Honorable Elon Musk, Special Government Employee  
Department Of Government Efficiency **DOGE**

I have honor to introduce myself as Hon. Pres. of ELFO (Earth-Loving Friendly Organization) and Hon. Pres. of Sapporo University (international law and relations), and I am pleased that, regarding problems of Russo-Ukrainian War, your moderate fundamental idea is very similar with our ELFO's conception.

(Regarding ELFO's conciliation PROPOSAL, see <http://www.mopw.org/r.%20only%20conci.%20241213.pdf>)

So that the General Assemblies of the ELFO and its child ICO (International Conciliation Organization) decided adoption of my proposal to agree to your 4 points concerning Russo-Ukrainian War:

1. Re-run referendums, supervised by the UN, in the four Ukrainian regions that Russia has declared annexed.
2. The Crimean Peninsula, which Russia annexed in 2014, would be officially Russian territory.
3. Water supplies to the Crimean peninsula would be guaranteed.
4. Ukraine would remain neutral.

As for your 4<sup>th</sup> point of Ukrainian neutrality, both General Assemblies of the ELFO and the ICO are based on the deep insight of multilateral aspects in history, and proposed Permanent Neutralization of Ukraine not only to belligerent Russia and Ukraine, but also to the whole world. (See <http://www.mopw.org/r.%20only%20conci.%20241213.pdf>)

It is possible that you have not read yet ELFO FAMILY's PROPOSALs sent to Russian Pres. V. Putin, Ukrainian Pres. Zelensky, the USA Pres. D. Trump, and the UN Secretary-General Antonio Guterres. So, will you please see them?:

2<sup>nd</sup> PRPOSAL seen in the URL: <http://www.mopw.org/r.%20364-proposal%20n2-.250120.pdf>

In the latter PROPOZAL you notice the following phrases:

*We the ELFO decided, for the purpose of cherishing Hopes and Lights and strengthening peace and friendship among nations, to promote in Ukraine after war a project of PELPPA (Palace of Earth-Loving Permanent Peace and Amity). The PELPPA is related with a treaty of Permanent neutralization of Ukraine. (<http://www.mopw.org/uk-loanee-n2-241125.pdf>).*

*The project of the PELPPA was our present for Ukrainians of that ending 2024 year. In the PROPOSAL of the last year we promised: "For Russians, Americans, and the United Nations our ELFO FAMILY will send a present respectively at Happy New Year of 2025." Here you see our present in the following URL:*

*For Russians: (<http://www.mopw.org/ru-loanee-n1-250111.pdf>)*

*For Americans: (<http://www.mopw.org/usa-loanee-n1-250111.pdf>)*

*For the United Nations: (<http://www.mopw.org/un-loanee-n1-250110.pdf>)*

Dear Mr. Elon Musk, our ELFO FAMILY will be very glad if you can personally be one of the great Enterprisers or Cooperators (investors, bankers etc.) in our project of creating the PELPAs (Palace of Earth-Loving Peace and Amity) around the world where it is possible. The most practical on-going projects are, among others, those in Brazil and in Japan.

*For the SPELPA in Brazil: (<http://www.mopw.org/ed-loanee-n32-250106.pdf>)*

*For the PELPA in Japan: (<http://www.mopw.org/ri-loanee-n12-241027.pdf>)*

All the ELFO FAMILY will feel happy and very lucky this year if you and our FAMILY can cooperate together with each other in the said political economic field for peace and amity, uniting hearts of people around the world.
