## Summarization of the 12<sup>th</sup> and 13<sup>th</sup> GA

Final task remained in respect of the 13<sup>th</sup> GA, that is, to summarize the 13<sup>th</sup> GA. Exactly speaking, we had not summed up yet 12<sup>th</sup> GA. So the last session of 13<sup>th</sup> GA was to sum up the 12<sup>th</sup> and 13<sup>th</sup> GAs. So the 13<sup>th</sup> Special GA treated with **I. Summarization of the 12<sup>th</sup> GA** and **II. Summarization of 13<sup>th</sup> GA**, and adopted the following document of decisions, recommendations, wishes etc.

# I . Summarization of the 12<sup>th</sup> GA

In August 20, 2023 GA Chair Irina Karpekina declared commencement of the ELFO 12<sup>th</sup> GA (General Assembly) as followed (blue phrases are her then explanation):

## 1. I declare opening of ELFO 12<sup>th</sup> GA today

地球愛友好機構総会議長として、本日総会の開会を宣言する

In our ELFO every member has right to place a matter on the agenda.

## 2. Agenda items of 1<sup>st</sup> session of the 12<sup>th</sup> GA

地球愛友好機構の第 1 2 回総会第 1 会期の議題

### Agenda item N.1. Recognition of collective membership.

### Agenda item N.3 Recognition of Pres. of One Judge Arbitration Court

*Please read correspondence between Secretary Hope and another new member Dr. Singh.*

N. 951. Dr. Singh SN (AUG 25, 2023) **India**. Associate Professor of Economics & International Law. Once he studied at Lucknow university. His representative is Mrs. HOPE Watababe.

*Dear Dr. Singh, our ELFO has interesting and significant system of One Judge Arbitration Court (OJAC). We are very pleased if you are ready to be President of **One Judge Commerce Arbitration Court in Quaita**. Hope Watanabe*

Dr.Singh: 🙌👍👎😊😐 Okay!

Hon.Pres. Rikio asks me to decide GA's recognition of him if there is no objection.

*As there was no objection, I decided adoption of their wishes, but later he withdrew from the ELFO due to his situation.*

### Agenda item N.4. Representatives of the Earth-Loving Oasis in Brazil

Hon. Pres. Rikio asks me to request Messrs Pres. Edmario and Mr. Levi (consultant of a construction company in Brazil) to be a Representative of the ELO (Earth-Loving Oasis) in Brazil and a Vice-Representative of the ELO in San Paulo respectively because with such status our work will be more effective. Mr. Rikio wishes that Mr. Edmario be a Vice-Representative of the ELO in San Paulo.

*As there was no objection, I decided adoption of their wishes.*

### Agenda item N.5. GA's recognition of ELFO staffs and their appointment

N.906. Hon. Emmanuel Boniface (JUN 08, 2023), **Nigeria**. Goodwill Ambassador --Human rights and social justice: Am humble, peaceful and straight forward person. His representative is Mrs. Irina Karpekina.

*Dear Hon. Emmanuel, at present a seat of Vice-President of NELFA (Nigerian Earth-Loving Friendly Association) is vacant. I want to recommend you as a Vice-President of the NELFA.*

Hon Emmanuel Boniface: 🙌👍👎😊😐 **Okay**, I'm in. Let the formalities begin. I will take that up.

. Regarding appointment, present **Rules on Presidents and their concerned Staffs** stipulates as follows:

Article 5. Hon. Presidents and other members may suggest the post (status) of a new member whom they invite to join the ELFO FAMILY, provided that President will appoint him or her later officially. In case of absence of the official appointment, the new member shall be regarded as having the post suggested by the inviters.

Please, however, think about our Pres. Edmario's distressful situation. He has not a time to appoint each new face, even important staff. Considering present situation, though he is to appoint members to posts of the ELFO, we must design some scheme which lightens his burden. Hon. Pres. Rikio proposes to the GA to adopt amendment of the above Article as follows:

Article 5. Hon. Presidents and other members may suggest the post (status) of a new member whom they invite to join the ELFO FAMILY, provided that President will appoint him or her later officially. In case of absence of the official appointment, the new member shall be regarded as having the post suggested by the inviters. **When new members were introduced by ELFO mail magazine on new members and if the GA recognizes their post, they may have such post irrespective absence of appointment by President.**

See the following case. Pres. Edmario may not appoint Ahmed Imloul, but who may have a given post:

N. 948. [Ahmed Imloul](#) (AUG 16, 2023) [Morocco](#). CSO [Visiting Professor](#). Expert, Following Digital transformation Issues, Enthusiast Innovation, Resilience, Sustainability.

*Dear Ahmed Imloul, you may organize a group of members traveling to Sapporo, Japan, for example, where I have 2 accommodations. Its capacity is 20 guests. Or you may organize domestic tour of our ELFO members for amity.*

*I am happy if you are ready to be one of Vice Chiefs of our Tourism and accommodations Council.*

*Rikio*

*Kaneko*

[Ahmed Imloul](#): *Dear President Rikio Kaneko, Thank you immensely for extending the privilege to serve as Vice Chief of the Council of Tourism and Accommodations in the Earth-Loving Friendly Organization. I am wholeheartedly dedicated to the objectives outlined in the Council's functions and am enthusiastic about contributing to initiatives that promote lasting peace, friendship, and sustainability through tourism. I am confident that together with the esteemed Council members, we will embark on a journey to innovate, create, and collaborate in ways that resonate with the global ethos of your organization. Sincerely, Ahmed Imloul*

As there was no objection, I decided adoption by the GA of their wishes. I admire their wishes and passion

## **Agenda item N.6. ELFA's Vice-Pres. & staff appointed by the ELFO**

Broadly speaking, we can say national ELFA (Earth-Loving Friendly Association) are inactive at present time. In order to invigorate such ELFAs, Hon. Pres. Rikio Kaneko requests me to adopt his following proposal if there is no objection:

1. Central ELFO may appoint Acting President of an ELFA if there is not such post in a given ELFA.
2. Central ELFO may appoint 3 and more Vice-Presidents of a ELFA whose functions are similar with PPRSIDENT of 3 HEADs
3. Central ELFO may appoint at least one Vice-Chief of each sector of an ELFA.

4. These rules are to be added as Article 40 to the **Rules on Presidents and their concerned Staffs** .

As there was no objection, I decided adoption by the GA of the rules.

### Adoption of Rules on dues by investment!!

Collection of membership dues is burdensome not only for the Secretariat, but also for members. One of means of lighting the burden is to pay dues by investment.

**Dear ELFO members**, as there was no objection, I decide adoption of ELFO President's proposal to help poor members realize their projects by members' investing in them. The Rules adopted are as follow:

#### Rules on membership fee and loan among members

1. A member (named A) will send a certain amount of money (US\$ B) to a member-investor or company (named C);
2. The C will gain profits by using B, every year pay A's dues to the ELFO Secretariat for A, interest to A, and will repay all remainder to A at the end of contract period.
3. A certain amount of money depends upon an agreement between A and C.

**Dear member-investors and investment Companies**, if you are recommend your self as such a responsible person, our Secretariat is very very grateful to you because you will send us a list of paid members together with their fees.

**Dear rich members**, I suppose it burden some to do international payment very eary. On the other hand, the more you investment in members project, the better they can realize their dream.

## II. Summarization of the 13<sup>th</sup> GA

変更されたフィールド コード

# 1 . Goals of 2024 Year

I said that the first agenda item of the ELFO General Assembly (GA) shall be goals of this year 2024, sending the following message to the GA, which adopted it:

## 1) **Passion**, neither apathy nor do-nothingism!!

Dear all the ELFO members, remember and learn by heart the following verse:

What flares is hot **sunny pASSION !!**  
for making our Planet more **beautiful!!**

## 2) Act autonomously along our Earth-Loving Amicable Way!!

Dear ELFO Leaders, don't wait for instruction from central ELFO, rather demonstrate one's initiative!!

## 3) Let's create more than 50 national ELFAs (EL Friendly Association)!

Dear ELFO members, feel free to recommend oneself as President of the ELFA!!

**Furthermore I add the following to the above goals:**

## 4) Let's keep good communication among members!

Dear all the ELFO members, you are receiving almost every day a message from central ELFO in Sapporo but other members. This year let's strengthen not only vertical, but also horizontal good communication!!

## 5) Let's create 3 ZAP bases in addition to Sapporo and Rio de Janeiro!!

Repeatedly I pointed that vertical communication from Sapporo to ELFO members is sufficient, but horizontal exchange of information is rare even among ELFO leaders. And 2<sup>nd</sup> Pres. Kisembo sent me his message to Mr. Edmario:

**[MAR 2, 2024] FROM 2nd President Kisembo to 1st President Edmario**

*Dear President Edmario, greetings. I am writing to you as second President of ELFO in charge of Foreign Affairs. I am delighted for the work you're doing in pushing this organization forward.*

*I would like to suggest a zoom meeting amongst us the leaders at least once a week. This will help us to remain in touch with each other and contribute positively towards our progress.*

*I have a desire to meet with the United States Secretary of State to voice the concerns and proposals of the ELFO in regard to the Gaza and Ukraine wars. I believe that a face to face encounter with Mr Antony Blinken will yield much more fruit if an audience is giving.*

*Kindly advise me on how to proceed.*

*Yours Sincerely,*

*H.E Ambassador Kisembo Abraham, ELFO Second President*

*Dear UN Amb. Kisembo and ELFO Pres. Edmario;*

*Thank you, Mr. Kisembo, for your readiness to demonstrate your positive initiative to develop ELFO. I propose the following points:*

*1. The Zoom meeting which ELFO Presidents join will be conducted by Pres. Edmario every Monday at 20:00~20:30 by Japanese time*

*2. It will be conducted as a kind ZAP (Zoom Amicable Party), so when Hon. President joins the ZAP, he has 5 minutes for his greeting etc.*

*3. The ZAP is open to every member. Priority of speech is given Presidents, provided that every member may ask them a question.*

6) Let's promote and develop the OELO (Organization of Earth-Loving Oases)!!

7) Let's create and develop the ELCO (Earth-Loving Chorus Organization)!!

8) Let's create and develop the ILGO (Earth-Loving Go Organization)!!

**2. Earth-Loving Amicable Way!!**

ELFO Second President

**Dear President of ELFO Hon. Edmario peixinho Dos Santos**, salutations.

I am happy to hear from you and thank you for your wisdom and encouragement.

I am ready willing and able to travel to the United States to meet with Mr Blinken the Secretary of State of the United States of America. Aware that the United States is at the core of fighting in both Gaza and Ukrainian, the military and aid and tactical support extended to their allies defines the trend of modern warfare. We cannot draw a strategy to end these wars without close engagement with the United States. Being the Second President of ELFO in charge of Foreign Affairs, it is my desire and wish to meet with Mr Blinken.

I cannot do this on my own without the support of ELFO. Whereas I am able to facilitate myself financially, I hereby request you to arrange an appointment for me and Mr Blinken to this effect. Secondly I will need a dossier formulated by our ELFO which I will present to Mr Blinken as the thoughts and proposals of ELFO.

Hoping to hear from you.

**Hello Mr. Kisembo**, it is an honor to receive your greeting statement from the NGO ELFO (Mother Earth Association) regarding the demand for the war situation in Israel and Ukraine.

I wish you a blessed trip to the United States, safe with God's angels. May God be the driver of your journey with my authority and blessing expressed.

I express that I completely agree, I believe that a face-to-face meeting with Mr. Antony Blinken will bear much more fruit if the public is doing it.

We must emphasize the importance of the end of nuclear weapons in the world and the peace treaty with Mr. Antony Blinken.

The objective of the NGO ELFO is to spread the gospel of peace and revolutionize the world and humanity with love, light, hope and prosperity. The world needs a new time.

War is usually the result of one of these problems. First, states may not have sufficient information to determine their relative probabilities of success.

Second, both sides may not trust that an agreement reached today will be honored tomorrow. And ultimately, countries may not be able to resolve the contentious issue, especially when ethnic, religious or ideological tensions are involved.

According to this approach, the war will end when the problem that caused it is resolved through fighting on the battlefield. The duration and form of fighting depend on the type and extent of the problem.

In the case of Ukraine, both sides apparently did not have accurate information about their relative probabilities of success. Success in war is a product of two critical factors: the ability to fight and the willingness to suffer costs.

It was clearly evident that the Russian army was and is far superior to that of Ukraine, in terms of the number of weapons and soldiers. But what was not evident to the Russians until the fighting began is that the Ukrainian people are much more willing to fight than they had anticipated.

Russia now knows that it miscalculated the disposition of the Ukrainian people, but the extent of this miscalculation is still unknown. The problem is that it is difficult for Ukraine to demonstrate how much it is willing to suffer costs, while Russia is inclined to distrust any Ukrainian attempt to communicate this willingness, anticipating exaggerations by its opponent to obtain a more favorable agreement.

This indicates that both sides will have difficulty resolving the information problem. When this happens, countries often end up fighting wars of attrition that last until one side surrenders.

Wars require tacit support and approval within the country. Regardless of the style of government, every national leader depends on the support of a group of people or a coalition to remain in power.

Vladimir Putin depends on oligarchs, the Russian mafia and the military for his survival. And although Putin tried to form a financial fortress that would protect the oligarchs' interests, Western-imposed sanctions undermined most of his efforts.

Regarding Amb. Kisembo's meeting US Secretary of State, I suppose that following points were agreed among members of ELFO FAMILY.

1. Preparatory step: UN Amb. Mr. Kisembo pays all the costs for his travel, stay, food etc.
2. ELFO's draft peace treaty and Ukrainian permanent neutralization treaty must be outlined.
3. After completion of the above step, the ELFO will inquire the US authorities of US Secretary of State if he or some person is ready to meet our Amb. Kisembo.

## Dear ELFO Presidents Edmario and Kisembo

You see, preparatory work is necessary in order to realize meeting US Secretary of State: to make up **ELFO's draft peace treaty and Ukrainian permanent neutralization treaty**. Dear Edmario and Kisembo, please organize working group ASAP passionately!!

## 4. Draft Peace Treaty on Russo-Ukrainian War

I said, "In the former ELFO GA it was decided that the ICO and the ELFO should try to

make up a draft of peace treaty between Russia and Ukraine. We must begin the work. Maybe, such work will be also useful, regarding Gaza War.” And furthermore I wished:

**Dear ICO Acting Pres. Charles (pic.) and ELFO 2<sup>nd</sup> Pres. Kisembo.**

Will you please organize a group which will study these matters?

**Dear Prof. Dr. Valentine O. Nwankwo, a Vice-President of the ICO,** you will also cooperate with other leaders in this respect? **You may be act as if you were ICO President as other leaders are inactive now.**

**Dear Prof. Dr. Walid Fahmy,** maybe, you will be elected as ICO 1<sup>st</sup> President. So that will you also consider these important matters?

**Dear Alain Nkongnenwi,** will you help them. Once you presented me a draft peace treaty between Russia and Ukraine.

**Dear ELFO Pres. Edmario,** will you demonstrate leadership in this very serious and important matter as a HEAD of ELFO FAMILY. When their works are slow, **please feel free to stimulate them as President, instructing some steps.**

**Dear other Leaders and Members ELFO FAMILY,** don't sit silent, express your wishes and equitable opinion if any, sending them to ELFO Leaders!!

## **Hon. Pres. Rikio's Ideas for Further Steps**

1. To study PROPOSALS sent to Russian Pres. Putin and Ukrainian Pres. Zelensky
2. To draft 2 treaties: one is typical peace treaty between Russia and Ukraine, the other is a treaty of permanent neutralization of Ukraine.
3. So that there will be established 2 working committees for the above said 2 treaties:
4. When it is very difficult for a draft committee to summarize draft peace treaty between Russia and Ukraine, the committee may open **a dissenting or individual opinion.**
5. Members of committees may be opened in ELFO web-site.

**GA Chair Irina Karpekina decided adoption of the present agenda item.**

## Emergent Joint Statement by ICO and ELFO on truce in Gaza

December 1, 2023

Hoping that you and your family are fine, our International Conciliation Organization (ICO) and Earth-Loving Friendly Organization (ELFO) have honor, to send you our greeting and present Statement adopted by General Assemblies of the ICO and the ELFO.

We welcome present cease-fire and its prolongation of 2 days, and from the bottom of our heart we wish that your Government and Hamas leaders make efforts to prolong cease-fire furthermore, and hopefully forever, leading to restoration of peace and friendship.

Our world will never be peaceful with such horrible continuous destruction of lives and properties as well as the hostages of innocent people that have been held for quite some week now. Prolongation of truce shows what belligerents can do for happiness not only for soldiers, their mothers, hostages, but also for happy feeling of people around the world. On the contrary, e hugely fear what comes next if fighting restarts.

We want remind all of the belligerents and concerned people of several points which our ICO and the ELFO announced in the Joint Statement of this month November 11, 2023 because they are becoming more important than before. ( <http://mopw.org/r.%20305-statement%20on%20gaza.pdf>)

We request belligerents, therefore, with louder voice, **to respect mutual reasonable compromise; to agree to general or partial truce; to submit contesting matters to international conciliation (including that by United Nations); and to submit, if belligerents cannot agree to conciliation, legal problems to the International Court of Justice;**

On the other hand, we request the United Nations, among others, to ask both of belligerent Israel and Hamas **to stop war immediately, never encouraging use of force; to pay utmost consideration to save peaceful inhabitants, especially, children, women, and hostages; to be the best good office, the best mediator, the best conciliator; and to request Advisory opinion from International Court of Justice concerning legal matters.**

There we the ICO and the ELFO add several points to the former clauses

1. Hospitals shall not be attacked so long as it is not used for military purpose in accordance with international law.
2. When a belligerent plans to attack a hospital due to alleged use of it for military purpose, the other belligerent shall allow GII (Group of International Inspection) to be organized by the UN,
3. When a belligerent and a hospital locating in the former territories do not allow such international inspection, it may be presumed that the hospital are used for military purpose.
4. When a belligerent have attacked a hospital, and have occupied the district, the belligerent shall invite the GII to the district immediately to show the fact of illegal use of the hospital.
5. We propose to the United Nations to organize the GII as soon as possible not only for war in Gaza, but also for Russo-Ukrainian War.
6. Even if belligerents commence war again, we propose to stop war for 10 days from 2:00 of December 24, 2023 to 2:00 January 3, 2024 especially for soldiers and their mother.

## 6. Indo-Nepali border conflict and OJBAC's step

You can remember that the GA recognized OJBAC (One Judge Border Arbitration Court)

and we inquired Indian and Nepali Government about their readiness to submit the conflict to the OJBAC. If they can settle it by themselves, it is very good.

**Dear President of the IELFA Leo Rebello and Dear President of the NELFA Yuba Nath,**

Will you kindly tell us about present situation? Do you think that we sit silently or act?

NELFA's present situation is a little bit unstable. Mr. Datu was ready to be ELFA President, but there was no election. As for Amb. Datu <http://mopw.org/hw%20n41.%20Datu.%20231025.pdf>

FROM Hon.Pres. Rikio: Dear NELFA and ELFO Members, let it suffice to say that for his Presidency of the NELFA it is sufficient for him to send his Oath and Policy provided for by the Art. 42 and 43 in the Rules on Presidents <http://mopw.org/rules%20on%20pres.n5..pdf>

### **Let's create TJBAC (Three Judges Border Arbitration Court)**

I propose to create the TJBAC which is more authoritative than the OJBAT (One Judge Border Arbitration Court). The Statute of the TJBAC will be based on that of the OJBAC. (As for the Rules of the OJTAC see: <http://mopw.org/ojtac%20rules%20230220.pdf>)

Dear ELFO GA Irina Karpkina Irina, will you please decide the adoption of my draft Statute of TJBAC if there is no objection to it?

## **The Statute of Three Judges Border Arbitration Court**

On XX<sup>th</sup> day of XX, 2023 year General Assembly of our Earth-Loving Friendly Organization (hereinafter referred to as ELFO),

Attaching importance to establishing Earth community ruled by law,

Cooperating with our friendly International Conciliation Organization (hereinafter referred to as ICO)

Decided to adopt the following system of Three Judges Border Arbitration Court (hereinafter referred to as OJTAC or Court)

Article 1. The TJBAC uses the Internet as much as possible, and shall contribute to development of digital lawsuit.

Article 2. The Judges and Registrar shall be recognized by the ELFO General Assembly (GA), and when engaged on the business of the Court, shall enjoy diplomatic privileges and immunities in contesting States.

Article 3. The seat of the Court shall be established at a place where President resides. This, however, shall not prevent the Court from sitting and exercising its functions elsewhere whenever the Court considers it desirable.

Article 4. The Court will consider

- a. Treaty
- b. Governmental agreements between conflicting parties
- c. international custom, as evidence of a general practice accepted as law;
- d. judicial decisions and the teachings of the most highly qualified publicists of the various nations, as subsidiary means for the determination of rules of law.

2. This provision shall not prejudice the power of the Court to decide a case *ex aequo et bono*

Article 5. The official languages of the Court shall be English.

Article 6. Cases are brought before the Court by the notification of the special agreement (compromise) to the President of the Court. In the case the subject of the dispute and the parties shall be indicated.

Article 7. The Court shall have the power to indicate, if it considers that circumstances so require, any provisional measures which ought to be taken to preserve the respective rights of either party.

Article 8. The procedure shall consist of two parts: written and oral, provided that oral procedure shall be conducted by video.

Article 9. The hearing in Court shall be public on the Internet, unless the parties demand that the public be not admitted.

Article 10. Whenever one of the parties does not appear before the Court, or fails to defend its case, the other party may call upon the Court to decide in favor of its claim.

Article 11. The judgment shall state the reasons on which it is based.

Article 12. President's 1<sup>st</sup> draft award shall be sent to ICO Consulting Commission and to ELFO Commission of International Law for hearing their opinions, provided that a national of contesting parties shall not be a member of these 2 Commissions.

Article 13. The TJBAC shall continue considering qualification of the draft award so long as more than one fifth (1/5) members of the aforementioned 2 Commissions are against it.

Article 14. TJBAC's qualified draft award shall be submitted to both ELFO General Assembly (GA) and ICO GA for hearing their opinions, provided that a national of contesting parties shall

not be a member of these GAs.

Article 15. Considering opinions of these 2 GAs, the TJBAC shall send the final award to the contesting States.

Article 16. The judgment is final and without appeal. In the event of dispute as to the meaning or scope of the judgment, the Court shall construe it upon the request of any party.

Article 17. Judicial costs depend upon an agreement among the TJBAC and parties to the dispute, provided that unless otherwise decided by the Court, each contesting party shall bear its own costs. The TJBAC shall be based on the self-supporting system, so the ELFO will not be financially responsible for the TJBAC.

2. Contesting States shall pay remuneration to their Registrars respectively.

Article 18. A jurist of international law or President of the Court may be a Registrar of the Court. Both Contesting States may appoint a Deputy-Registrar from among her public service personnel.

Article 19. A Deputy-Registrar may be removed from office if, in President's opinion, the incumbent has either become permanently incapacitated from exercising his or her functions, or has committed a breach of duty.

Article 20. The Court may give an advisory opinion on any territorial legal question at the request of contesting States. In the exercise of its advisory functions the Court shall further be guided by the provisions of the present Statute with necessary qualifications.

Hon. Pres. Rikio proposes that when Mr. Didier presents his Oath and Policy for election, his candidacy for President of American Earth-Loving Association will be recognized by the ELFO General Assembly, and that if, after it for 5 days, no one expresses one's candidacy for the

said President, Mr. Didier will be recognized as President of the AELFA (American Earth-Loving Friendly Association).

FROM Hon. Pres. Rikio: Dear Mr. Didier, thank you so much for your readiness to be President of the AELFA!! Please send your Oath and Policy for election as soon as possible. As for them, see <http://mopw.org/rules%20on%20pres.n5..pdf>

When you will be its President, one of your important roles is to conduct world-wide ZAP (Zoom Amicable Party). And ELFO Secretariat wants to know where you live, so will you please write your address when you send us your Oath and Policy for election?

FROM Hon. Pres. Rikio (MAR 9, 2024): I am looking for your prompt message. If you are busy, you may only copy and paste Oath and Policy stipulated by Article 41 and 42 in the above URL. Not only Pres. Edmario, but also I and other members will you. I suppose that at present there are about 30~40 American members in the USA.

Mr. Didier is an expert en Désarmement et en DIH au Ministère de la Défense RDC. Recently he writes: It's enough, stop this crime in Gaza and let people live their life. Ni to terrorism.

## 10. Mr. Bhim will be Pres. of National NELFA?

To my great joy, today (March 27, 2024) an ELFO Nepali member **Bhim Bahadur Khadka** (below photo) called me, we were glad, chatted, and I asked him,

“Frankly speaking, I want you to be a President of the NELFA.” He answered yes simply. How I was delighted to hear his affirmative reply!!

The other day I, Hon. Pres. Rikio, proposed to simplify election of President of national ELFA (Earth-Loving Friendly Association) because there are so many ELFO branches around the world that it is very burdensome for election administrator, (usually Irina Karpekina.) So I asked her to decide the adoption of the following proposals:

1. A present candidate for President of national ELFA, having presented one's Oath and Policy, may be President of a given ELFA.
2. A present Repr. or Vice Repr. of ELFO National Branch, having presented one's Oath and Policy, may be President of a given ELFA.

And she decided the adoption of my proposal as there was no objection. She was glad, “Urrah!! Very heavy burden fell from my shoulder away. These days I was a most responsible election administrator.”

Now I propose to add such 3<sup>rd</sup> Para. as may be applied to Mr. Bhim's case:

3. Any candidate for President of a national ELFA (Earth Loving Friendly Association), having presented one's Oath and Policy, may be President of a given ELFA if since then there does not appear other candidate for 7 days.

Dear ELFO GA Chair Irina Karpekina, please decide adoption of this additional rule if there is no objection.

## **11. ELFA President appointed by President**

For the purpose promoting early creation of many national ELFAs (Earth-Loving Friendly Association) I, Hon. Pres. Rikio, proposed to use appointment system only for the 1<sup>st</sup> President of national ELFA, and requested the GA to adopt revision

of **Rules on Presidents and other important staffs** as follow:

(Existing Rules see <http://mopw.org/rules%20on%20pres.n5..pdf>)

**A. Combination of Article 36 and Article 37 as follows**

Article 36. A Central Election Administration Committee (CEAC) may be composed of 2 members which shall be recognized by the GA. A National Election Administration Committee (NEAC) also may be composed of 2 members which shall be recognized by the GA of its NELFA. **In any case** the GA’s decision is prior to CEAC’s.

**B. Appointment of 1<sup>st</sup> President of national ELFA**

**Article 39.** 1<sup>st</sup> President of the national ELFA may be appointed, without election, by the ELFO President, provided that a candidate recommended by Hon. President shall be regarded as appointed by ELFO President unless the latter express one’s unwillingness to it.

**Article 40.** As for the 1<sup>st</sup> election of President of a national ELFA (Earth-Loving Friendly Association), the central ELFO GA Chairperson may administer the election with ELFO President or Hon. President.

**Article 41.** Where national ELFA is ~~not~~ established, a member may be President of that ELFA, provided the following conditions shall be satisfied.

- a. the member will send to the ELFO GA one’s determination (political opinion or policy) to be President of a national ELFA.
- b. no opponent candidate appears within 10 days after the notification, by the GA Chair, of the 1st candidate’s above determination to GA members.
- c. The GA shall decide procedure when more than 2 candidates appear.
- d. Without presenting political opinion or policy and Oath any candidate shall not be regarded as having won election.

**12. Not ELOO, but OELO with some Revisions**

The other day the ELFO GA adopted my draft Charter of the ELOO (Earth-Loving Oases Organization) See <http://mopw.org/elo%20n9%20char%20n%20form.pdf> In BEB, 19, 2024, I proposed to revise it a little bit. See the URL <http://mopw.org/elo%20n9%20char%20240214.pdf>

- 1. Naming: Not ELOO, but OELO (Organization of Earth-Loving Oases) because it is easier to

pronounce as [oelo] as expected.

2. When OELO President, ELFO Hon. President or ELFO President regards an OELO member as unsuitable for it, that appointment **and membership** may be withdrawn.

3. ELFO Hon. President and its President may present its idea or proposal to the OELO which may be adopted by it.

**Dear ELFO GA Chair Irina Karpekina**, please decide the adoption of the revised draft Charter of the Earth-Loving Oases if there is no objection.

**Dear members of ELFO FAMILY**, this new Organization is waiting for you. At present time there is only one member who is a candidate for Vice-President (See pic.). There are several potential members: Cooperators and Loanees.

Candidate for Vice-President. N.1034. **AMBA MALACE** (DEC 29, 2023) **Kenza. Business Banker. His Representative is Mrs. Irina.**

*I am a result-driven professional with aspiring progressive career. I have over four years cumulative working experience having worked in different organizations. I am skilled in banking, accounting, financial reporting, auditing, tax and statutory deductions, budget implementation and monitoring, financial management and strategic planning. I am excellent at using proven methods to streamline operations and increase productivity. I am seeking to offer my skills in an environment where I can guarantee efficiency, correctness, and credibility.*

**Dear Japanese member Mr. Ichihiko Kanoh**, will you please be also a candidate for one of Vice-President of the

## 13. Sapporo Association of Earth-Loving Oases

**Dear Members**, first of all, please see the Constitution of the above SAELO (Sapporo Association of Earth-Loving Oases in the URL which was adopted by the ELFO GA the other day:  
<http://mopw.org/elo.%20asso.%20sap.%20240214.pdf>

Dear Japanese member Yoshifumi Hirotoni, are not you ready to be one of the Vice President of the SELO?

Dear Edmario, a broker Army and Mr. Sauber. Please invigorate promotion of idea not only Brazil, but also in other countries around the world. In Sapporo there are several people who are interested in idea of the ELO. Hon. Pres. Rikio began to organize them.

## 14. Association of Earth-Loving Oases in San Paulo

Dear Brazilian Members, I am glad if my following draft Constitution of the AELOS (Association of the Earth-Loving OELO in San Paulo) be adopted.

Dear ELFO GA Chair Irina Karpekina, thank you for your decision of adoption of the Constitution of the AELOS.

Hello my dear Rikio Kaneko. [2024/02/24] I hope you are well and your family is too. ELO in São Paulo already has an interim president who is myself, it has a second president who is Mr. Sauber and it has what it is Wellington and the ELO secretary, Mrs. Army.

FROM Rikio: Oh, it's good news. You increased credibility in San Paulo. I'll send the news to ELFO FAMILY. Congratulation!!

## 15. Many local Associations of Earth-Loving Oases

Dear Irina Karpekina, likewise now will you decide adoption of a model of Constitution of AELO (Association of the Earth-Loving Oases) at national or local level (a prefecture, a city, a town or a village etc.) around the world, which reads as follows?

# Constitution of Association of Earth-Loving Oases in XXXXX

(with annotations in blue)

I have drafted a Constitution of AELOS (Association of Earth-Loving Oases in Sapporo) and it was adopted by the GA. This time I only changed Sapporo into XXXXX which reads as follows:

**We, the promoters of Association of Earth Loving Oases in XXXXX,**

Recognizing importance of Earth-Loving Oases stipulated in the Charter of the Earth-Loving Friendly Organization,

Convinced that creation of Earth-Loving Oases is extremely useful means not only for contributing to economic development in communities, but also for strengthening friendly and peaceful relations among nations,

Determined to make, in XXXXX, bases for Earth-Loving Oases and to promote related industries, among others, such as the tourism industry, **resort business**, accommodation business, construction industry, and realty business etc.

**Today we adopted the present Constitution of the Association of Earth-Loving Oases in XXXXX.**

**YY, ZZ, 2024, in XXXXXX**

**Article 1 (Purpose)** The purposes of Association of Earth-Loving Oases in XXXXX (hereinafter referred to as the AELOS or Association) are as follow.

1. to contribute to promoting member’s Earth-Loving Oasis project by helping them make up its plan and invite investment or match up supply to demand.

Character of this organization AELO is very similar with that of the OELO (Earth-Loving Oases Organization). The ELFO is a mother of the OELO, and the OELO is a mother of the AELO. As for OELO Charter see: <http://mopw.org/elo%20n9%20char%20240214.pdf>

- 2 a. to contribute to proper operation of business and ensuring cooperative relationships with private lodging business operators, private lodging manager, **private lodging intermediaries**.  
b. to research international management of residential lodging, guesthouses, monthly inns, inns, and hotels, and seek ways to realize them.
3. to contribute to revitalizing XXXXX by inviting investment and by promoting **resort business**, effective use of rooms, houses, building and land in XXXXX.

Here, we are talking about effective use not only in the accommodation field, but also in other colorful fields.

4. to contributing to establishment of systematic and collaborative cultural housing and

accommodation facilities, taking into account the global system.

It would be great if we could get cooperation from local governments, and if possible from XXXXX city or the Brazilian government, in making this global oasis, but it is impossible to get all at once, so we will first deepen cooperation with many companies.

**Article 2 (Principles)** In achieving the purposes listed in Article 1, our Association shall act in accordance with the following principles.

1. The Association shall be based on a non-partisan, and non-sectarian spirit, that is, a spirit that embraces all humanity.
2. At the time of establishment, the Association may be established as a voluntary organization, and as a general rule, it will not carry out any economic activities at this initial stage, and will only be able to carry out economic activities in its name after its incorporation.

It is better to leave the decision to the Board of Directors after the establishment, whether or not the AELOS with such purposes becomes a corporation. If you are considering incorporation from the beginning, this will take even more time.

3. The Association may support an individual Earth Loving Oasis established through self-governance and self-responsibility. However, neither party shall be liable to the other for obligation of the other.

**Article 3 (Membership)** 1. Any member of ELFO FAMILY may be a member of the present Association.

2. Not only residents in XXXXX, but also related parties from outside the city and overseas can become a ML (Mailing List) member or collaborators without any obligation while receiving emails sent by the Association.
3. By agreement, ELFO friendship organizations can use an agreement membership system in which each organization can become a member of the other while waiving membership fees.

**Article 4 (Organizations)** The main organs of the Association shall be President, 3 VIPs, a Board of directors, Departments, and a Secretariat.

**Article 5 (President)** 1. The President shall supervise the Association, submit proposals to major organs, and appoint Association officers.

2. President may act externally regarding a given situation by writing evaluations, proposals,

statements, requests, etc.

**Article 6 (3 VIPs)** The three VIPs, consisting of the President, Vice-President, and Chairman of directors, shall decide on various matters while the Board of Directors is out of session.

**Article 7 (Board of Directors)** The Board of Directors may elect the President and Chairperson and make decisions on important matters of this Association.

**Article 8 (Departments)** The Association shall establish a lodging business operator department, a lodging manager department, a lodging intermediaries department, investment department and other necessary departments.

**Article 9 (Secretariat)** 1. The Secretariat will perform administrative tasks such as document preparation, communications, rosters, and accounting.

2. The Secretary General and Vice-Secretary may be paid a small amount of remuneration.

**Article 10 (Finance)** 1. The Association's finances are maintained through an individual annual membership fee of **?????**, a group annual membership fee of **???????**, donations, miscellaneous income, etc. In principle, members provide services for the Association on a volunteer basis.

2. In accordance with Article 3, President of the Association will confirm free membership of its mother organization OELO (Organization of Earth-Loving Oases) and grand mother organization ELFO.

3. As a general rule, the expenses of some members' economic activities carried out in the name of the Association will be borne by its organizer.

I'm sure there will be a variety of projects presented, including seminars, classroom openings, the creation of the Internet, and more.

**Dear ELFO members**, will you please recommend yourself or other members as AELO President or other staff.

## 16. More simplified decision-making proceduare

GA Chair Irina asked me to simplify more the ELFO's decision-making procedure, considering her past experience of seeing absence, in the GA, of members' objection to Hon. Pres. Rikio's or other members' proposals. I agreed

with her and proposed additional rule (red phrase) in the **Rules on Presidents and other important staffs**. (Click [here](#) for the Rules)

*Article 31. Period of deliberation may be restricted, in principle, to 24 hours regarding a matter or an agenda item with clear content if there is no objection to it or if there are only some members who are against it.*

*In such case the adoption of the matter or agenda item may announced at the time of summarization of a given round of the General Assembly, and the matters, proposals or wishes expressed by ELFO Hon. President or President shall be regarded as provisional norms until the said summarization even if the GA Chair does not decide to that effect.*

**Dear ELFO members**, you understand well that this procedure will lighten GA Chair's heavy bureaucratic burden considerably, and accelerate ELFO's decision-making process faster.

GA Chair Irina says to me that there was no objection to my above proposal, so the Article 31 is regarded as 'provisional norm' effective until the said summarization even if the GA Chair does neither decide **nor announce** to that effect. Sorry, this time I propose additionally to clarify Hon. President's and President's competence. Please look at the last phrase of the Article 31: '*even if the GA Chair does not decide to that effect.*' I want to revise the phrase as follows: '*even if the GA Chair neither decide nor **announce** to that effect.*'

N.B. See for reference ELFO Charter Article 14 (President), Para. 2 which reads: *2. President may enact detailed rules which are effective until the coming General Assembly*. I propose to add the red phrases to the Para.2 as follows:

*2. **Hon. President and President** and may enact detailed rules which are effective until the coming General Assembly.* Such procedure also reasonable.

## **17. Principle of avoiding double membership fee**

At present time there are many Organizations or Associations in our ELFO FAMILY. In future there will be established additionally

many of them. In such situation it will be very troublesome to collect membership fee.

So I propose that if a member pays a membership of a given Organization or Association in our ELFO FAMILY, one may enjoy free membership in any of them unless otherwise provided. According to this principle, in case a member of SAELO (Sapporo Association of Earth-Loving Oasis) pays membership to the SAELO, one may pay one's due neither to JAELO (Japanese Earth-Loving Oases) nor to the OELO (Organization of Earth-Loving Oases) nor to the ELFO.

**Dear ELFO members,** will you decide adoption of the above principle if there there is not objection?

## **18. The number of ELFO FAMILY is 2,400 +**

ELFO Secretariat apologizes that our info on the real number of our ELFO FAMILY were inaccurate. A special list for VIPs and Diplomates of MFA (Ministry of Foreign Affairs) was made up, and it had been omitted when Secretariat counted the total number of the ELFO FAMILY. (<http://mopw.org/ic-mem%20n11-351p.pdf>)

**Total number of the ELFO FAMILY is about 2400,** maybe, as of FEB, 27 2024. Secretariat wants to add the List of VIPs and Diplomats of MFA to list of NEW MEMBERS for convenience though many of them are not 'NEW'.

## **19. African, American, Brazilian, Japanese and South African ZAPs!!**

Hon. Pres. Rikio proposed to the GA (General Assembly) to conduct the ZAP as follows:

(Time indicates Japanese time,

Monday	20:00~20:30	Brazil	Edmario
Tuesday	20:00~20:30	Japan	Rikio
Wednesday	20:00~20:30	Cameroon	Kisembo
Thursday	??????????	USA	Didier
Friday	20:00~20:30	Brazil	Edmario
Saturday	??????????	South Africa	Afua
Sunday	20:00~20:30	Japan	Rikio

**We expect appearance of many ZAPs around the world**

## **Contents of the ZAP**

I propose that here we can pass time joyfully and friendly, talking in easy-going atmosphere with many topics we like, you see some common topics as follow:

1. **Earth-Loving Songs:** I have written such songs, some of them were recognized as official Earth-Loving Song of our ELFO. Let's sing them, accompanied by the right tune:  ..m4a

2. **Sometimes let's sing IMAGINE by John Lenon** <https://www.youtube.com/watch?v=8OGyfvA42Ms> or Songs which members like, you may sing popular national song in one's mother language.

3. **Earth-Loving Amicable Way:** I, Rikio, will speak every time a few words about the FLAW. For reference see: <http://mopw.org/earth-loving%20amicable%20way.pdf>

4. **Earth-Loving Oases:** ELFO is going to create many Earth-Loving Oases around the world: As for a central OELO see <http://mopw.org/elo%20n9%20char%20240214.pdf>  
As for a local Association see <http://mopw.org/elo.%20asso.%20sap.%20240214.pdf>

## **20. Mutual benefits among Parties & Guarantors**

Present Charter of the ELOO, Article 26 reads as follows:

Article 26. Limitless loan. There is no limit of amount of money to be provided to a loanee so long as 1st and 2nd guarantors together with security are proved by documents, which loanee may present after the date of application.

2 days ago Hon. Pres. Rikio proposed to the ELFO GA to add the 2<sup>nd</sup> paragraph to the said Article 26:

**Guarantors for an applicant shall ensure their security by depositing a certain amount of money in a Cooperator (an investor, a banker etc.) with due interest to be paid to them. In case the applicant cannot refund loan, the deposit money with interest may be regarded as a part of guarantors' security.**

As there was no objection I decide the adoption of the said addition.  
You can remember that the GA recognized OJBAC (One Judge Border Arbitration Court) and we inquired Indian and Nepali Government about their readiness to submit the conflict to the OJBAC. If they can settle it by themselves, it is very good.

**Dear President of the IELFA Leo Rebello and Dear President of the NELFA Yuba Nath,**  
Will you kindly tell us about present situation? Do you think that we sit silently or act?

## **My Former Messages**

**Alas! catastrophic War goes on in Gaza and Ukraine!**

### **1. Pres. Kisembo's Meeting US Secr. of State**

Hon. Pres. Rikio wishes to promote practical steps to be taken by concerned leaders.

1. Mr. Kitembo will send his **draft dossier**, first of all, to Mr. Edmario and Mr. Rikio.
2. **To draft a treaty on Neutralization of Ukraine** seems to be easier than Russo-Ukrainian peace treaty. So ELFO leaders concerned shall begin to engage in studying it **ASAP**.

## 2. Gaza & Ukrainian Process for Peace and Amity

Internal deliberation within ELFO FAMILY is, of course, important and useful, but I think **More important is external action to belligerents!!** I expect that leaders complete such document **ASAP**.

## 3. Ms. Gillian Afua was recognized as ELFO 3rd President!!

The GA recognized her as ELFO 3rd President responsible for internal affairs and as President of the Earth-Loving Friendly Association in South Africa (ELFAS) as no member expressed objection **today by 17:00 of 6th of March**.

Thank you every member for your tacit approval of the new rule of appointment of the first President of national ELFA (Earth-Loving Friendly Association) by central ELFO, not by election. 3. Economic Cooperations Among ELFO Members

You know, our ELFO Pres. Edmario wants very much capital for promoting ELO (Earth-Loving Oasis,  
and see Charter, Article 3) in San Paulo, Secondly, Mr. Emanuel Lavalie from Sierra Leone, sent us his project,

asking investment, then Mr. [Antoine Kantiza from Burundi](#). In the past there were many members who sent us a mail, asking financial aid.

Hon. Pres. Rikio and Secretariat expect that ELFO members will invigorate economic cooperations among members, and that national leaders of ELFA (Earth-Loving Friendly Association) will stimulate their economic activities more passionately. In Nepal took place a gigantic earthquake of magnitude 6.5. and Acting Pres. Datu from Nepal is very busy also with harvest, but yesterday we could communicate with him.

*HH Datu Pradeep Sapkota: Hope, you all are doing great. I am really curious to know how shall we proceed the humanitarian project.*

*1. What are the responsibilities?? For me ??*

*2. Is there any fund available to start the project work?*

*Hope Watanabe: I suppose that by "humanitarian project" you are thinking mainly about aid to victims of the recent earthquak in Nepal. One of the problems is that many ELFO members don't know it. Please write about it in your MM. I'll let them know the earthquak in Nepal.*

*Dear Datu, it's not me, but VIPs of LEFO who answer such fundamental matters [of responsibilities]. If you permit me to suggest an idea, then I say that you or your NELFA will ask aid, sending info for it to ELFO Secretariat, which will open it in ELFO web site. Then it is possible that our investors, bankers, economists, and rich members may invest in your project. Please see many items to be sent to our Secretariat in an attachment.*

*Good luck,*

*Cordially, Hope*

A candidate may add some phrases to the above said Oath. (Art. 42, Para. 2)

### 2. Our African Leader E. Lavalie asks for help

Just after the other day's announcement of the GLC (General List of Cooperators), yesterday an African candidate for national ELFA Mr. Emanuel Lavalie (pic.) sent me a following message:

*Irina-K, and the entire ELFO Family.*

*I am Emmanuel Lavalie, a husband, a father of 3 beautiful girls and a social enterprise owner. I live with my family in Bonthe District, the Southern Region of Sierra Leone. I have been a very passive member of this family and I really want to change that and become active.*

*I want to thank the founders of this very unique family that seeks to make the world a better place for all. Thank you all.*

*My purpose of writing this email today is to seek support from the family. Since the outbreak of the COVID-19 pandemic, my business has been struggling and I have been looking for funds everywhere.*

*I run a small social enterprise called Impere Foundation for Education and Agriculture that provides education to youths, women and girls in Impere Chiefdom. We run a fashion design and production center and a computer training center that we use as a safe space to train youths, women and girls for free.*

*The demand in our training program is getting higher but we can't access external funds to take care of the running cost of the center and that of my family expenses.*

*We haven't been able to pay the salary of the 3 tutors we have and learning has stopped for over 4 months now. I don't want it to continue like this so this is why I am reaching out to everyone I know asking for help. There's no shame in asking 🙏*

*I have attached our impact report for details on our work and why we deserve your financial support.*

*God bless us all as we wait to hear from you.*

*Regards  
Emmanuel Lavalie*

## 1. Creation of many Arbiration Courts & Conciliation!!

You can remember that Secretary Hope Watanabe (pic.) proposed to the ELFO GA to adopt below mentionrd many kinds of **OJAC (One Judge Arbitration Court)**, and afterwards Hon. Rikio Kaneko added **TJAC (Three Judge Arbitration Court)**. Not only this, he also proposed **OPAC (One Person Amicable Conciliation)** as well as **TPAC (Three Persons Amicable Conciliation)**. As there was no objection to it, I decide the adoption of it.

- N.1. OJBAC (One Judge Border Arbitration Court)
- N.2. OJSAC (One Judge Sea Arbitration Court)
- N.3. OJHRAC (One Judge Human Rights Arbitration Court)
- N.4. OJRAC (One Judge Refugee Arbitration Court)
- N.5. OJCAC (One Judge Commerce Arbitration Court)
- N.6. OJIAC (One Judge Investment Arbitration Court)
- N.7. OJIPAC (One Judge Intellectual Property Arbitration Court)
- N.8. OJCAC (One Judge Criminal Arbitration Court)
- N.9. OJTAC (One Judge Terrorism Arbitration Court)

As for means of settlement of border conflict, today both ELFO and the ICO recognized 4 formes: **OJBAC**; **TJBAC**; **OPABC** (One Person Amicable Border Conciliation); and **TPABC** (Three Persons Amicable Border Conciliation). It is the same with other legal sectors (N.2~N.9)

## 2. Rules on Presidents and other important Staffs

### More simplified and speedy deliberation of the agenda items

As there was no objection, the other day I decided adoption of the bellow mentioned rules by the ELFO and the ICO:

1. When one matter or an agenda item with clear content is posed to the General Aseemly, the Chair may decide it after 24 hours for deliberation if there is no objection to it.
2. In such case the adoption of the matter or agenda item may announced at the time of summarization of a given round of the General Assembly.

Then Hon.Pres. Rikio proposd to insert these rules in the **Rules on Presidents and other important Staffs** as seen in an attachment, adding new rules adopted by our GAs. As there was not objection, I decided its adoption speedily in accordance with a new 24 hours rule.

## 3. Provisionaly 3 Presidents of ELFA were elected!!

I asked several times below mentioned cadidates to send send me their oath and political opinions (open promise with their compatriot members) in vain. I request them again and again to do. The GA decided that

## 6. Acting Pres. of the ICO appeared: Charles U. Ani!!

## 1. Rules on Presidents and their concerning staffs

Now you can see in our web site revised new “Rules on Presidents and their concerning staffs” with red phrases added to. See: <http://mopw.org/rules%20on%20pres.n3.pdf>

The other day a simple election system was created by GA's decision for a candidate for President of a given national ELFA (Earth-Loving Friendly Association) where it is not established. I think, however, that at least an Oath is necessary in advance or after election. So I propose addition of the following rule to the present above mentioned Rules:

**At least an Oath is necessary in advance or after election for a candidate for President of a given national ELFA (Earth-Loving Friendly Association) where it is not established.**

## 2. Election of 10 Presidents of national ELFA!!

### A. New Candidates

## B. Old Candidates

I asked some times below mentioned cadidates to send send me their oath and political opinions (open promise with their compatriot members) in vain. I suppose that the GA will adopt my proposal. So I ask them again and again to present me at least an Oath.

## 1. Simple election of 1<sup>st</sup> President of a national ELFA

At present time there are 4 candidates for President of national ELFA (Earth-Loving Friendly Association), they must announce their political opinion (promise with members), some of them know it, but none of them sent us their political opinion, and election process is very slow.

So I propose to the GA

1. that the 1<sup>st</sup> President in a given country may be elected if someone recommend himself or another member as President of the ELFA if there does not appear another rival candidate within 5 days since the above-mentioned recommendation, provided the term of the 1<sup>st</sup> President is 6 months, but may be prolonged by the 2<sup>nd</sup> election; and
2. that this rule will be stipulated in the “Rules on Presidents and their concerning staffs”  
<http://mopw.org/rules%20on%20presidents%20230204.pdf>

## 2. Typical Contract on accommodation among parties

As there was no objection, I decide that the below-mentioned model of a contract, which was proposed by Hon. Pres. Rikio, was recognized by our GA.

Contract among an owner of property, ELFO member XX, and ELFO Pres. XX concerning creation of an ELO (Earth-Loving Oasis) in the XX (city or town) (See its Articles in the URL: <http://mopw.org/elo%20n5.pdf>) *Mr. Rikio's accommodation & apples*

## 1. Please send Propozal to V.Putin and V. Zelensky!

It seems 5<sup>th</sup> Proposal to the above 2 Tops regarding Russo-Ukrainian War has not sent yet. Please inform members of the steps done by Hon. Pres. Rikio and President Edmario.

Let's pray to mothers who lost their sons in battle theater, and for those suffering from terrible distresses caused by war.

### 3. The GA recommends Dr. Tituc Acting President!!

Indian Rev. Dr. Tituc Kumar was introduced sometimes to ELFO members. The other day the GA (General Assembly) decided that he is to be appointed as Vice-President of the IELFA (Indian Earth-Loving Association), but afterwards ELFO Secretary Hope Watanabe, seeing Acting President's stronger power, asked me, in her message to every member dated **SEP 12, 2023**, as follows:

*"Dear ELFO GA Chair Irina Karpekina, I ask you to decide ELFO's request of him to be Acting Pres. for Pres. Edmario, and Acting Pres. of the IELFA for its Pres. Leo Rebello (not Vice-President of the IELFA) if there is no objection."*

There was no objection, so decide the adoption of her proposal today **OCT 19, 2023**.

**Congratulation on the GA's recommendation of you as an Acting President!!**

### 4. Turn every member's misfortune into a blessing!!

You already know that our ELFO Pres. Edmario is striving against great difficulties of his life, trying to turn a misfortune into a blessing. Hon. Pres. Rikio is helping him realize his dream of improving his life, showing his draft Understanding between him and construction company Lavvi. Hon. Pres. Rikio is thinking not only about Pres. Edmario, but also every member's blessing as is stated in his draft contract in general form for creating the ELO (Earth-Loving Oases) here and there around the world. See attachment.

According to Hon. Pres. Rikio's draft contract, ELFO member-buyer may refund 90 % of price of the flat, and regarding the other 10% of refund return, Article 7 stipulate as follows:

#### Article 7. The other 10 % of security

The other 10 % of the price of the flat shall be secured for an Investor or Representative of lenders such as investors, banks, ELFO members or other persons who are ready to accommodate the member with 10 % of the price of the Flat. The member-buyer and the ELFO shall make efforts to find the above Investor or Representative, and other possible investors.

The Member shall refund the debt with interest within 10 years. **Interest to be paid to the lenders shall be, in order to heighten investment incentive, a higher than the average bank interest in the lender's country.** The exact interest ratio and the refund period will be decided by agreement between the Member-buyer and the lenders.

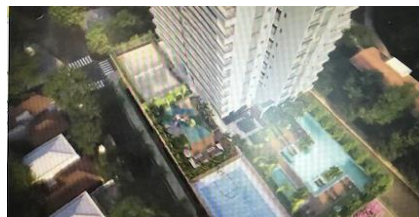

Surely, if the interest ratio is higher than the average bank interest in the lender's countries, it is probable that our ELFO members will invest in the ELO (Earth-Loving Oases) business!!

# From my past messages and materials

## 2. Let's create Earth-Loving Oases here and there!!

You know, our ELFO Pres. Edmario is trying very hard to create an Earth-Loving Oasis (ELO) in San Paulo, to live there in a tall building where he wants to do accommodation business. But alas, he is not rich. And Hon. Pres. Rikio elaborated general plan as well as individual plan for the ELO in San Paulo. Please see this **valuable info** in an attachment to Mr. Levi (the newest N.5), and **apply it to create such ELO in your village, town and city.**

## Turn your misfortune into a blessing!!

## 3. Mr. Edmario may be the most favoured Person!!

Hon.Pres.Rikio Kaneko is drafting Understanding between a Brazilian construction company Lavvi and Mr. Edmario, because they seem to be very busy. Mr. Rikio's draft Understanding reads as follows: "Though minimum of an initial contribution [a key money] is usually 30% of price of the Lavvi's properties, Edmario may pay 10 % of it at the time of conclusion of the present contract with the Lavvi or at the time agreed to." (Article 4)

"The remainder [balance 残金] may be paid to the Lavvi by Edmario over 120 months (10 years) with interest, though it is usually 60 months by Lavvi's standard, provided that when his income can be

estimated enough for refunding the balance, the Lavvi may claim earlier payment.” (Article 5)

## 4. From India has rizen a bright Golden Star for all!

Indian Rev.Dr.Titus Kumar was introduced sometimes to ELFO members. The other day the GA (General Assembly) decided that he is to be appointed as Vice-President of the IELFA (Indian Eart-Loving Association), but afterwards ELFO Secretary Hope Watanabe, seeing Acting President’s stronger power, asked me, in her message to every member dated [SEP 12, 2023](#), as follows:

*“Dear ELFO GA Chair Irina Karpekina, I ask you to decide ELFO’s request of him to be Acting Pres. for Pres. Edmario, and Acting Pres. of the IELFA for its Pres. Leo Rebello (not Vice-President of the IELFA) if there is no objection.”*

So that if there is no objection, I’ll decide the adoption of her proposal in [OCT 19, 2023](#). Dear Rev. Dr. Titus Kumar, will you say a word in advance about you?

## 5. 2 days speedy deliberation of proposal in the GA

Please see the date when Hope Watanabe proposed her idea. It’s [SEP 12, 2023](#). If there is no objection her proposal will be adopted 2 days later, that is [SEP 19, 2023](#).

I think it’s too slow deliberation. So I propose to the GA that **when a member proposes to the GA to adopte one’s idea and it is informed to all the ELFO members, it is not necessary for the GA Chair to resend them the porosal, and the Chair may, after 2 days since opening proposal, decide the adoption of it if there is no bojection to it.**

# Harvest and Happiness!

These are today’s fruits in my garden. They are very delicious!!

## In our ELFO FAMILY there appeared some autumnal fruits!!

ELFO FAMILY's first harvest is a series of decisions by the GA (General Assembly) and members' movement ahead. It is very good that there appeared more national ELFAs (Earth-Loving Friendly Association), especially in Africa.

**The first runners** are following countries: **MELFA** (Mexican Earth-Loving Association, 2019), the second - **NELFA** (Nepali ELFA, 4 of July, 2020), and the 3rd - the **FELFA** (Fijian ELFA), the 4th - **IELFA** (Indian ELFA), the 5th - **JELFA** (Japanese ELFA, 2021/01/01), 6th - **BELFA** (Brazilian ELFA),.

**Then appeared the 2nd runners:** **LELFA** (Liberian Earth-Loving Friendly Association), **SELF**A (Sierra Leoninan Earth-Loving Friendly Association), **RELFA** (Rwandan Earth-Loving Friendly Association), **CELFA** (Central African Earth-Loving Friendly Association).

**The third waves** appeared this summer: candidates for President of national ELFA (Earth-Loving Friendly Association): Alfred Toura from Sierra Leone for **ELFAS**, Ziaul Harun from Bangladesh for **ELFAB**, Ephrem Ben from Ethiopia for **ELFAE**, and Felix Hamayuwa from Zambia for **ZELFA**.

**A candidate for next ELFO President** Our ELFO member H. E. Dr. Sharli (India) seems to be ready to be a candidate for next ELFA President. A problem is technical bad communication between him and ELFO.

## 1. Decisions of 1<sup>st</sup> session of 12<sup>th</sup> ELFO GA

### Agenda item N.1. Recognition of collective membership.

I decide that **Rev. Dr.M.TITUS NIRMAL KUMAR's** Organization will be a member of our ELFO, and the latter will be a member of the former, membership is free respectively, and that he will be a Vice-President of the IELFA to be appointed by the central ELFO.

For reference, please read correspondence between Secretary Hope Watanabe and a new member Rev.Dr. M.TITUS as follows:

*Hope Watanabe: I saw your article, I think we have many common moments, I am sure we can go ahead together. So ELFO will be a member of your Organization, and your Organization will be an ELFO member. Do you agree to it? Membership fee is free.*

*Rev. Dr.M.TITUS NIRMAL KUMAR: Yes, I'm willing to join with u and work together.*

*Hope Watanabe: Thank you so much. Let's consider our 2 Organizations' joining the other Organization. I'll propose this idea to the ELFO General Assembly.*

*Rev. Dr.M.TITUS NIRMAL KUMAR: Definitely. Thank u so much, Hope. I want to know more about ELFO. By working together we can learn many things from each other and the work will be multiplied*

*and widespread.*

Hope Watanabe: That's right!! Please know us by the following URLs: (...omission....)

*Rev. Dr.M.TITUS NIRMAL KUMAR: How are you Hope. We have to do **many good works** in the days ahead. We have to motivate and mobilize many thousands into our organization is my goal. So let's work together and attempt great things. Bishop. Titus  
I need ur cooperation and suggestions.*

Hope Watanabe:👏👍👎😊😞

*Dr. TITUS, Hon. Pres. Rikio is glad if you are ready to be **Vice-Pres. of the IELFA** (Indian  
ing Friendly Association) to be appointed by the central ELFO for attempting great things.*

Rev. Dr.M.TITUS NIRMAL KUMAR: Thanks for sharing. Dear Hope, I herewith express my heartfelt willingness to be **Vice President of the IELFA** to attempt great things worldwide. Hope to hear from you soon. Thank you very much. Rev. Dr. M.

*Felix Hamayuwa: It would be an honor, kindly share advice the scope of work and the parameters am to work around if I was to take up the position.*

So at present time there are 4 candidates for President: in **Zambia, Sierra Leone, Bangladesh, and Ethiopia** (see pp.11~12). According to **Rules on Presidents and their concerned Staffs**:

Where national ELFA is not established, a member may be President of that ELFA, provided the following conditions shall be satisfied.

- a. the member will send to the ELFO GA one's determination (political opinion) to be President of a national ELFA.
- b. no rival candidate appears within **10 days** after the notification, by the GA Chair, of the 1st candidate's above determination to GA members.
- c. The GA shall decide procedure when more than 2 candidates appear.

In September 4, 2023 I notified candidates' readiness to ELFO members, so rivals may appear if any.

**Agenda item N.4. Representatives of the Earth-Loving Oasis in Brazil**

I decide that the GA requests Messrs Pres. Edmario and Mr. Levi (consultant of a construction company in Brazil) to be a Representative of the ELO (Earth-Loving Oasis) in Brazil and a Representative of the ELO in San Paulo respectively because with such status our work will be more effective.

Mr. Rikio wishes that Mr. Edmario be a Vice-Representative of the ELO in San Paulo.

**Agenda item N.5. GA's recognition of ELFO staffs and their appointment**

I decide that the GA adopted amendment of Rules on Presidents and their concerned Staffs, Article 5, adding red phrases to the old Article as follows:

Article 5. Hon. Presidents and other members may suggest the post (status) of a new member whom they invite to join the ELFO FAMILY, provided that President will appoint him or her later officially. In case of absence of the official appointment, the new member shall be regarded as having the post suggested by the inviters. **When new members were introduced by ELFO mail magazine on new members and if the GA recognizes their post, they may have such post irrespective of absence of appointment by President.**

## Agenda item N.6. ELFA's Vice-Presidents & staff appointed by the ELFO

Broadly speaking, we can say national ELFA (Earth-Loving Friendly Association) are inactive at present time. In order to invigorate such ELFAs, Hon. Pres. Rikio Kaneko requested me to adopt his following proposal. As there was no objection I decide that the GA recognized the following 4 points :

5. Central ELFO may appoint Acting President of an ELFA if there is not such post in a given ELFA.
6. Central ELFO may appoint 3 and more Vice-Presidents of a ELFA whose functions are similar with PPRSIDENT of 3 HEADs
7. Central ELFO may appoint at least one Vice-Chief of each sector of of an ELFA.
8. These rules are to be added as Article 40 to the **Rules on Presidents and their concerned Staffs** .

## Agenda item N.7 Rules on BNB Business and Hotel Business

Members know that at present time we pay much attention to tourism and accommodation business, and in September 8, 2023 Hon. Resident Rikio sent to ELFO members his draft **Rules on BNB Business and Hotel Business** (this page). As there was no objection, I decide that our GA adopted the Rules as follows:

### Rules on BNB Business and Hotel Business

In accordance with ELFO Charter and in order to contribute to the peace and amity among nations by tourism, regarding creation of accommodation, the General Assembly (GA) adopted the following Rules.

Done in Sapporo in September 12, 2023.

**Article 1.** When ELFO members construct accommodation, sale rooms, flats or other space, and/or have something to do with it, these member-sellers shall try to introduce the accommodation to ELFO FAMILY.

**Article 2.** These rooms, flats, and spaces which ELFO members own may be named as Earth-Loving Oasis or a HOUSE for Peace, Welfare and Friendship if the concerned parties agree to it.

**Article 3.** Our ELFO shall promote not only homestay type lodging, but also investment type (owner absent-type) lodging, and hotel-type lodging, provided that

the ELFO itself will not be, in principle, an actor of buying, selling, investing, transferring money, issuing check etc. in its name.

**Article 4.** Unless contray to domestic laws, our ELFO adopts domestic and international standard of brokerage of 1%~5% to be paid to a broker by a seller, and of 1%~3% to be paid to the broker by a member buyer. If an ELFO member with an intention to be a broker talks directly with a possible buyer, and the latter talks afterwards with the seller, brokerage shall be paid by the buyer when a contract is concluded between them.

**Article 5.** Real percentage of brokerage will depends upon an agreement between a seller and a broker, on the one hand, and between the broker and a buyer, on the other hand.

### Summer vacation ended, and fruitful fall began!!!

How did you spend summer vacation? Anyway it was too hot even in Sapporo!!!! In autmn let's get rich harvest not only in fields, but also in our precious ELFO FAMILY!!!! Generally speaking, ELFO members are calm, friendly, and peaceful, but it doesn't mean that most of our members are happy, on the contrary, it seems to me that not a few our members feel themselves unhappy.

Apples in my garden

You know, our ELFO Pres. Edmario is in political, economic, social bad situation in a poor risky district of Rio de Janeiro, and ELFO Hon.Pres. Rikio is paying **great attention to turn a misfortune into a blessing**. Mr. Rikio is thinking ideas not only for Mr. Edmario, but also for all the ELFO members to turn their misfortune into a blessing by creating Earth-Loving Oases (ELO) as is seen in today's attachment.

If some member is against Mrs Hope's and Rev. Dr. TIYUS'es wishes, please feel free to express so. I expect that Rev.Dr.TITUS or ELFO side present a **draft agreement on cooperation between them**.

## Agenda item N.2 Election of President of national ELFAs

So at present time there are 4 candidates for President in **Zambia, Sierra Leone, Bangladesh, and Ethiopia** (see pp.6~7). According to **Rules on Presidents and their concerned Staffs:**

Where national ELFA is not established, a member may be President of that ELFA, provided the following conditions shall be satisfied.

- c. The GA shall decide procedure when more than 2 candidates appear.

#### **Agenda item N.4. Representatives of the Earth-Loving Oasis in Brazil**

Hon.Pres. Rikio asks me to request Messrs Pres. Edmario and Mr. Levi (consultant of a construction company in Brazil) to be **a Representative of the ELO (Earth-Loving Oasis) in Brazil** and **a Representative of the ELO in San Paulo** respectively because with such status our work will be more effective. Mr. Rikio wish that Mr. Edmario be a Vice-Representative of the ELO in San Paulo.

#### **Agenda item N.5. GA's recognition of ELFO staffs and their appointment**

N.906. **Hon. Emmanuel Boniface** (JUN 08, 2023), **Nigeria**. **Goodwill Ambassador** --Human rights and social justice: Am humble, peaceful and straight forward person. **His representative is Mrs. Irina Karpekina.**

**Hon Emmanuel Boniface:** 🙌👍🥰😊 **Okay, I'm in. Let the formalities begin. I will take that up.**

. Regarding appointment, present **Rules on Presidents and their concerned Staffs** stipulates as follows:

Article 5. Hon. Presidents and other members may suggest the post (status) of a new member whom they invite to join the ELFO FAMILY, provided that President will appoint him or her later officially. In case of absence of the official appointment, the new member shall be regarded as having the post suggested by the inviters.

Please, however, think about our Pres. Edmario's distressful situation. He has not a time to appoint each new face, even important staff. Considering present situation, though he is to appoint members to posts of the ELFO, we must design some schem which lighten his burden. Hon. Pres. Rikio propose to the GA to adopte ammendment of the above Article as follows:

Article 5. Hon. Presidents and other members may suggest the post (status) of a new member whom they invite to join the ELFO FAMILY, provided that President will appoint him or her later officially. In case of absence of the official appointment, the new member shall be regarded as having the post suggested by the inviters. **When new members were introduced by ELFO mail magazine on new members and if the GA recognizes their post, they may have such post irrespective absence of appointment by President.**

See the following case. Pres. Edmario may not appoint Ahmed Imloul, but who may have a given post:

Hope Watanabe wrote in her latest Messagr, "I am sure that your [Mr. Rafael Serrallet's] memorial singing Erath-Loving Songs will have great effect upon Indian and Nepali Prime Ministers as well as on our ELFA members, so I propose to the ELFO GA that it will give him a reward of 100 US \$ at least, and 500 US \$ if both States submit their border conflict to Pres. [Ephrem Ben](#): Okay great

## 5. A Brazilian Mr. Levi may invigorate our ELFO!!

## ブラジル人レヴィ氏が経済面で ELFO を活性化する可能性!!

ELFO Hon. Pres. Rikio sent me the following article:

You know, our ELFO Pres. Edmario is in difficult situation political, economic, and social, wants to live in another city with his parents, but he is not rich. How to live in San Paulo, for example? Fortunately he found a large building under construction. Mr. Levi is responsible for selling rooms, flats, and other space of this building.

I recommended him in advance to engage in BNB business wherever he will live. Yes, one of good options will be to live there in this building. And yesterday Edmario and I were glad at seeing him, and talked with him through Zoom, and today (AUG 23, 2023) he sent me a mail, and I answered him as follows:

Dear Mr. Levi San

Glad to have seen you yesterday. And thank you so much that you joined our ELFO. Then from now you will receive often our MM (Mail Magazine) as a member. And let's see oftener our meeting. What day of the week is it better for you and Edmario? For me Tuesday is convenient.

Please see my answer to you.

1) In whose name will the real estate (apartments) remain?

Answer: at least one flat will remain in Edmario's name. In order to realize it he must make great efforts to help you sell flats. Other flats or space on the floor where he will live remain in the name of other families, companies (domestic and international), San Paulo city (if it is interested in PPP: Public and Private Partnership) and others.

2) Does ELFO have a bank account in Brazil or a legal representative?

Answer: At present time our central ELFO hasn't it there. I suppose that the BELFA (Brazilian Earth-Loving Association) has not in its name.

3) What is the payment method? (\*In conversation, you mentioned that it would be through an investment bank from Japan and another part coming from Washington, DC, please confirm me)

Answer: You must not expect that ELFO will buy many flats or much space. I think ELFO itself will not buy a flat, but cooperate with you and member-economists considerably and unimaginably. Our ELFO has such potential power. You misunderstand me, writing, "In conversation, you mentioned that it would be through an investment bank from Japan and another part coming from Washington, "

I explained that Japanese governmental financial agency or banks are ready to aid Japanese people to buy or build a house, giving them capital, and wished you to use such kind of aid if in Brazil is such financial helper. As to Dr. President Tamara of the Capital Investment Holding Group in Washington DC I simply mentioned a possibility of her assistance. Let's talk with her about it.

3) How many apartments are there to be purchased? Would there be an idea regarding this investment?

Answer: In middle or long term all the space on the floor where Edmario will live are to be purchased by BELFO members and/or ELFO members from other countries.

4) In this morning's video (evening) I understood that there is how Mr Edmário told me about an idea of 'payment within a period of 5 years? If this is the case, what would be the form of payment, how? Down payment + 60 months?

Answer: It depends upon an future agreement between you and Edmario. Please show me its draft (outline) asap.

Possibly other observations can be sent. I look forward to the answers to the above questions and any considerations on your part. For greater agility of our responses, if you wish, you can send me a message on what'sapp +55 11 97431-7700

Yours sincerely,  
Levi

### 1. Finaly Mr. Edmario answers quetions

### エドマリオ氏、国際調停機構公開質問に回答

In June 22, 2023 ICO Pres. Rikio Kaneko wrote in his Message as follow:

*To win the election of President of the ICO (International Conciliation Organization) these candidates must answer my and other members' questions, elaborating their policy. Election administrator Irina Karpekina appointed me president of the Open Forum.*

*Without waiting for Dr. Leo Rebello's presentation of his Opinion and Political Oath, today [June 22, 2023] I declare the start of the Open Forum. Any member can make wishes and questions. The followers are mine. Dear ELFO Pres. Edmario and Dear Dip. Donaldo Turcidas, please comment or answer the following questions?*

Election of PRESIDENT of 3 HEADs is very late due to no answers from the side of candidates. At last one of them, Mr. Edmario sent his answers to Chair of Open Forum. Q&A reads as follows:

#### Question 1: What are the urgent steps for ICO to do now?

*Hello, my dear ICO family members. I hope everyone is well and healthy. The urgent steps for ICO to take now would be to manage the organization with a network of world leaders, celebrities and high profile personalities to support us with the projects and demands of new sanctions with the end of the Ukraine war with the end of nuclear weapons.*

#### Question 2: What are some of the medium and long term important points?

*Have numbers of personalities in the ICO who can contribute to savings accounts and support the ICO with cultural projects and funds.*

#### Question 3. Are you thinking of new items or ideas to propose to conflicting states?

*Yes . I think about coming up with new ideas and new items for the situation of interstate conflict catastrophe collapse demand situation. I believe that when new ideas arise, they help propagate new demands with the UN foreign relations rapporteurs to prevent the worst catastrophe of the end of the planet in the third world war between states in conflict.*

#### Question 4. How to invite States from neutral States to join us or cooperate with us?

*Calling on heads of state to participate in our meetings via zoom and elaborate articles requested via email. We need to unite with neutral states. Based on the history of peacekeeping and conflict resolution activities of the Organization of the United Nations (UN), we analyze how this institution reacted to the proliferation of intra-state armed conflicts during the 1990s, multidimensionality of these conflicts, which to some extent are not as new as they may seem to have imposed a series of difficulties on the traditional peacekeeping mechanisms of the UN, which until then had been restricted to sending unarmed or weakly armed soldiers to maintain peace between States, based on the foundations of respect for sovereignty, impartiality, consent of all parties to the conflict and use of force only in self-defense.*

*From the study of the conceptual and operational changes of UN peacekeeping missions in the 1990s, we point out the difficulties faced by this organization to adequately respond to the intra-state conflicts, as well as discussing the limits of its performance in relation to the principles traditions of the Westphalian system – sovereignty, independence and non-intervention.*

#### Question 5: How about trying to show a draft peace treaty for Russia and Ukraine?

*It 's good to have a new project in hand. The objective of this work is to analyze how the Organization of United Nations (UN) reacted to the change of international conflicts in the post-Cold War (GF), specifically to intra-state armed conflicts that trigger humanitarian crises that predominated in the war scenario of the 1990s. The multidimensional nature of these conflicts, which, to a certain extent, are not as new as they may seem, has imposed a series of difficulties to traditional United Nations peacekeeping and conflict resolution mechanisms, hitherto restricted to sending unarmed or weakly armed soldiers to maintain peace between States on the basis of respect for sovereignty, impartiality, consent of the parties to the conflict and use of force only in self-defense.*

*When we mention "United Nations" or "UN" we are not referring to a singular political institution or world government with supranational authority. We refer us to an intergovernmental political forum whose purpose is to maintain peace and security and which is based on the tripod of sovereignty, political independence and non-intervention in the internal affairs of States. As much as the preamble of the UN charter*

*invoke "we, the peoples of the United Nations", there is no doubt that States are central actors in the architecture of that organization. Decisions on peace and security rest with the States international institutions, which in turn were centralized in the body specially created by the victorious powers of World War II to address these matters.*

#### Question 6. Can you maintain good communication between 3 presidents?

*Yes. The relationship, communication and empathy with respect and integrity with the 3 presidents is very important.*

## 2. Every day a new member join us!!

毎日のように新会員が入会、大きな刺激!!

We are glad to see you, welcome warmly with lovely flowers!!

Please see an attachment. Even in summer vacation the ELFO Secretariat is making a great effort to invite personalities to join us, recommending them to play some important role in our ELFO FAMILY. Will you also recommend yourself or other members to some suitable position? See the following rules:

Rules on Presidents and their concerned Staffs

Article 1. At any time and in any place any ELFO member may suggest one's idea to develop ELFO FAMILY for promoting friendship and peace among nations, and may announce one's willingness to be ELFO President, Acting President, a Vice-President, or other important staff.

I declare the General Assembly of the ELFO and the ICO closed, provided that it will be opened provisionally if necessary. But I will not decide the

adoption of these matters, in principle.

Have a nice and happy summer vacation!!

**2.An iron rule is the Greatest Happiness of all human beings**  
鉄則は、全人類の最大幸福。それは特定集団の利益より優先的

Let's consider the above principle when we think, among others, about Russo-Ukrainian war. This principle will demand immediate truce on the basis equitable fair compromise between belligerents.

Present ICO Pres. Rikio is too busy with all round important works. So it is very desirable that PRESIDENT with 3 HEADs work effectively ASAP in more positive cooperation with candidates for PPRESIDENT. **Dear ELFO leaders, be ambitious and passionate, please recommend oneself as a candidate for PRESIDENT, answering questions in an Open Forum presided by ICO Pres. Mr. Rikio.**

**3.Mass destruction weapons should not be used in any war!**  
大量破壊兵器（原子、生物、化学）は、いかなる戦争でも禁止！

ICO Pres. Rikio says that our former Proposal to Russia and Ukraine on non-use of a mass destruction weapons seems not to meet present situation because Russian former President Medvedev says Russia could use nuclear weapon if Ukraine's fightback succeeds in latest threat. See the old Proposal below (<http://mopw.org/pr.%20n240%20con-3rd%20prop..pdf>)

**1. Non-use of a mass destruction weapon**

*It may be comparatively easy for belligerents to promise not to use a mass destruction weapon, namely, **ABC weaponry**: Atomic, and Bacteriological and Chemical.*

*Our ICO will propose as follow:*

*1. Both belligerents agree to never use a mass destruction weapon at any place so far as the enemy belligerent does not use it.*

*2. When a Head of State or some authorities declare serious military action with severe words, they shall answer to any questioner that use of the ABC weapon will not be included in this action.*

*3. If there a doubt happens as to use of ABC weapons, the concerned State shall permit international inspection to be organized by the United Nations.*

**Dear ELFO members,** what good ideas can you send me in order to update this very important N.4 clause **Non-use of a mass destruction weapon** ? It is clear that it is absolutely necessary to avoid nuclear war.

### 2. Pres. Edmario's article on Polish Belarussian relations ポーランド ベラルス関係についてのエドマリオ会長の記事

Hello, my dear friends and brothers of the ELFO family. I hope everyone is well, healthy and safe. We will march with hope, faith and determination for the purpose of the peace treaty between nations. Together we are stronger.

We are in catastrophic and miserly times. I count on the proposal of all world leaders to implement projects to meet the demand for world peace with new UN assemblies.

Mr. Putin sends message to Poland: "Attacking Belarus will mean an act to Russia". Russian leader says Warsaw covets Belarussian and Ukrainian lands and claims part of Poland's territory was "Stalin's gift" to the country. President Vladimir Putin accused, this Friday (21), Poland of having territorial ambitions in the former Soviet Union and said that any aggression against neighboring and ally Belarus would be considered an aggression against Russia.

[In 1939] Poland was abandoned by its western allies, was thrown into the German war machine and formally lost its independence and statehood, which were restored largely thanks to the Soviet Union. It was thanks to the Soviet Union, thanks to the measures taken by Stalin, Poland obtained substantial territories in the West German lands. That's a fact," he said.

Putin said there were reports in the press of plans for a Polish-Lithuanian unit to be used for operations in western Ukraine - part of which in the past belonged to Poland - and ultimately to occupy territory there. It is known that they also dream of Belarusian lands," he said, also without providing evidence. Moscow would react to any aggression against Belarus "with all the means at our disposal", Putin told a meeting of its Security Council in televised remarks.

"As for the Polish leaders, quite possibly they are counting on forming some kind of coalition under the aegis of NATO to get directly involved in the Ukrainian conflict in order to wrest a good chunk of Ukraine for themselves," he said. "We are not going to get involved. But as for Belarus, it is part of the State of the Union. Aggression against Belarus will mean aggression against the Russian Federation. We will respond to this with all means at our disposal."

The Warsaw Security Committee decided on Wednesday (19) to move military units to eastern Poland after members of the Russian mercenary force Wagner arrived in Belas, state news agency PAP reported, quoting its secretary this Friday.

## 2. Our ICO & ELFO propose non-use of cluster bombs

### ICO と ELFO はロシアとウクライナにクラスター爆弾不使用を提案

In July 19, 2023 Secretary Hope Watanabe (pic.) stated, "Use of cluster bombs will lead to further inhuman battle which increase more terrible loss of life and escalate into more risky an all-out war, arousing more hatred. I wish, therefore, that GA adopt the 5<sup>th</sup> Proposal to be sent to Russian and Ukrainian Tops, in which the ELFO and the ICO propose non-use of cluster bombs.

**Dear Chair of the ELFO and the ICO GAs Irina Karpekina**, please decide adoption of my proposal in the 2 GAs, if there will be no objection to it." As there was no objection, I decide adoption of her proposal.

## 3. ELFO Pres. Edmario's greeting and Ukrainian war !! エドマリオ地球愛友好機構会長の挨拶とウクライナ戦

Hello, my dear friends from the ELFO, ICO and BELFA FAMILY!!

I hope everyone is well, healthy and safe. Stay blessed, enlightened and safe.

I cordially and politely draft Ukraine war demand new article. My dear friends of the ELFO FAMILY, remember our goal is to maintain the peace treaty with the end of nuclear weapons and with the sanctions of transitional agreements between countries and nations.

Russian President Vladimir Putin said this Thursday (13) that Ukraine's accession to the North Atlantic Treaty Organization (NATO) could exacerbate international tensions. "I am convinced that this will not improve Ukraine's security and, in general, will make the world more vulnerable and provoke additional tensions on the international stage," said the Russian president. The phrase was a response to the rapprochement of the transatlantic military alliance with the former Soviet

republic.

NATO said it would invite Ukraine. Earlier this week, there was a meeting of the leaders of the countries that are part of NATO in Vilnius, Lithuania. There the 31 members said that Ukraine would join NATO at some point, but they did not define when membership would take effect.

According to Jens Stoltenberg, NATO secretary general, the invitation for Ukraine to join the group will be given "when the allies agree that there are conditions for it". That is, it will not be while there is a war in the country. First, he considered, it is necessary to secure victory against Russia.

'Wagner Group simply doesn't exist': Putin invited mercenaries to join Russia's army after rebellion.

The president of Ukraine, Volodymyr Zelensky, did not like the lack of definition and criticized NATO's intentions: "Vague words about 'conditions' are added even to invite Ukraine. It seems that there is no willingness either to invite Ukraine to NATO or to make it a member of the alliance," said the president.

Attacks against Ukraine. Russia launched air strikes for the third consecutive night on Thursday. Kiev Mayor Vitali Klitschko announced that a person's body had been found after a fire broke out in a residential building, but did not link the flames to the Russian attack. The Ukrainians claimed they managed to block part of the Russian attacks by shooting down 20 Russian strike drones and two cruise missiles overnight.

#### 4. Continuation of election of ICO PRES. of 3 HEADS !! 国際調停機構 3 頭会長の選挙の継続、まだ手続が未完 Appearance of more candidates wanted もっと会長候補が出現されたし

Ukrainian war is becoming more serious and terrible, but though there are 3 candidates for PRESIDENT of 3 HEADS, they haven't completed the procedure yet. They must present their Political Opinion (Promise), Oath, and answer to questions in an Open Forum. All of them have not replied their answers in the Open Forum. and again I ask them to reply ASAP at least to the questions posed by Hon.Pres.Rikio. I talked with Hon.Pres.Rikio, who said that there are some reasons why Open Forum is necessary:

- ① The ICO is not a place of play, but for serious entity which influences life or death of human beings, so candidates must respect rules adopted unanimously by the ICO GA.
- ② It is clear only expression of one's intention to be ICO President is not enough for being ICO President. Dr. Leo Rebello announced only his wish to be President of 2023-2025.

- ③ It is also clear that candidates' Political Opinion (Promise) and Oath are also not enough for being elected ICO President. It is possible that their Political Opinion may be unfair, unsuitable to conciliation, so electors want to discuss with them.
- ④ Through Open Forum electoral members can hear candidates's opinion more in detail, and choose more accurately in accordance with one's thought.

## 5. Open Forum for Candidates for ICO Presidents!!

### 国際調停機構の会長候補の公開フォーラム

In order to win election of President of the ICO, and to allot well them as 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> President, these candidates must answer Hon. Pres. Rikio's and other members' questions, elaborating their policy. Not waiting for Dr. Leo Rebello's presentation of his Political Opinion and Oath, Mr. Rikio declared commencement of the Open Forum. Any member may pose them wishes and questions. Followings are Mr. Rikio's questions. Dear IELFA Pres. Leo Rebell, ELFO Pres. Edmario and Dear Dip. Donaldo Turcidas, will you please comment or answer the following his questions?

1. What are urgent steps for the ICO to do now?
2. What are some of important points of middle and long term?
3. Are you thinking of new items or ideas to be proposed to conflicting States?
4. How to invite States of neutral States to join us or to cooperate with us?
5. How about trying to show a draft peace treaty to Russia and Ukraine?
6. Can you keep good communication among 3 Presidents?

## 4. Recommend oneself as a Candidate for OJTAC President!!

Let's strengthen the OJTAC for settling [Indo-Nepali border conflict](#)

### 印度ネパール間の国境紛争解決のために、判事候補になられたし!!

**Article 2 of The Rules of One Judge Territorial Arbitration Court** stipulates, among others, as follows:

*When President gets into difficulties and cannot engage on the business of the Court, the GA shall elect immediately a new President from among an ELFO Commission of International Law with a majority vote of nine tenth. If the majority vote does not reach the aforesaid level, a contesting party may withdraw from the Court.*

]

The other day Hon.Pres. proposed to the ELFO GA (General Assembly) that **some candidates be nominated in advance by the ELFO GA** because in this case the contesting parties to the border conflicts feel assured of continuity of the process. I decided the adoption of his proposal as there was no objection.

**Dear ELFO International Jurists**, please recommend yourself as a candidate for President of the OJTAC. You know, territorial problems are the most oftenest cases in international law. The OJTAC is one of the best places where you can learn international law practically and theoretically on territorial border conflicts.

Dear Hope Watanabe and ELFO jurists, please try to invite many jurists of international law, especially who are studying international law on border conflicts. I expect that ELFO jurists act more positively, not waiting for our instruction.

#### 4. Tanzanian Earth-Loving Friendly Association to be created

設立されるべきタンザニア地球愛友好協会、ジョン会長が規約作成で奮闘中

Pres. Amb. John Felix (pic.), who was elected as Pres. of the TELFA (Tanzanian Earth-Loving Friendly Association), is making great efforts to draft the TELFA Constitution. Today he sent it to me, which you can see in an attachment. One of its conspicuous characters is that it is not a typical pattern of national Constitution which you have seen up to the present time.

#### Dear TELFA Pres. Amb. John

If you continue to be **passionate**, I suppose you can be the first runner not only in Africa, but also around the world. Maybe, one of the next important works will be to create **Tanzanian Earth-Loving Company (TELC)**. There are already several national ELFA (Earth-Loving Friendly Association), but none of them succeeded in establishing its national ELC (Earth-Loving Company) though in Japan Mr. Rikio Kaneko had created his ELC before establishing our ELFO.

[Irina Kaneko](#) Dear John, I'm fine, thanks. I want to do promptly, but I am very busy now. Anyway there was no competitor, so the ELFO GA will recognize you as President of TELFA soon!

Congratulation!!

[JOHN FELIX](#) Dear Irina. Thanks for your response. I have started meeting (right pic.) with people about TELFA. Thanks.

[Irina Kaneko](#) 🙌👉👎😊😊 Wow!! It's a bright light!! Not only your friends, but also all the ELFO members will be glad to see a hope in these dark days!! Hon. Pres.Rikio is very very glad at good start.

## 2. Let's help ELFO Pres. Edmario in danger!

2 days ago (JUN 1, 2023) Mr. Edmario Peixinho sent to Hon.Pres, Rikio the following message, telling dangerous situation around him:

*Hello my dear respected friend Mr. Rikio Kaneko. I really need to get out of the favela where I live. My family is being threatened with death due to political issues and Scientific. There are very dangerous elements here in the favela who discovered my secrets as an ambassador. My information was leaked via social media. It is very serious information.*

This is not the first case: sometimes he sent me such message. And then I answered him as follows:

*Oh, Edmario, it's a serious problem. But you can change this unhappiness into good chance to change your life. I'll ask Ms. Erica to help you with movement to new apartment and investment for ENB business. I'll show you my message to her later.*

The following is my 2nd message to her. She is Edmario's most reliable banker, so that I asked her to help him:

Dear Ms. Erica

How are you? This is ELFO Hon. Pres. Rikio Kaneko. You know already Mr. Edmario's very dangerous situation. I am very happy if you can help him move to a new apartment and begin a new economic activity. One of my ideas of encouraging him to begin a new business is management of apartment where he will live and where he can engage in BNB business. Will you talk with him about it? On the other hand, I'll ask our ELFO members to help him.

## Investment in BNB business and Earth-Loving Company

Dear Edmario, first of all, I want to listen to your opinion and readiness to engage in the BNB business. You must try to find an apartment, a mansion, or a hotel where your family live and where you will work as a BNB business manager.

Dear Banker Ms. Erica, can you help him as I suggested or whatever other ways? As a specialist please send me your opinion about this case. If you and Edmario are willing to go ahead along this way, I want to ask ELFO members to promote this plan. One of the ways for helping ELFO Pres. Edmario, on the one hand, and promoting ELFO in general, on the other hand, may be to create the **BELC (Brazilian Earth-Loving Company)** which will manage the said apartment or a hotel.

Dear Dr. Tamara Alqolaghassi, how are you? Please read our correspondence. I am happy, if you can show some good idea for helping our ELFO Pres. Edmario create the above-mentioned BELC. At present time my ELC (Earth-Loving Company) in Sapporo is only one existing enterprise around the world. Let's try to establish the 2<sup>nd</sup> ELC in Brazil, asking all the ELFO members. It will be very good example for activating ELFO's economic activities. Japanese proverb says, "Turn a misfortune into a blessing!!"

After time limit of June 15, 2023, he sent me the following Oath and Political Opinion:

### **Oath**

As a candidate for PRESIDENT of 3 HEADS I make an oath with due solemnity that I will perform sincerely such roles as stipulated by rules on always and only in behalf of the implementation of a better life for the world

based on equity , human rights all in behalf the development and a better life of the people in the world . President.

## Political Opinion

HERE MY POLITICAL OPINION,

Born to Die Hard,

Without a doubt, this is what everyone reasonable feels, I frankly think that we are losing certain essential and fundamental human values for an effective and serene peace, our ambition goes beyond the true cause in exchange for interest and or political values, we forget to remember that what moves us is the human cause and its values, priorities, etc.

We exchange poles in the face of shame that no longer matters. One doesn't think either with the soul or with the spirit, in short, human sensitivity and interest and the desire to see some problems solved, some that only require a minimum of will and attention, that the solution is just around the corner. view, clear and with the naked eye. but we do not prefer to opt for the least indicated path and by doing so we achieve ambitious victories that satisfy the minority to the detriment of the overwhelming majority that cries every day for a light that does not arrive, a majority that no longer differs night from day because they already live in darkness that under the burning sun by day and the unbearable cold, where the skin glued to the bones is exposed to the five aspects of death, horrible wars, heat, cold and hunger and thirst where for those who are born without any prospect of knowing dignity, integrity, the right life destiny is just one, to die, not counting the days where awakening resides in a simple question, WHY?. living in a world where the only plausible communication you can have is between cries and screams of pain and despair between flies sucking skin extracts and vultures waiting for the moment to party where the feast is us humans delivered by ourselves to the destiny of unjust disgrace irrational perpetrated by those who think they can change the world and they can! to the end.

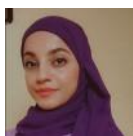

These are the consequences of contemporary knowledge of illicit and irrational politics.

## 2. Division of Functions among 3 Presidents of the ICO ICO の 3 会長間の任務分担は、ELFO 3 会長間と同様

There are 3 candidates for PRESIDENT of 3 HEADs. Regarding these matters, ICO Pres. Rikio proposed to the ICO GA to adopt his following draft Rules on them. The Rules are almost the same with ELFO Rules on Presidents and their Staffs (<http://mopw.org/rules%20on%20presidents%20230204.pdf>)

As there was no objection to Pres. Rikio's proposal, I decide that today it was adopted by the ICO GA unanimously as follows, (provided that Article 2 should be embodied) :

### The draft Rules on ICO Presidents and their concerning staffs

Considering that in our ELFO FAMIY there are already many kinds of Presidents, and that in future there will appear more and more Presidents in our FAMILY, now regarding our International Conciliation Organization (ICO) it is necessary to elaborate rules concerning its Hon. President, Presidents, Acting

Presidents, Vice-Presidents, Advisors, Consultants, Assitants, Chairperson of the General Assembly, and Election Administration Committee etc.

Present Rules on Presidents and their concerning staffs are results of our wishes to develop the ELFO FAMILY more friendly, harmoniously and effectively without bureaucratic color by dividing many complex functions among competent collaborators willing actually to contribute to making our Planet better.

## Chapter 1. General Rules

Article 1. At any time and in any place any ICO member may suggest one's idea to develop the ICO for promoting friendship and peace among nations, and may announce one's willingness to be ICO President, Acting President, a Vice-President, or other important staff.

Article 2. XXXXX

## Chapter 2. Hon. President of the ELFO

Article 3. President, who was recognized by the ICO GA as having rendered great contribution in the development of the ICO, may be Hon. President of the ICO.

Article 4. There may be 2 kinds of Hon. President. The 1<sup>st</sup> category of the Hon. President may continue to have its former competence to act when incumbent President or other staffs cannot realize one's functions as is expected, while the 2<sup>nd</sup> category of Hon. President has not, in principle, such rights and any duties.

Article 5. So far as new members invited by Hon. President are concerned, the latter may suggest the post (status) of the formers, provided that President will appoint them officially. In case of absence of the said official appointment, these new members are regarded as having the post suggested by Hon. President.

Article 6. Hon. Presidents of both categories may continue to have right of vote provided for in ELFO Charter, Article 8. Hon. Presidents are regarded as a member of the ELFO FAMILY even after their retirement without membership fee.

*The said Article 8 reads: So long as a member does not express yes or no, his or her Representative shall be regarded a mandatory, and his or her yes or no shall also regarded as the same with that of Representative.*

Article 7. Hon. President of both categories may, rather are expected to, invite many VIPs, Dignities, Diplomats and other personalities to join our ELFO FAMILY, and remuneration will be paid to them alike as to other members **in accordance with rules**.

## Chapter 3. Presidents and Vice-Presidents of the central ICO

Article 8. Incumbent President and Vice-President will continue to remain as present position so long as new President and a Vice-President do not appear and, even if new President is elected, are not recognized by incumbent President by Certificate.

Article 9. If only one member recommends oneself as a candidate for President, presents an oath that he will actually perform one's roles expected by our ELFO FAMILY, and joins an open forum conducted by ICO President, the person will be regarded as having won the election. In the open forum former President, Hon. President and other members may participate.

Article 10. If no member stands as a candidate for the vacant seats, 2<sup>nd</sup> prolonged election will be conducted in 21 days after the scheduled 1<sup>st</sup> election.

Article 11. In 2<sup>nd</sup> prolonged election any suitable member may be candidate for them, declaring oath that he will actually perform his roles expected by ICO. In the open forum former President, Hon. President and other members may participate.

Article 12. Plural members may declare one's candidacy for Presidents, provided that they will announce their political opinion and join an open forum conducted by ICO President. Such a candidate may be regarded as elected automatically if there does not appear an opponent candidate.

Article 13. Under system of PRESIDENT of 3 HEADS, 2<sup>nd</sup> and 3<sup>rd</sup> Presidents have rights of appointment of their Acting Presidents, Advisors, Consultants and Assistants, and staffs of their subsidiary organs. All the other staffs shall be appointed by 1<sup>st</sup> President, with reservation of Article 5.

## Chapter 4. Presidents' Functions under PRESIDENT of 3 HEADS

Article 14. The 3 Presidents shall respect the following rules:

a. They shall pay attention to friendly cooperation and harmonious division of works among them under 1st President's leadership, if it is impossible, under 2nd President's leadership;

b. They shall keep good communication among them, and if any of them cannot answer the other President, his or her Acting President or an assistant shall answer provisionally; and

c. President may, in his or her own judgement, may announce President's Declaration or Statement, while both the 2nd President and the 3rd President may, with President's or GA's approval, make a Declaration in its name.

*ELFO Charter, Article 22 stipulates that "President may, in his or her own judgement, may announce President's Declaration, while each Head of the primary organs may, with President's approval, make a declaration in its name." In the aforementioned paragraph (c) you notice 'or GAs' which allows the 2nd and the 3rd President to propose to the GA adoption of their Declaration if the 1st President did not agree to it.*

Article 15. The 1st President under system of PRESIDENT of 3 HEADS may have such general functions as provided for in the ICO Charter, provided that the 2nd and the 3rd

Presidents have the functions laid down in the present Rules, Article 16 and Article 17 respectively. **One of the standard dividing 2nd President's and 3rd President's functions is necessity of external correspondence and unnecessariness of external correspondence.** The former matters belong to functions of 2nd President, while the latter matters belong to the 3rd President.

Article 16. 2nd President has, among others, the following functions:

- a. to invite many kinds of persons to join our ICO, namely; a State, a present and former Head of State, a present and former Diplomat, an Autonomy (Self-Governing Community), an domestic and international Organization, and many kinds of natural persons;

*This rule reflects present weak solidarity among members of NELFAs.*

## 4. Peace as “the tranquility of order”--- E.P.

### 「秩序の静寂」としての平和　ーエドマリオ会長の寄稿

Hello Mr. Rikio kaneko and all the brothers from ELFA, BELFA and ICO.

I draw up the blunt terms of readable responsibilities that I will be willing to assume the presidency of the ICO as the new president.

However, at this moment I am in need of support from the Brazilians at BELFA to sponsor an editorial department.

I need a team that believes in my dreams and in the dreams of every brother diplomat, celebrity, artist and personality of ELFA and ICO with the end of nuclear weapons in the world and with the sanctions decree of world peace.

They want for themselves and for the world, and most will certainly answer: peace! Saint Augustine already stated that it was “such a noble good that, even among mortal and earthly things, there is nothing more pleasing to the ear, nor sweeter to desire, nor superior in excellence”.

However, especially in the last century, the desire for peace has increased so much that it has taken on different contours.

Longed for but not achieved. The two world wars left profound consequences on men, due to their violence and capacity for destruction. As if that were not enough, the most terrible of them ended in 1945, Soviet communism continued to frighten many Slavic and Eastern peoples, and the world witnessed new confrontations, especially in Asia and Africa.

In the period known as the Cold War, despite the apparent absence of a formal clash, the United States and the Soviet Union fought an arms race that pointed to, sooner or later, a nuclear conflict of drastic proportions. Something similar happened on the threshold of the third millennium, with the appearance of terrorism on a large scale.

It is not surprising, therefore, that the ideal of peace emerged as a goal to be achieved among men, tired of blood, death and destruction. What response could the world make to such calamities? Treaties, agreements between States and meetings of the greatest powers on earth, with the commitment to preserve peace, were and continue to be carried out.

These efforts brought, in addition to encouraging promise, a crucial question: would the expected results be achieved? Or were they vain attempts to realize a chimera? Not long after these events began, people like the renowned Dominican theologian Fr. Victorino Rodríguez would already give a negative answer to such questions: “The UN was constituted to guarantee peace among nations. The year 1986 was proclaimed the International Year of Peace. However, the desired peace is not achieved: neither the Messianic peace in which the Gospel germinated, nor the Octavian peace in which Law developed; nor when the dissuasive power of nuclear defense seemed enough for men to stop waging or fomenting war”.

Such was the world's concern that they gave peace even new meanings, far from the truth. In the 1960s, for example, the hippie movement echoed its best-known motto: “peace and love”. Skillfully manipulated, this slogan made us believe that its achievement consisted in the pure absence of war and the full satisfaction of carnal pleasures.

Faced with this situation, we must ask: after all, how to understand true harmony? How to conquer it? God Our Lord said: “Peace I leave with you, my peace I give you. I do not give it to you as the world gives” (Jn 14, 27). What is the peace that Christ gives us that the world cannot offer?

Peace, tranquility and order

Saint Augustine defines peace as “the tranquility of order”.

These two elements combine very closely. Strictly speaking, the two are so linked that they are practically inseparable; if dissociated, they tend to become a caricature of themselves.

2. *The IELFA wishes that not only Indian, but also Nepali Governments welcome good will of the OJTAC (One Judge Territorial Arbitration Court) which is innovative bright light.*

As Election Administrator I propose that the GA will review it as follows:

9. **To widen personal sphere of Candidates** because it is possible that in future some candidates also do not go through due formalities. So besides the above 3 Candidates any ICO member may recommend oneself or other as a candidate for ICO President by **June 25, 2023**.
10. **To announce one's Political Opinion (Promise to ICO members)** because it is impossible to imagine that a candidate be President without uttering one's important policy on the ICO and world situation. ## 2. Proposal on OJTAC to India and Nepal!!

### 印度とネパールに一人判事領土仲裁裁判所へ付託提案

As there were many "Yes" votes and no objection to the ELFO Hon. Pres. Rikio's proposal below - mentioned, today I decide its adoption by the GA (General Assembly) of the ELFO and the ICO. This proposal will be sent to Indian and Nepali Governments:

We, co-senders of present Proposal have honor to introduce us. The one is Hon. Prof. of Sapporo University Rikio Kaneko and President of the OJTAC (One Judge Territorial Arbitration Court), the 2<sup>nd</sup> is a Brazilian Edmario Peixinho, President of the ELFO (Earth-Loving Friendly Organization), and the 3<sup>rd</sup> is ~~XXXXX~~, Pres. of the ICO (International Conciliation Organization).

We are pleased that Indian nor Nepali Government, regarding their border conflict, was not against our 1<sup>st</sup> Proposal (April 15, 2023) that if both conflicting Sates want our ICO to conciliate between India and Nepal, the ICO will do it with pleasure.

(Please see <http://mopw.org/indian%20n%20nepali%20tops%20230415.pdf>)

The General Assemblies (GA) of the ELFO and the ICO, however, deliberated this matter again, and judged that possibly not only Nepali Government, but also Indian would be interested in our conciliation or arbitration, and that Conclusion by conciliation with great efforts and long term is not binding upon conflicting parties, while award by arbitration is obligatory upon them, so that trial of arbitration seems to be more significant than conciliation, regarding border conflict between India and Nepal.

Before we sent you the 1<sup>st</sup> Proposal, our ELFO had already prepared for the system of One Judge Territorial Arbitration Court (OJTAC) in order to settle the border conflict as early as possible, on the other hand, securing fairness and objectivity.

First of all, please see *The Rules of One Judge Territorial Arbitration Court*. You will understand that actually many jurists and dignities participate in making award, so that *Pres. Rikio Kaneko's* subjective award is precluded. Even all the ELFO members of about 1800 will have a vote *or votes, in accordance with ELFO Charter*, for correcting my award.

(See <http://mopw.org/ira.87.ga11.rules%20on%20ojtac.%20230530.pdf>.)

*Pres. Rikio says that he will try to settle this conflict within one year or at the latest 2 years.*

The most significant essence of the OJTAC lies in fresh feasibility of promoting rule of law fairly and both India and Nepal can be proud of its initiative act as pioneers in this peaceful and amicable way.

N.B. ELFO Charter adopts system of plural votes. So Hon.Pres. Rikio corrected his original proposal as shown in *rosy phrases*. If you are against it, please send me your opinion. .

### II . ELFO's readiness to let the OJTAC function

When it becomes clear that both conflicting parties or one of them is not ready to submit it its border conflicts to peaceful means other than negociation, then our ELFO GA will deliberate this matter and propose settlement by the OJTAC to Indian and Nepali Governments.

### C. Wish to Indian and Nepali Governments

In **March 25, 2023** Hon. Pres. Rikio Kaneko proposed to the GA to adopt his messages to Indian and Nepali Governments which the GA adopted, and reads as follows:

#### My dear Indian Prime Minister H.E. Mr. Narendra Modi

We, co-senders of present greeting, have honor to introduce us. The one is Hon. Prof. of Sapporo University Rikio Kaneko, President of the ICO (International Conciliation Organization) and President of the OJTAC (One Judge Territorial Arbitration Court), and the other is a Brazilian Edmario Peixinho, President of the ELFO (Earth-Loving Friendly Organization).

Both of our Organizations aspire after world peace and amity, and have made efforts to restore peace and friendship among nations concerned, including Russia and Ukraine, and this time ICO and the ELFO decided to propose to Indian and Nepali Governments to try to settle their border conflict not only by bilateral negotiation, but also by other peaceful means provided for in UN Charter, Article 33. If both conflicting States want our ICO to conciliate between India and Nepal, the ICO will do it with pleasure.

As for the ICO Charter, please see pp.4~8 in <http://mopw.org/ini.%20m.%20n4-jun7,22.pdf>

As for the OJTAC Rules <http://mopw.org/ojtac%20rules%20230220.pdf>
