My Dearest Precious ELFO FAMILY

I am very pleased and convinced that our members' economic cooperation within ELFO FAMILY will have very good influence not only upon our own prospect and ELFO's future in general, but also conducive toward world peace and amity. So that I want to promote further my ideas and projects of Palaces on the basis of mutual understanding and for interest of all humanity.

My idea of a project of establishing a Palace of Earth-Loving Amity in Portugal (PELAP) is very dynamic, world-wide, comprehensive and significant.

I wish our cooperation will be a good example for stimulating other ELFO members' activities. Therefore, as a rule, I would like to open our correspondence so that they might know also our and their steps, and how for them and us to go ahead well.

One of the characteristics of our project of Portuguese Palace will be cooperation with many peoples of members of ELFO FAMILY as well as non-members.

Secondly, I wish that our project of Portuguese Palace will be conducive toward peace, amity, and multi-cultural understanding for one large inclusive blessed World Family!

Rikio's Draft MOU on Project of Portuguese Palace

In September 1, 2024, I presented the 1st draft MOU (Memorandum Of Understanding) on Project of the PELA in Sapporo, and continued the drafting work, asking the GA of both the ELFO and OELO to recognize my 4th Draft MOU on PELA in Sapporo and additional rules thereafter. Present draft on Portuguese Palace is based on the said 4th Draft and additional rules.

(Italic is my comment.)

Memorandum Of Understanding On Portuguese Palace

We partners concerning project of Palace of Earth-Loving Amity in Portugal (hereinafter referred to as PELAP),

[The naming is provisional.]

recognizing that the realization of the present project is very significant for contributing to promotion of peace, friendship, welfare and trust among nations,

convinced that international cooperation for completion of this peaceful project will produce fruitful results, uniting peoples around the World,

Have Resolved To Combine Our Efforts To Realize Present Project Of The PELAP.

ELFO members may suppose that the name of, for example, Earth-Loving Hotel or Earth Loving Oases etc. are better than the PELAP, but the project will be named officially by its original members of the MOU, I suppose.

Done at Riad city the ??th day of ?? month, two thousand twenty XXXXX.

I wish it will be the 1st day of January, two thousand twenty six.

PART Ⅰ. INTRODUCTION

Article 1. Original Parties to the MOU Obligatory to invest

1. Original Parties to the Memorandum Of Understanding (hereinafter referred to as MOU) shall make up and update the present MOU, considering promotion of peace, friendship, welfare and trust among nations, uniting people's hearts around the world.

2. Original Parties to the MOU, determined firmly to realize the present project, and for whom it is obligatory to loan or invest, are, in principle, the following persons.

Here the rule does not indicate concrete amount of money, so that one can send more or less capital in the present project PELAP. You may, therefore, loan only 10 US$ for this project. (At the same time 10 US$ to Sapporo project, 10 US$ to Brazilian Project etc., dispersing risk, yet contributing considerably to international cooperation.)

a. Rikio Kaneko, Hon. President of Earth-Loving Friendly Organization (ELFO).

b. Loanee-Enterpriser if it is created before effectuation of the present MOU.

But it will not be easy to find soon such company, an enterpriser, a self-governing body, or their mixed entity. If so, LOANEE-ENTERPRISER may not be an original party. In case of our ELFO member-enterprisers Messrs. Nehemie, Ivo, Alain etc. it was clear at the beginning stage that they were the very Loanees.

c. UN Diplomat Mr. Kisembo Abraham, Pres. of the OELO (Organization of Earth-Loving Oases);

d. Pres. Edmario Peixinho of the ELFO (Earth-Loving Friendly Organization);

e. A bank XXXXX to be in charge of accounting affairs of project PELA;

f. A building contractor responsible to complete building of the PELAP;

g. The member of ELFO FAMILY who will succeed in letting bankers or investors etc. to invest capital concerning present MOU; and

h. Any Cooperators (bankers, investors etc.) who are ready to invest in the present project in Portugal.

You cannot see any real name of any people from Portugal in this Article 1. I expect some people thereof give one's name as honorable Original Party. Why to spare 10 US$?

Article 2. Original Parties not obligatory to invest

The bellow-mentioned persons may be a party to the present MOU without any obligation to invest in the project of the PELAP, provided that they may loan or invest if they wish.

a. Political parties in Portugal;

b. Jurists and/or jurist organizations in Portugal;

c. Educators in Portugal;

d. Sportsman and/or organizations in Portugal and around the world;

Article 3. Character of this partners' group

1. This partners' group will be soft, and there will not be its President, Representative or Head of this group. The above-said bank ZZZZZ may be a Chair, in principle, with equal right of vote with others, but will not be superior over other partners. (Par in parem non habet jurisdictionen.

2. If the bank ZZZZZ is unwilling to be Chairperson of this soft group named provisionally Earth-Loving Amicable Fellows (ELAF, 地球愛友好仲間), the ELAF shall select its Chairperson.

3. Each party to the present MOU has equal right of vote in respect of procedural matters.

4. Regarding decision of amount of money and its flow for the present project, all the parties agree to vote system, within the framework of ELAF, namely a mitigated votes proportional to investment which is indicated in **ANNEX I**.

The system of votes proportional to investment of compression by one tenth, according to which, an investor of 1 unit money has 1 vote, an investor of 10 units 2 votes, an investor of 100 units 3 votes, for example.

Article 4. Purposes of the MOU

Purposes of the present MOU are the followings:

a. to realize a project of establishment of an Palace of Earth-Loving Amity in Portugal (Provisional naming: PELAP) designed in **ANNEX II**.

The ELFO FAMILY wishes that this kind of a PELA be built in many other countries around the World. I appeal to ELFO FAMILY in general that ***If***

Russo-Ukranian war ends sooner or later, immediately let's challenge to create there this kind of PELAP.

b. to make up one of the best choices of PELAP to be adopted world-wide;

c. to promote multicultural exchange and interational cooperation;

d. to be conducive to invigoration of economy in Portugal; and

e. to promote interational tourism, welcoming tourists in the PELAP.

Article 5. Joining the MOU

The MOU is open not only to any Cooperator (banks, investors etc.) at the time of signature of the MOU, but also to any person ready to cooperate with partners of the present MOU.

PART Ⅱ. PPRESIDENT

Article 6. Public Offering of an Loanee-Enterpriser's seat

1. The ELAF shall invite publicly an Loanee-Enterpriser of the present project PELAP from around the world though the PELAP will be located in Portugal.

Of course, it is very desirable that a big strong Loanee-Enterpriser appear in Portugal. Another choice, however, may be not to limit personal sphere to an enterpriser here in Portugal for early creation of the PELAP as well as for promoting international cooperation and multicultural understanding.

2. The Loanee-Enterpriser shall be such a person, organization or mixed form of enterprisers who is determined to carry out the present project of the PELAP not only for Portugal and one's commercial interest, but also for contributing to promotion of peace and friendship, uniting people's hearts around the world.

Article 7. Continuation of the ELAF

1. When the candidate for the Loanee-Enterpriser is recognized by the ELAF (Earth-Loving-Amicable Comrades) as such, and is willing to be now President of the ELAF it will welcome so by its majority decision, replacing Chairpersonship by Presidency.

2. When the new Loanee-Enterpriser is not willing to be ELAF President, then the ELAF shall elect its President from among the said fellows.

Article 8. President's first work

1. ELAF President's first work is to swear an OATH and open one's POLICY as soon as possible. President shall mention in one's OATH partners' ideal to contribute to promotion of peace, friendship, welfare and trust among nations, uniting peoples' hearts around the World.

2. ELAF President shall mention in one's POLYCY the following points.

a. to respect agreements concluded among parties to the present MOU;

b. to make the present project to be a good example for other countries;

c. to elaborate the present project PELAP more in detail, especially on security;

d. to clarify if there is or not a possibility to increase loan;

e. to explain future schedule especially on continuation of the present MOU, completion of establishment of the PELAP, commencement of selling flats, rooms and other spaces therein.

PART Ⅲ. LOANEE-ENTERPRISE'S RIGHTS AND DUTIES

Article 9. Loan for projects of the PELAP

1. The Loanee-Enterpriser may receive total sum of 1,000,000,000 US $ while Cooperators (bankers, investors etc.) are ready to remit up to that extent.

It is probable that by the end of 2026 and brokers cannot collect 1,000, 000, 000 million $, so that I suppose some Cooperators will remit their money separately in accordance with agreement among interested persons.

2. Even if the Loanee-Enterpriser does not receive total sum 1,000,000, 000, 000 US & by December 1st 2026, the said Loanee may begin its projects at any time on its own responsibility by its decision of majority of its members of the MOU.

See PART Ⅳ. ENCOURAGING STEPS. When the LOANEE-ENTERPRISER receives the capital through these steps, it may begin its beginning work if the parties to the MOU decide it by majority vote.

Article 10. Security and guarantors for the PELAP

2. Until recognition of Loanee-Enterpriser by the ELAF, regarding this item, ELAF President shall consult a candidate for Loanee-Enterpriser if any, specialists, and interested persons.

I expect some influential person besides ELFO member will appear sooner.

3. When the Loanee-Enterpriser is recognized by the ELAF, the Enterpriser shall announce Joint Declaration, with the ELAF President, on security and guarantors for project of establishing PORTUGUESE Palace.

Article 11. Refund and Interest to be paid to Cooperators

1. The total sum of loan with its interests shall be refunded within 15 years unless otherwise provided in individual agreement between Loanee-Enterpriser and Cooperators (bankers and investors etc.).

2.The interest rate for 15 years will be 4 % to be applied every year unless otherwise provided in individual agreement between LOANEE-ENTERPRISER and the Cooperators.

It seems that 4% may be too high in a given situation. But it is not compulsory interest, so that contractors may choose convenient rate.

3. Supposing the present MOU will be effective in December 1st, 2026, LOANEE-ENTERPRISER may refund the said 1,000,000,000 US $ to the Cooperators, by agreement with them, choosing one of following models:

a. Model A of Loanee-Enterpriser's light burden seen in an ANNEX Ⅲ. A.
b. Model B of Loanee-Enterpriser's moderate burden seen in ANNEX Ⅱ, B.
c. Model C of Loanee-Enterpriser's heavy burden seen ANNEX Ⅱ, C.
d. Model D of mixed burden to which Loanee-Enterpriser and Cooperators agree.

Article 12. Failure to refund

1. When a Loanee-Enterpriser fails to refund in a given year above-mentioned, the interest of that year will be 6%, and from the 6th year the 7% of interest will be applied to the refund unless otherwise provided in individual agreement between LOANEE-ENTERPRISER and the Cooperator concerned.

2. In accordance with domestic law, any person around the world may be the 1st Runner, the 2nd Runner, or the 3rd Runner as one wishes.

3. Concrete conditions regarding remittance, refund etc. shall be agreed to between the Loanee-Enterpriser and the Cooperator.

At this stage it is not necessity to make a bankbook of the ELAF, to which first runners will remit their money, but flow of money shall be monitored.

4. Any runners may attach conditions to one's readiness to invest as for the its amount, refund, interest, and circumstance of investment.

1. The following members of OELO shall be the 2nd runner who may receive interest of annual 6% of one's remittance:

Article 18. Zoom Amicable Meeting (ZAM)

Our ELFO (Earth-loving Friendly Organization) has its daily ZAP (Zoom Amicable Party). As the PELAP is a different entity, I proposed a different name. But it will be useful to open the ZAM and the ZAP sometimes together.

1. The ELAF and the Loanee-Enterpriser together shall conduct ZAM (Zoom Amicable Meeting) where partners may talk about any topics concerning the present project, enjoying the meeting.

2. They shall welcome not only people from Portugal, but also such foreigners as are interested in establishing their Palace of Earth-Loving Amity in their countries. So that they shall conduct the said ZAM in English at least once a week.

ANNEX IV. Prescribed Contract for an Assistant

Any person may be an assistant to Cooperators (bankers, investors etc.), brokers, or/and Loanees by a contract who may, in their names, invite a new Cooperator or a Loanee. (OELO Charter, Article 48. *http://mopw.org/elo%20n15%20char-e-240810.pdf*).

I expect especially many persons interested in the PELAP to pay utmost attention to this kind of popular contract to which, in principle, any person may be a contracting party and may be wealthy and conducive to the world peace and amity.

Below you can see, for example, a draft Contract between a broker E. P. (let's name him or her so) and, in principle, any person (let's name A. P.)

A Contract between E. M. and A.P. on Amity and Cooperation

E.M. and A. P. have honor to have concluded the present Contract between E.M. and A. P. on Amity and Cooperation.

Article 1. One of great sources of happiness

Both contracting parties shall make efforts so that present Contract be one of great sources of happiness for us and ELAF members by demonstrating a good example of promoting peace, amity and cooperation between us as well as among peoples.

Article 2. 1 % of remittance

1. A.P. shall help E.M. invite Cooperators or Enterprisers to the ELAF, receiving 1 % of remittance which was sent by A.P.'s effort to the Enterprisers.

2. By an agreement A.P. may also be Loanee-Enterpriser WW (as named in

Article 1)'s good Assistant to invite, in WW's name, potential Cooperators (bankers, investors etc.) for him, receiving 1 % of remittance which was sent by A.P.'s effort.

In the case of ELFO from among above 1% of the remittance its 5 % shall be donated to the Organization of Earth-Loving Oases (OELO), and 5 % to its mother organization ELFO (Earth-Loving Friendly Organization) which, when it received the said 5 %, shall donate immediately its 20 % to national Red Crosses of belligerent States for children suffering from war.

Article 3. A due form of invitation

A.P. shall send invitatory message which reads, in principle, that A.P. is a member of the ELAF, and a personal assistant to a broker E.P.; that E.P. and I are making utmost efforts to realize establishment of Portuguese Palace; and that the Loanee-Enterpriser will be very pleased if (Cooperator's name) is interested in them, seeing its MOU (Memorandum of understanding) attached to the present message.

Article 5. Immunity from obligation

A.P. may be immune from any obligation so long as A.P. acts in accordance with OELO Charter, respecting E.M.'s lawful instruction.

Article 6. Settlement of conflicts

1. When E.M. and A.P cannot settle their conflict by themselves and wish the ELAF to help them resolve the difference, shall present their 1st documents, and 2nd document as provided for in the present MOU, Article 31.

2. Conciliation Commission shall be organized as stipulated in the present MOU, Article 32.

3. If any party does not agree to an award by the CC, the conflict shall be settled, unless otherwise provided, in Portugal by other legal means.

Assistant’s Helper

I, Kaneko Rikio, am extremely busy as I have to assist various Cooperators (bankers, investors, etc.), brokers, and Loanee-Enterprisers as an Assistant. Therefore, if possible, I would be very happy if you could become a private Helper for me.

Even in the case of a personal Helper, the above-mentioned "Prescribed Contract for Assistants" will generally apply. Unless otherwise specified, the Assistant's personal Helper will receive 80% of the amount of "1% of remittance" stipulated in this prescribed contract.

Call for persons interested in PORTUGUESE Palace

September 11, 2025

Initiator Rikio Kaneko, ELFO Hon. Pres. and Hon. Prof. of Sapporo University

I have honor to call for many peoples to cooperate with us in creating Palace of Earth-Loving Amity in Portugal (PELAP). As Hon. Prof. at Sapporo University (int'l relations), I appealed establishment of the Earth-Loving Friendship Organization (ELFO), and finally reached its founding on New Year's Day, 2020.

Our Organization places emphasis on peace and friendship, not division among peoples, and has been more or less successful in establishing subsidiary organizations such as the International Conciliation Organization, Organization of Earth-Loving Oases, and national Earth-Loving Friendly Associations.

As one of the activities of the Earth-Loving Family, it was decided by the Earth-Loving Family to build Palaces of Earth-Loving Amity in areas where it is possible, and now more than 20 Memorandums of Understanding for the Palaces, including Japan, Brazil, the USA etc., have been unanimously approved.

Since the members of our ELFO FAMILY are from many countries, the PELA will have an international character, and the stakeholders and capital will have a global character rather than national color, and will play a role in connecting the hearts of people around the world, no matter where it is established. According to the MOU on Portuguese Palace,

We Partners Concerning Project of Palace of Earth-Loving Amity in Portugal (hereinafter referred to as PELAP). [The naming is provisional],

recognizing that the realization of the present project is very significant for contributing to promotion of peace, friendship, welfare and trust among nations,

convinced that international cooperation for completion of this peaceful project will produce fruitful results, uniting peoples around the World,

Have Resolved To Combine Our Efforts To Realize Present Project Of The PELAP.

The plan to establish Portuguese Palace is one example of the hopes for the establishment of similar palaces around the world. Regarding the proposed MOU consisting of 42 Articles, please see the URL http://mopw.org/ri-jp%20loanee-n8-241027.pdf

We are currently looking for A. Original members who loan (Article 1) and B. Original members without duties to loan (Article 2).

Firstly, especially urgently, **we need loan entrepreneurs.** If an entrepreneur can run Portuguese Palace on their own without a loan, of course, that would be very welcomed.

Secondly, we need supporters who will financially promote the project, such as bankers, investors, and donors. What is unique at this stage is that 761 VIPs, Diplomats from the Ministry of Foreign Affairs and other ELFO members in all 761 personalities are ready to loan for our projects.

Thirdly, original members without loan obligations. If anyone or any organization from around the world is interested in this project, they are welcomed to become original members. The first and foremost wanted are political parties and party members. We want also the following persons to join us, namely: lawyers and legal organizations, educational institutions and educators, sports and game players and organizations, friendship organizations, religious people and religious organizations, entrepreneurs and industry organizations, tourism, hotel and restaurant related personnel, cultural figures and cultural organizations, etc.

We sincerely hope for the understanding and cooperation of Portuguese people as well as people around the world.
