Summary of the 10th ELFO GA

10th GA: August 1, 2022 ~January 31, 2023

I wanted to summarize the 9th and 10th ELFO GA (General Assembly) at the end of last year in vain because I was very very busy with my proper work and many many tasks of our ELFO and the ICO without remuneration. Anyway now I'll try to summarize the 10th GA, and please feel free to tell me anything about it.

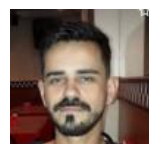

1. ELECTION of Presidents of ELFO MAMILY 会長選挙

1) "Rules on Presidents and their concerning staffs" was adopted in JAN 19, 2023 as there was no objection to the bill. (See at the later pages)

2) Mr. Edmario Peixinho (pic.) a candidate for Acting President of the ELFO. Brazilian Pres. of the BELFA (Brazilian Earth-Loving Friendly

Association) is ready to sit as having the status of Acting President of the ELFO.

In JAN 26, 2023 he sent me a message that he was ready to be the 1st President.

3) A new ELFO President is expected to appear ASAP. Hon. Pres. Rikio Kaneko says that due to the long absence of 1st Pres. Ahmed EL-Shaarawy's communication with ELFO leaders and members, ELFO should conduct election of new Pres. as soon as possible.

4) Candidates for Presidents. At present time there appeared **3 candidates for President of national ELFA** (Earth-Loving Friendly Association)

1) Dr. Leo Rebello (See in the P.C. a hottest message from him, which date is JAN 16, 2023)

2) Present Brazilian President of the BELFA Edmario Peixinho

3) Nepali ex-Amb. Yuba Nath, who yesterday expressed his readiness to be Pres. of the NELFA

N.B. 1. No one has declared clearly to be a candidacy for President of the FELFA (Fijian Earth-Loving Friendly Association)

N.B. 2. As for the MELFA (Mexican Earth-Loving Friendly Association), its incumbent President Carlos Hector wants to be its Vice-President.

P.C. ===== FROM Dr. Leo Rebello =====

5) Open Forum 公開フォーラム

Rules of Presidents and their concerned staffs, Article 9 stipulates that "If only one member recommends oneself as a candidate for President or Vice-President, presents an oath that he will actually perform one's roles expected by our ELFO FAMILY, and join an open forum conducted by ELFO President, they will be regarded as having won the election. In the open forum former President, Hon. President and other members may participate."

A. An oath Please send me (Irina Karpekina, a member of the CEAC (Central Election Administration Committee) an oath as soon as possible)

B. Open forum Dear ELFO Members, please ask them questions, send them your opinion.

a. Hon.Pres. Rikio Kaneko asks candidates if they are ready to open their GA (General Assembly) as soon as possible if the given national ELFA (Earth Loving Friendly Association) has not opened; if they are ready to appoint important staffs of their ELFA, if they can decide one year plan of their ELFAs.

b. I, Irina Karpekina, ask if they try to keep good communication, sending an email at least once a week, contribute to normalize their national ELFA' finance, and invite people to join their ELFA.

2. Proposal sent to 4 times to belligerents 交戦国に調停案が4回も

Russo-Ukrainian War is the greatest unhappiness in comtemporal world together with coronavirus. It is natural that our ELFO FAMILY made the utmost efforts to conciliate between Russia and Ukraine in vain. Members of our ELFO MAMILY can understand outline of this important process of our efforts through the URL: <http://mopw.org/pr.%20n233-con-3rd%20prop..pdf>

In the aforementioned URL you see Proposal N.1, N.2 and N.3. After that in January 9, 2023 the GA of the ICO and the ELFO adopted the 4th Proposal which reads as follows:

N.B.1. My proposal on further ammendments are written with **rosy phrases**.

N.B.2. Deletion of phrases from the 4th Proposal is suggested by-horizontal line as ~~horizontal line~~.

The 4th Proposal on Conciliation between Belligerent Russia and Ukraine

~~International Conciliation Organization and Africans Wish Ceasefire and Restoration of Peace~~
Ceasefire, Neutralization of Ukraine, fair settlement territorial problems and Aid to Ukraine!!

1. We the ELFO (Earth-Loving Friendly Organization), the ICO (International Conciliation Organization), the undermentioned Africans and others welcome Russian initiative of unilateral declaration of temporal truce of 36 hours because it is a positive step toward general ceasefire and restoration of peace.

(As for elaboration of ICO's Proposal please see at p. 11 of the URL aforementioned)

2. We wish that in future Ukrainians also take a rest calmly by their top leader's declaration of truce even if it is 12 hours ceasefire, and even if it is not by negotiation, but unilateral initiative. There is no doubt that even an unilateral truce and much more a bilateral ceasefire become blessed bliss especially for soldiers and their mothers because they can enjoy temporal peace with far more stressless feeling.

3. Even if Russian step is unilateral truce of 36 hours, it is the very first step which may lead to bilateral truce and finally to general ceasefire and restoration of peace. People around world, therefore, can see a Light and a Hope, which make their heart less stressful. So that we wish that Russian and Ukrainian belligerents enter the 2nd stage for promoting truce and restoration of peace. We wish that they consider our following Proposal:

a. When in future one of the belligerents declares a unilateral truce, the other belligerent complies with, and respect, it, stopping battle, not firing.

b. When it is impossible for one of them to respect the aforementioned clause, that belligerent makes an effort to make truce at least one third of the period which the other belligerent proposed.

c. We wish that belligerents pay the utmost attention to the fact that overwhelming majority around the world aspire after **general ceasefire and peace, not war, and we think that both Russia and Ukraina should begin negotiation without conditions as soon as possible..**

4. The current Russo-Ukrainian War is not a simple restrictive relations only between the belligerents,

but it is one of the 2 greatest causes of contemporary world-wide serious distress: coronavirus and Russo-Ukrainian War, which are flying on our precious Earth hand in hand closely, influencing very bad huge impacts upon all human beings, **especially upon Africans suffering also from global warming.**

5. Africa relates so closely with Ukraine and Russia that Russo-Ukrainian War influences very badly upon Africa, among others, upon poor people. The longer continues war, the worse increase hunger and poverty there. When it becomes very difficult for Africans to import wheat from Ukraine, it will be a matter of life or death. So that here we call for solidarity among Africans, the African Union, the ELFO and the ICO. Together we will be stronger!!

6. Further we wish that both of belligerents understand more or less gigantic compromise is necessary for building peace and amity between belligerents. **The Our** ICO has already sent its concrete conciliatory Proposal and draft compromise. (See at pp.11~16 in the URL <http://mopw.org/pr.%20n233-con-3rd%20prop..pdf>)

7. Our ICO has already elucidated conception of neutralization of Ukraine. (See pp.11~13 of the above URL) **Permanent neutralization of Ukraine will be established by international treaty.** Ukraine, however, can contribute considerably to promoting negotiation for general ceasefire and restoration of peace if it expresses unilaterally its readiness to be a permanent country.

“Such peaceful amicable way leads to ONE World, namely, World Federation where every State shall be peaceful, and of neutralized character. Permanent neutralized States or regions are forerunners of progressive peaceful process moving toward establishment of ONE World. They can be even proud of it: they are in the van of the era!!” (Ibid, p.12).

8. Fair Settlement of Territorial Problems. We the ICO, ELFO FAMILY, and the undermentioned Africans believe firmly that the ICO has made up very fair schem for settling these problems, using 3 ways, namely, diplomatic negotiation, conciliation, and judicial settlement. So that we expect both belligerents to agree to our Proposal in this respect also as soon as possible.

We the undermentioned Africans agree to not only to the present 4th Proposal on conciliation WISHES, but also the 1st, 2nd and the 3rd fair and equitable Proposals on conciliation.

Mr. Rikio Kaneko, Hon. Prof. President of the International Conciliation Organization:

Mr. Abraham Kiseembo, the 2nd President of the ELFO, H.E. UN Ambassador;

Mr. Ajay Singh, the 3rd President of the ELFO;

3. Rules on Presidents and their concerned Staffs 会長等規則

Pres. Rikio Kaneko wrote as follows in his message:

Currently our ELFO Family has 2 international Organizations, namely: the ELFO and the ICO (International Conciliation Organization) and 6 national ELFAs (Earth-Loving Friendly Association).

The ELFO adopted a new system of PRESIDENT of 3 HEADS, but these 3 HEADs (1st Pres., 2nd Pres., and 3rd Pres.) are not accustomed to the new system, so its movement is very slow as a tortoise. They sent you only an inaugural greeting, so I am obliged to do many things for them. Sooner or later they will move faster.

One of the causes is that their functions are not clearly stipulated. So this time I and GA Chair Karpekina present jointly clauses to be added to the existing Rules on Presidents.

The old Rules on these leaders was simple ones having only 17 Article.(Click here [Rules on Pres.](#)). And GA Chair decided in [JAN 6, 2023](#) the adoption of the new Rules. But our experiences tell you that more elaboration is far better than the present Rules, so that Pres. Rikio Kaneko and GA Irina Karpekina proposed jointly to the GA the following additional phrases (*Rosy italic*) to the 2nd Rules. *Italic King's blue* is my comment, and *blue sentences* are her comment. And the GA of the ELFO and the ICO adopted the following Rules in JAN 16, 2023.

Rules on Presidents and their concerning staffs

Considering that in our ELFO FAMIY there are already many kinds of Presidents, and that in future there will appear more and more Presidents in our FAMILY, now it is necessary to elaborate rules concerning Hon. President, Presidents, Acting Presidents, Vice-Presidents, Advisors, Consultants, Assistants, Chairperson of the General Assembly, and Election Administration Committee etc.

In December 25, 2022 the General Assembly (GA) of the Earth-Loving Friendly Organization (ELFO) and the GA of the International Conciliation

Organization (ICO) adopted unanimously the “Rules on Presidents in ELFO FAMILY” as is seen in the URL: <http://mopw.org/rules%20on%20pres..pdf>

Present Rules on Presidents and their concerning staffs are results of our wishes to develop the ELFO FAMILY more friendly, harmoniously and effectively without bureaucratic color by dividing many complex functions among competent collaborators willing actually to contribute to making our FAMILY and Planet better.

Chapter 1. General Rules

Article 1. At any time and in any place any ELFO member may suggest one’s idea to develop ELFO FAMILY for promoting friendship and peace among nations, and may announce one’s willingness to be ELFO President, Acting President, a Vice-President, or other important staff.

As of JAN 10, 2023 there appeared already 2 members ready to be a candidate for the 1st President when next election will be conducted. I suppose sooner or later they will declare their candidacy.

Article 2. Present Rules may be applied, with necessary qualifications, to status of important staffs of ELFO FAMILY: namely, the ICO (International Conciliation Organization), and many national ELFA (Earth-Loving Friendly Associations) etc.

Chapter 2. Hon. President of the ELFO

Article 3. President, who was recognized by the ELFO GA as having rendered great contribution to the development of the ELFO FAMILY, may be Hon. President of the ELFO.

Article 4. There may be 2 kinds of Hon. President. The 1st category of the Hon. President may continue to have its former competence to act when incumbent President or other staffs cannot realize one’s functions as is expected, while the 2nd category of Hon. President has not, in principle, such rights and any duties.

Former ELFO Pres. Rikio Kaneko is to be recognized as the 1st category of ELFO Hon. President because he stated he would be so without any member’s objection, and his contribution to our ELFO was very great and actually he is Representative of overwhelming majority of ELFO FAMILY members. (Irina K.)

Please pay due attention to the aforementioned important rule which reads as follows: “The 1st category of the Hon. President may continue to have its former competence to act when incumbent President or other staffs cannot realize one’s functions as is expected”. Present situation seems to be at such stage. Communication between new Presidents is rare due to inconvenience of the 1st President’s very restrictive channel.

Article 5. Hon. Presidents and other members may suggest the post (status) of a new member whom they invite to join the ELFO FAMILY, provided that President will appoint him or her later officially. In case of absence of the official appointment, the new member shall be regarded as having the post suggested by the inviters.

Such procedure will lighten the Presidents’ burden considerably. Daily I, Hon. Pres. Rikio, and Irina Karpekina is succeeding in inviting Diplomats or personalities to join the ELFO with suggesting their position. See, for example:

P.S. Here is my "Present" to you for Happy New Year!! Please see an attachment at pp. 5~8. There are many vacant seats where a suitable member may sit. I am very glad if you are willing to receive my "Present" of seat of Consultant for 3rd President Ajay Singh from India. He will appoint you officially. I am looking forward to your prompt reply.

Article 6. Hon. Presidents of both categories may continue to have right of vote provided for in ELFO Charter, Article 8. Hon. Presidents are regarded as a member of the ELFO FAMILY even after their retirement without membership fee.

The Article 8 reads: So long as a member does not express yes or no, his or her Representative shall be regarded a mandatory, and his or her yes or no shall also regarded as the same with that of Representative.

Article 7. Hon. President of both categories may, rather are expected to, invite many VIPs, Dignities, Diplomats and other personalities to join our ELFO FAMILY, and remuneration will be paid to them alike as to other members in accordance with rules.

Chapter 3. Presidents and Vice-Presidents of the central ELFO

Article 8. Incumbent President and Vice-President will continue to remain as present position so long as new President and Vice-President do not appear and, even if they are elected, are not recognized by incumbent President by Certificate.

Though 3 new Presidents were elected, I (Rikio Kaneko) had not yet sent them a Certificate to that effect, so officially they were not President. Soon I sent it to them. (For example [Click here](#))

Article 9. If only one member recommends oneself as a candidate for President or Vice-President, presents an oath that he will actually perform one's roles expected by our ELFO FAMILY, and join an open forum conducted by ELFO President, they will be regarded as having won the election. In the open forum former President, Hon. President and other members may participate.

Dr. Leo Rebello and BELFA Pres. Edmario Peixinho recommended themselves as a candidate for the IELFA and the BELFA, but there was not an open forum. What shall we do?

Article 10. If no member stands as a candidate for the vacant seats, 2nd prolonged election will be conducted in 14 days after the scheduled 1st election.

Article 11. In 2nd prolonged election any suitable member may be candidate for them, declaring oath that he will actually perform his roles expected by our ELFO FAMILY. In the open forum former President, Hon. President and other members may participate.

Article 12. Plural members may declare one's candidacy for Presidents or Vice-Presidents, provided that they will announce their political opinion and join an open forum conducted by ELFO President. Such a candidate may be regarded as elected automatically if there does not appear an opponent candidate.

Article 13. Under system of PRESIDENT of 3 HEADS, 2nd and 3rd Presidents have rights of appointment of their Acting Presidents, Advisors, Consultants and Assistants, and staffs of their subsidiary organs. All the other staffs shall be appointed by 1st President, with reservation of Article 5.

Chapter 4. Presidents' Functions under PRESIDENT of 3 HEADS

Article 14. The 3 Presidents shall respect the following rules:

- a. They shall pay attention to friendly cooperation and harmonious division of works among them under 1st President's leadership, if it is impossible, under 2nd President's leadership;
- b. They shall keep good communication among them, and if any of them cannot answer the other President, his or her Acting President or an assistant shall answer provisionally; and
- c. President may, in his or her own judgement, may announce President's Declaration or Statement, while both the 2nd President and the 3rd President may, with President's **or GA's** approval, make a Declaration in its name.

ELFO Charter, Article 22 stipulates that "President may, in his or her own judgement, may announce President's Declaration, while each Head of the primary organs may, with President's approval, make a declaration in its name." In the aforementioned paragraph (c) you notice 'or GA's' which allows the 2nd and the 3rd President to propose to the GA adoption of their Declaration if the 1st President did not agree to it.

Article 15. The 1st President under system of PRESIDENT of 3 HEADS may have such general functions as provided for in the ELFO Charter, provided that the 2nd and the 3rd Presidents have the functions laid down in Article 16 and Article 17 respectively.

One of the standard dividing 2nd President's and 3rd President's functions is necessity of external correspondence and unnecessariness of external correspondence. The former matters belong to functions of 2nd President, while the latter matters belong to the 3rd President.

Article 16. 2nd President has, among others, the following functions:

- a. to invite many kinds of persons to join our ELFO FAMILY, namely; a State, a present and former Head of State, a present and former Diplomat, an Autonomy (Self-Governing Community), an domestic and international Organization, and many kinds of natural persons;
- b. to introduce a proposal (a bill) to the GA (General Assembly) after approval with the 1st President, provided that a proposal not accompanied with financial outcome may be introduced straight to the GA.
- c. to make up one year's plan to be introduced in the GA, calling for cooperation with ELFO FAMILY, provided that the 2nd President shall make up in advance its contents as clear as possible.
- d. to be present in Interstate Department, Solidarity Department, Territorial and Boundary Department, and in other Department when they deliberate very important matters.
- e. to act for 1st President while neither he or she nor Acting President cannot perform their

roles.

Article 17. 3rd President has, among others, the following functions:

- a. to keep and develop horizontal good communication among members, using emails, Zoom, Skype, Whatsapp, Twitter, making MM (Mail Magazine), conducting ZAP (Zoom Amicable Party) etc.;
- b. to create and develop national ELFA (Earth-Loving Friendly Association), helping them at the first stage by presiding 1st meeting or GA;
- c. to call for promotion of activities and development of the Principal organs of the ELFO, at the same time, hearing their wishes;
- d. to make up one year's plan, calling for cooperation with ELFO FAMILY, provided that the 3rd President shall make up in advance its contents as clear as possible;
- e. to be present in Principle organs of the ELFO when the 3rd President thinks it is good for both sides.

Chapter 5. Acting President

Article 18. Considering that almost all the Leaders of ELFO MAMILY are extremely busy with their personal affairs and social activities, each President of our ELFO FAMILY, besides that of court of justice, shall have an Acting President.

It implies that each President of national ELFA shall have his or her Acting President.

Article 19. When President does not keep good communication with ELFO members, Acting President may send info, talk with, them by one's judgement.

Article 20. Acting President may present one's ideas to ELFO members in President name with his or her consent as well as in one's own name. In the latter case Acting President may not get allowance from the President.

Article 21. Acting President may appoint ELFO members as Vice-Presidents, Advisors, Consultants, and Assistants who are to be under one's President so long as the latter does not appoint them. *(See vacant posts in attachment at pp. 2~5)*

Article 22. Acting President may promote many kinds of events in President's name with his or her consent as well as in Acting President's own name.

Article 23. When the GA judges that present Acting President's inauguration as President is far better than a given existing presidency, the Acting President may inaugurate as President immediately without Certificate provided for in Article 8.

Chapter 6. Advisors, Consultant, and Assistant

Article 23. An Advisor has a right to recommend some steps to President even if the latter does not ask the first to do so. President appoints an Advisor Section Head and its staffs.

Article 24. A Consultant has not such right as an Advisor has, and recommends some steps to President if the latter asks the former to do so. President appoints a Consultant Section Head and its staffs officially with reservation of Article 5.

Article 25. While having free time, an assistant will help President perform routine functions. President appoints an Assistant Section Head and its staffs.

Chapter 7. Chairperson of the General Assembly of the ELFA

Article 26. Chairperson may receive any member's proposal (bill) on agenda item, and in his or her judgement may decide the priority of deliberation, provided that ELFO 1st President has 1st priority in choosing the order of agenda items, shall propose the order if any.

Article 27. Not only Chairperson, but also any ELFO member may ask President to introduce proposal (bill) with elaborated contents.

Article 28. When 1st President or Acting President does not express one's wish on priority of agenda items within 24 hour from their announcement by Chairperson, their order shall go as the Chair chose. When the 1st President wishes to withdraw a matter from deliberation, he or she shall explain the situation about it.

Article 29. Regarding introduction of proposal (bill), the 1st category of Hon. President has the 2nd priority after the 1st President, provided that if the latter has not presented a concurrent agenda items, the former's proposal goes automatically. As soon as Hon. President or 1st President introduce their proposal, it shall be regarded that deliberation began even without Chair's declaration on commencement of the GA, and any member may express one's opinion.

Such simplified procedure will accelerate deliberation and early adoption of decisions. If we set up bureaucratic documental restrictions, we will loose many times in vain. See reality, now I am writing the present Draft “Rules on Presidents and their concerning staffs” without consulting the 1st President (he is not so communicative). If I asked him to review my draft, and if he did not answer me for a long time (I sent him 11 messages without his answer), what would happen? Rule-making process would be as if it were such very slow movement of that of earthworm.

Article 30. Only the 1st category of Hon. President and 1st President may send their draft agenda items directly to the concerned members, not through the Chairperson. In this case it is not necessary for Chairperson to declare the beginning of the deliberation.

You know already such an example: I'll not send specially present Draft Rules only to GA Chair Irina Karpekina, but straight to all of ELFO members including her, asking her as follow, for example:

Dear GA Chair Irina Karpekina, I ask you to decide adoption of my proposal at 20: 00 of JAN 2023 if there is no objection to it.

Article 31. Period of deliberation may be restricted, in principle, to 2 days regarding one or some agenda items if there is no objection to it or if there are only some members who are against it. If it is very urgent matter, deliberation may be restricted to 24 hours.

Such case happened recently for the first time, when it became clear that Dr. Ms. Tamara. A. told me about her sudden visit to Africa and meeting African Presidents. I asked her to hand them our 4th Proposal on conciliation between Russia and Ukraine.

Article 32. When overwhelming majority of votes are “Yes”, it is not necessary for a Chairperson to announce the number of “Yes” votes.

Almost every day a new face or faces join our central ELFO FAMILY or national local ELFA (Earth-Loving Friendly Association). It is actually impossible to ascertain exact number of our members at the time of adoption of a given decision.

Article 33. The minutes of each General Assembly shall be certified by the 1st President, provided that the latter may not certify each decision on each agenda of the former, **may certify** only the final summery minutes of each General Assembly.

If we taked bureaucratic step that each decision on agenda item shall be certified at the time of its adoption, rule-making process would very slow as an earthworm.

Article 34. The minutes of each General Assembly shall be opened on its web-site.

Chapter 8. Election Administration Commission

Article 35. Election may be conducted by Internet, Fax, email etc.

Article 36. A Central Election Administration Committee (CEAC) may be composed of 2 members which shall be recognized by the GA. A National Election Administration Committee (NEAC) also may be composed of 2 members which shall be recognized by the GA of its NELFA.

Article 37. GA's decision is prior to CEAC's.

See present situation, for example. Some members became Presidents, but though at the 2nd election Dr. Leo Rebello is a candidate, its 2nd election is not running. I suppose the GA's new decision would better than the CEAC's because it is more authoritative and fast way.

Article 38. President of a national ELFA may ask the Central Election Administration Committee (CEAC) to administer its national election without its national as a member of the CEAC, or may ask to add his or her national to the CEAC.

This rule reflects present week solidarity among members of NELFAs. Some of NELFAs have not organizational force even to create one's national EAC.

Article 39. When an elected person's winning is perfectly clear, it is not necessary for the CEAC or NEAC to totalize all the votes in accordance with the category of votes.

For example, when only a few was against a candidate, while overwhelming members voted for the candidate.

Chapter 9. Final Rules

Article 40. These 'Rules on Presidents and their concerning staffs' shall be effective at the date of January 16, 2023, shall be opened on our web-site.

4. Invitation to join the ELFO エルフォ入会勧誘

Dear Vice Rector Prof. Erry Yulian Triblas Adesta Thank you so much for your interest in our ELFO (Earth-Loving Friendship Organization) !!

I am happy if we can work together to make our Planet better. There are some choices which may be interesting for you or your University:

A. == Councils == Our Earth-Loving Friendly Organization is so inclusive that there are many Principal organs. You can belong to some of them below mentioned: A Solidarity Council, a Religion and Ethics Council; a Council of Peace, a Council of Friendship, (omission)

B. == Conference or symposium == To open in your University some kind world-wide or regional conference or symposium is very interesting and significant not only for your University, but also for your nation. World Dignities and Personalities of our ELFO will cooperate with you.

C. == Earth-Loving Friendship Universities == ELFO decided to establish ELFUs (Earth-Loving-Friendship Universities) and their forerunners ELFAs (Earth-Loving Friendship Academies) in any places where we can do. (<http://opw.org/elfa-210216.pdf>)

D. == Russo-Ukrainian War == If possible, we expect that your University will contribute to ceasefire and peace between Russia-Ukrainian: Our ELFO created an epoch-making ICO (International Conciliation Organization) of general character. You or your University may be a member of this ICO, open symposium concerning the conciliation or go to the belligerents. Conciliation may be conducted by Zoom, TV or other Internet system. It goes without saying that to show conciliation dialogue to your students and Professors with TV Companies is very interesting and significant not only for your University, but also for your nation. World Dignities and Personalities of our ELFO will cooperate with you. Even if our ICO conducts Zoom conciliation in Sapporo, Japan, Professors and students of your University can see the dialogue among belligerent Russia, Ukraine and our ICO if your University becomes a member of our ELFO. Concrete project will be realized by agreement between your University and our ICO. (See <http://mopw.org/pr.%20m.%20n171-net.con-matters-truce.pdf>)

E. ==ELAC (Earth-Loving Amicable Court) == It is a unique principal permanent organ of our ELFO, which is contributing to establish rule of law around the world, supplementing weak aspects of existing

international judicial system. The ELAC will amicably help conflicting parties settle their difference when it is very difficult for them to solve it by themselves, and when there is an agreement on submission of their conflict to the ELAC. For further info please see the URL: <http://mopw.org/elac-n8-2012.pdf>

F. == ZAP (Zoom Amicable Party) == Every weekend we are opening joyful easy-going ZAP (Zoom Amicable Party), talking, introducing oneself, singing, making short speech if you like. Usually President gives a short lecture, and our member professional sings sometimes Japanese songs. Please see an invitational message (attachment). Up to present time we opened it in Sapporo, but your University or students may open such kind of the ZAP with their necessary qualification. There is no doubt that such international initiative will not only heighten the authority of your University, but also very significant from educational view point. For further info please see the below-mentioned URLs. From the bottom of my heart, I expect that you or your University will be a forerunner of the 21 century,

P.S. Annual membership fee: at p.5~6 of URL: <http://mopw.org/e-economic-sc.pdf> When a university wants to use our info also for Professors and/or students, it will pay organizational annual membership fee 5 times more than that of one President or one Rector. (Decision SEP 20, 2022)

Dear Vice Rector. Indonesia is of comparatively neutral character. I will be very pleased if your university are ready to cooperate with our ICO (International Conciliation Organization). I am looking forward to your Prompt reply.

Prof. Erry Yulian Triblas Adesta, PhD sent to Irina Karpekina the following message:

Dear Irina. It is in our constitution and our obligation that we are to be neutral, non-aligned nation and to keep the world in peace. Anything that makes the world at peace should be supported. (He/She 2)

We will march with faith and HOPEs Along the Earth-Loving-Amicable Way, Singing Earth-Loving Songs as Compass!

In our journey of life there are many important points, which are admired in our songs as **Earth-Loving Flowers**. It is why we feel ourselves satisfied with them, filled with essential treasures of life when we sing them. So **everyday**, chatting, we may learn ELFO FAMILY, sing Earth-Loving Songs, learn elementary languages in the CLACL (Culture, Language and Amicable Chatting Lesson), which I preside for the time being. (One of the basic melody of **Earth-Loving Songs** is demonstrated in N.4 of Youtube <http://mopw.org/You%20Tube.html>)

CLACL (Culture, Language, and Amicable Chatting Lesson)

Let's open CLACL by members and for members, which may be free or paid, of easy-going character, so in which we may also chat or talk. If members want give or receive such lessons or place, please send a message in advance to me or Secretary-General Irina Karpekina. **I will give free lessons of Earth-Loving Songs and Japanese language** (elementary Japanese conversation). The difference between the ZAP and the CLACL is clear. The former is a party where you can drink, the latter is a kind of lesson where it is prohibited to drink spirits, for example.

Everyday Any ELFO Member Can Talk With Me & With other members also by this CLACL line net

ELFO Pres. Hon.Prof. Rikio Kaneko's CLALC

My CLALC is the most resilient, easy-going, **the contents of which may be depend upon the situation of a given day**. Usually I want to teach mainly Earth-Loving Songs and elementary Japanese language, but, for example, when a serious happening becomes a matter of participants' interest, or members want to use this CLALC, it may be conversed to it partly or wholly. My CLACL will be a good place for communication among ELFO members. Such resilient CLACLE of mine goes this month as follows:

===== Schedule of CLACL for example, Dec.5~16 =====

12. Another Earth-Loving Song for unhappy people

I wrote another song this time for unhappy persons who left this world unfortunately. My dearest younger brother Yoshio Kaneko (75 y. pic.) passed away this year in summer in June 5th, and ELFO GA Chair Irina's mother Nina (83 y.) recently in September 18th. I hear members' and non-members' sorrowful news almost every day.

Some commit suicide, while many people are killed. In the USA 19,500 persons were

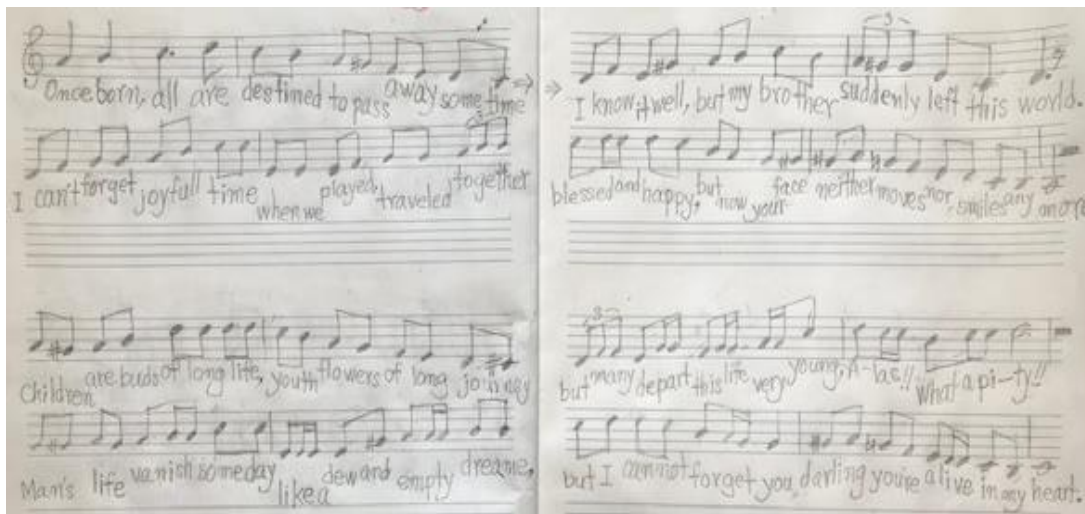

killed by gun violence in 2020 (53 persons a day). This year they are afraid that more victims appear. We can imagine how pitiful and painful those mothers are whose sons died in battle fields. War victims in Russo-Ukrainian War may be considerable number. In Oct. 29, 2022 Ukrainian military announced that Russian war deaths were over 70,000. Ukrainian war deaths must also be not a little. I composed my song, thinking of those unfortunate persons:

Once born, all are destined to pass away some time.

I know it well, but my brother suddenly left this world.

*I can't forget joyfull time when we played, traveled together,
blessed and happy, but now your face neither moves nor smiles any more!*

Contest of Art Works (芸術作品コンテスト)

Time limit for Contest of Art was SEP 31, 2022, but no one tried to present it to the examining committee though I tried to send the aforementioned elegy to the time limit in vain. I ask Hector Carlos to present his plan on the Contest of Art Works as soon as possible
