankers, artists etc) are promoting friendship, peace, rule of law & economic cooperations among nations, plan funds, festival to make our Planet better. Join us pls! <http://mopw.org/>

Dear ELFO members, first of all, please try to invite investors of your country to join our ELFO, using key word “investor” and one’s country name. In case of Brazilians, you will put in key words “investor brazil”. LinkedIn recommends to use small letters.

II . Second step: explanation

Maybe, some (not all of) investors will answer you, sending you back the same message which you had sent them: it is a sign of their interest in your message. So next step is to explain them about ELFO more in detail as follow:

Dear Investor [Full Name]

We are happy if you work with us together to promote people’s welfare, rise in the standard of living, contributing to making our Planet better through our cooperation.
