Dear Mr.Vladimir Putin

President of Russia

I have honor to send to your Excellency my hearty greeting regarding our goodwill proposal of conciliation between Russia and Ukraine, concerning Russo-Ukrainian War.

I am President of ICO (International Conciliation Organization) which was created in May 17, 2022 with the current war as a momentum. The ICO is composed mainly of Diplomats of MFA, members of ELFO (Earth-Loving Friendly Organization), which attaches great importance to natural friendship irrespective of many differences among people, races or nations.

Pleased at the creation of the ICO, nevertheless I am very sad to see that by war many many people died, were killed. As wartime goes by for the longer time, the more people will kill each other, having the more and more intense hatred, which may lead to the more horrible unprecedented catastrophe, world war III.

Now in order to contribute to making our Planet safer, more peaceful and friendly, our ICO decided to make utmost efforts to render good offices or mediation to your Excellency's Russia and Ukraine.

Dear Mr. Vladimir Putin, members of our ICO will be very pleased if your Excellency or authorities as well as Ukrainian side will participate in our conciliatory process which we would like to conduct through 2 ways: one of them is, first of all, by the Internet, and the other is, if necessary, by meeting face to face each other.

The ICO wants to accelerate process of early conciliation. So that the first talk between a belligerent and the ICO dialogists will begin with Russian side or Ukrainian side, which will express their readiness earlier than the other.

Please permit us to conduct the present conciliation, opening its process through the Internet before all the people around the world for keeping fairness and transparency. Our authentic common language is English.

For earlier ceasefire, restoration of peace, and promotion of friendship,

Very truly yours,

ICO President Hon.Prof. Rikio Kaneko
