

Dear Mr.Volodymyr Zelensky
President of Ukraine

I have honor to send to your Excellency my 3rd hearty greeting regarding our goodwill proposal of conciliation between Russia and Ukraine, concerning Russo-Ukrainian War.

I am President of the ICO (International Conciliation Organization) which was created in May 17, 2022 with the current war as a momentum. The ICO is composed mainly of Diplomats of MFA, PAAs (Peace and Amity Ambassador), which attaches great importance to natural friendship irrespective of many differences among people, races or nations.

Pleased at the creation of the ICO, nevertheless I am very sad to see that by war many many people died, were killed. As wartime goes by for the longer time, the more people will kill each other, having the more and more intense hatred, which may lead to the more horrible unprecedented catastrophe, world war III.

Now in order to contribute to making our Planet safer, more peaceful and friendly, our ICO decided to make utmost efforts to render good offices or mediation for your Excellency's Ukraine and Russia.

Dear Mr. Volodymyr Zelensky, members of our ICO will be very pleased if your Excellency or authorities as well as Russian side will participate in our conciliatory process, even if agreeing partly to our fair proposal.

Both belligerent parties can see ICO's original Proposal in an URL: <http://mopw.org/pr.%20n186-con-start.pdf> at pp.7~12. There our ICO proposed on the following matters: Cease-fire; Ukraine will not join the NATO; Demilitarization; Non-use of a mass destruction weapon; Territorial problems; Food (wheat) problems; Non-attack against an atomic station; Non-attack of a church, a hospital, a school; Humanitarian corridor; Belligerent nationals' intetcourse; Prisoners; Aid and reparation; The Armistice Commission; ICJ for settling legal problems.

And in January 1, 2023, the ICO General Assembly decided to add 2 points (rosy phrases) to the original text.

1st additional point concerns conciliatory procedure of territorial problems which reads as follows:

Point N.5

If belligerents were unwilling to submit to their territorial case to international conciliation, the United Nations may organize an UN Conciliation Commission with or without belligerent States as its member.

2nd addition concerns sum of aid to be sent to Ukraine after the end of war:

SHARE (ratio) of aid by each State for Ukraine will be proportionate with (a) her military expenditure or (b) the increased budget part of the past military expenditure which was caused by Russo-Ukrainian War. (a) is preferable.

The ICO wants to accelerate process of early conciliation. So that the first talk between a belligerent and the ICO will begin with Ukrainian side or Russian side, which will express their readiness earlier than the other.

We want to conduct the present conciliation, opening its process through the Internet in many universities and before all the people around the world for keeping fairness and transparency.

Our authentic common language is English.

For earlier ceasefire, restoration of peace, and promotion of friendship,

Very truely yours,

January 6, 2023
