# A Social Housing Project

With massive land rich in petroleum as security

In July 3, 2024 UN Amb. Kisembo sent me the following message  
(colored phrases are by me):

*Dear President Rikio Kaneko and the entire ELFO leadership team.*

*I am writing to appreciate you for the work you are doing to take our ELFO to the next level.*

*I personally no longer need the 20,000\$ loan as I had earlier indicated.  
Kindly pass on the opportunity to another member.*

*Kindly allow me to present to you a social housing project which has received approval by the Democratic Republic of Congo Government with a government letter of comfort attached to this email. There's need for funding of this project which I believe if taken up by ELFO as the developer and financier through ELFO connections, ELFO will be able to earn revenue from it at least for 25 years.*

*Attached please see the project plan and Government letter of Comfort indicating massive land rich in petroleum as security.*

*Ambassador Kisembo Abraham

# How about 500, 000 \$ ?

Up to present time some Loanees want 500, 000 \$. And how about 50,000 or 500,000 US \$ instead of 20,000 \$? For example, the first choice of the total loan 50 US \$ will be composed of 20, 000 \$ of your private project and 30, 000 \$ for project of more public character.

In the case of 500,000 & it will be composed of your above projects of 20,000 \$ and 480,000 \$ for project of more public character where autonomy may be a party to your MOU.

**I wish such big project promote cooperation among our members of ELFO FAMILY**

*Oh, dear Asiimwe Bridget!! So long I can remember, you are the 3rd Diplomat who used expression 'Beautiful' as for Interstate Department or our Organization. You know, not only flowers, but also an Organization can be "Beautiful". Dear Asiimwe, thank you so much, for your sharing with us!! Then we want to enroll you as our member. All our member welcome you, and you will often receive our interesting message . According to the ELFO rule, I am your Representative, so if you don't express your opinion in an ELFO organ (for example, in the General Assembly or some organ), your opinion will be regarded as the same of mine, and if I don't express my opinion, it is regarded as the same with our President Rikio Kaneko, because he is my Representative: he invited me to join the ELFO.
