## My Dearest Precious ELFO FAMILY

My Dearest ELFO FAMILY

1. First of all, let's pray for victims of earthquake in Turkey and Syria as well as war victims  
in Russo-Ukrainian War.

2. At last our 1st President Edmario sent us message that his computer had been  
hacked, and sent the following message:

Hello my dear dear friends ELFO members. I want to congratulate  
all new Chinese diplomat members. Welcome to the ELFO family. I wish  
endless blessings , health and happiness to all ELFO global leaders .

3. Let's create **world-wide ELFO Chorus**. There are some Earth-Loving Songs. Today please read my Lyric "Higher than Everest"

From our loftiest Everest love and soul flow. Nepali idea is far high, pure like its rivers.

From plain to our native country people climb up, aiming at peace, harmony with all, see them, go down to grand mounts in deep thought.

From heart we wish permanent peace, wholistic amity leading to One World. Exulted, singing together, we march Earth-Loving Amicable Way.

From our Nepal rises the bright Sun lighting people to better Planet, blessed beauty spreading flowers reaching down to oceans and the world.

A more generalized parody:

From our loftiest Heaven love and soul flow. Our idea is far high, pure like crystal.

From bottoms to holy heights people climb up, aiming at peace, harmony with all, see them, go down to grand mounts in deep thought.

From heart we wish permanent peace, wholistic amity leading to One World. Exulted, singing together, we march Earth-Loving Amicable Way.

From our heart rises the bright Sun lighting people to better Planet, blessed beauty spreading flowers reaching down to oceans and the world.

**4. To the 11 GA of the ELFO I present 2 points regarding Agenda item N.1 *Ideals to be considered in 2023 year***

1) Mr. Ajay Singh, 3rd President sent his article to important staffs of the ELFO, which may be one of the aforementioned ideals. See his article: <http://mopw.org/ajay's%20ideal%20to11ga.pdf>

I ask Mr. Ajay Singh to explain what are “UN-SDG 4.7” and “UN-SDG16.a” because common members do not know contents of them, I suppose.

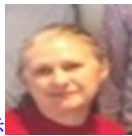

2) I ask the 11 GA to adopt the above 2 lyrics as constituent parts of the Earth-Loving Songs to be rehearsed practical activities by members.

## My Former Messages

### 1. Rules on Hon. Pres., Pres., Acting Pres., Vice-Pres. etc. Adopted But further elaboration is necessary 会長規則さらなる明確化必要

Currently our ELFO Family has 2 international Organizations, namely: the ELFO and the ICO (International Conciliation Organization) and 6 national ELFAs (Earth-Loving Friendly Association).

The ELFO adopted a new system of PRESIDENT of 3 HEADS, but these 3 HEADs (1<sup>st</sup> Pres., 2<sup>nd</sup> Pres., and 3<sup>rd</sup> Pres.) are not accustomed to the new system, so its movement is very slow as a tortoise. They sent you only an inaugural greeting, so I am obliged to do many things for them. Sooner or later they will move faster.

One of the causes is that their functions are not clearly stipulated. So this time I and GA Chair Karpekina present jointly clauses to be added to the existing Rules on Presidents.

The old Rules on these leaders was simple ones having only 17 Article.(Click here [Rules on Pres.](#)). And GA Chair decided in [JAN 6, 2023](#) the adoption of the new Rules. But our experiences tell you that more elaboration is far better than the present Rules, so that I and GA Irina Karpekina propose jointly to the GA the following additional phrases (*Rosy italic*) to the 2<sup>nd</sup> Rules. *Italic King's blue* is my comment, and *blue sentences* are her comment.

## Rules on Presidents and their concerning staffs

Considering that in our ELFO FAMIY there are already many kinds of Presidents, and that in future there will appear more and more Presidents in our FAMILY, now it is necessary to elaborate rules concerning Hon. President, Presidents, Acting Presidents, Vice-Presidents, Advisors, Consultants, Assistants, Chairperson of the General Assembly, and Election Administration Committee etc.

In December 25, 2022 the General Assembly (GA) of the Earth-Loving Friendly Organization (ELFO) and the GA of the International Conciliation

Organization (ICO) adopted unanimously the “Rules on Presidents in ELFO FAMILY” as is seen in the URL: <http://mopw.org/rules%20on%20pres..pdf>

Present Rules on Presidents and their concerning staffs are results of our wishes to develop the ELFO FAMILY more friendly, harmoniously and effectively **without bureaucratic color** by dividing many complex functions among competent collaborators willing actually to contribute to making our **FAMILY** and Planet better.

## Chapter 1. General Rules

Article 1. At any time and in any place any ELFO member may suggest one’s idea to develop ELFO FAMILY for promoting friendship and peace among nations, and may announce one’s willingness to be ELFO President, Acting President, a Vice-President, or other important staff.

*As of JAN 10, 2023 there appeared already 2 members ready to be a candidate for the 1<sup>st</sup> President when next election will be conducted. I suppose sooner or later they will declare their candidacy.*

Article 2. Present Rules may be applied, with necessary qualifications, to status of important staffs of ELFO MAMILY: namely, the ICO (International Conciliation Organization), and many national ELFA (Earth-Loving Friendly Associations) etc.

## Chapter 2. Hon. President of the ELFO

Article 3. President, who was recognized by the ELFO GA as having rendered great contribution to the development of the ELFO FAMILY, may be Hon. President of the ELFO.

Article 4. There may be 2 kinds of Hon. President. The 1<sup>st</sup> category of the Hon. President may continue to have its former competence to act when incumbent President or other staffs cannot realize one’s functions as is expected, while the 2<sup>nd</sup> category of Hon. President has not, in principle, such rights and any duties.

*Former ELFO Pres. Rikio Kaneko is to be recognized as the 1st category of ELFO Hon. President because he stated he would be so without any member’s objection, and his contribution to our ELFO was very great and actually he is Representative of overwhelming majority of ELFO FAMILY members. (Irina K.)*

*Please pay due attention to the aforementioned important rule which reads as follows: "The 1<sup>st</sup> category of the Hon. President may continue to have its former competence to act when incumbent President or other staffs cannot realize one's functions as is expected". Present situation seems to be at such stage. Communication between new Presidents is rare due to inconvenience of the 1<sup>st</sup> President's very restrictive channel.*

Article 5. Hon. Presidents and other members may suggest the post (status) of a new member whom they invite to join the ELFO FAMILY, provided that President will appoint him or her later officially. In case of absence of the official appointment, the new member shall be regarded as having the post suggested by the inviters.

*Such procedure will lighten the Presidents' burden considerably. Daily I, Hon. Pres. Rikio, and Irina Karpekina is succeeding in inviting Diplomats or personalities to join the ELFO with suggesting their position. See, for example:*

*P.S. Here is my "Present" to you for Happy New Year!! Please see an attachment at pp. 5~8. There are many vacant seats where a suitable member may sit. I am very glad if you are willing to receive my "Present" of seat of Consultant for 3rd President Ajay Singh from India. He will appoint you officially. I am looking forward to your prompt reply.*

Article 6. Hon. Presidents of both categories may continue to have right of vote provided for in ELFO Charter, Article 8. Hon. Presidents are regarded as a member of the ELFO FAMILY even after their retirement without membership fee.

*The Article 8 reads: So long as a member does not express yes or no, his or her Representative shall be regarded a mandatory, and his or her yes or no shall also be regarded as the same with that of Representative.*

Article 7. Hon. President of both categories may, rather are expected to, invite many VIPs, Dignities, Diplomats and other personalities to join our ELFO FAMILY, and remuneration will be paid to them alike as to other members **in accordance with rules**.

### Chapter 3. Presidents and Vice-Presidents of the central ELFO

Article 8. Incumbent President and Vice-President will continue to remain as present position so long as new President and Vice-President do not appear and, even if they are elected, are not recognized by incumbent President by Certificate.

*Though 3 new Presidents were elected, I (Rikio Kaneko) had not yet sent them a Certificate to that effect, so officially they were not President. Soon I sent it to them. (For example [Click here](#))*

Article 9. If only one member recommends oneself as a candidate for President or Vice-President, presents an oath that he will actually perform one's roles expected by our ELFO FAMILY, and join an open forum conducted by ELFO President, they will be regarded as having won the election. In the open forum former President, Hon. President and other members may participate.

*Dr. Leo Rebello and BELFA Pres. Edmario Peixinho recommended themselves as a candidate for the IELFA and the BELFA, but there was not an open forum. What shall we do?*

Article 10. If no member stands as a candidate for the vacant seats, 2<sup>nd</sup> prolonged election will be conducted in 14 days after the scheduled 1<sup>st</sup> election.

Article 11. In 2<sup>nd</sup> prolonged election any suitable member may be candidate for them, declaring oath that he will actually perform his roles expected by our ELFO FAMILY. In the open forum former President, Hon. President and other members may participate.

Article 12. Plural members may declare one's candidacy for Presidents or Vice-Presidents, provided that they will announce their political opinion and join an open forum conducted by ELFO President. Such a candidate may be regarded as elected automatically if there does not appear an opponent candidate.

Article 13. Under system of PRESIDENT of 3 HEADS, 2<sup>nd</sup> and 3<sup>rd</sup> Presidents have rights of appointment of their Acting Presidents, Advisors, Consultants and Assistants, and staffs of their subsidiary organs. All the other staffs shall be appointed by 1<sup>st</sup> President, **with reservation of Article 5.**

## Chapter 4. Presidents' Functions under PRESIDENT of 3 HEADS

Article 14. The 3 Presidents shall respect the following rules:

- a. They shall pay attention to friendly cooperation and harmonious division of works among them under 1<sup>st</sup> President's leadership, if it is impossible, under 2<sup>nd</sup> President's leadership;
- b. They **shall** keep good communication among them, and if any of them cannot answer the other President, his or her Acting President or an assistant shall answer provisionally; and
- c. President may, in his or her own judgement, may announce President's Declaration or

Statement, while both the 2<sup>nd</sup> President and the 3<sup>rd</sup> President may, with President's or GA's approval, make a Declaration in its name.

*ELFO Charter, Article 22 stipulates that "President may, in his or her own judgement, may announce President's Declaration, while each Head of the primary organs may, with President's approval, make a declaration in its name." In the aforementioned paragraph (c) you notice 'or GA's' which allows the 2<sup>nd</sup> and the 3<sup>rd</sup> President to propose to the GA adoption of their Declaration if the 1<sup>st</sup> President did not agree to it.*

Article 15. The 1<sup>st</sup> President under system of PRESIDENT of 3 HEADS may have such general functions as provided for in the ELFO Charter, provided that the 2<sup>nd</sup> and the 3<sup>rd</sup> Presidents have the functions laid down in Article 16 and Article 17 respectively.

One of the standard dividing 2<sup>nd</sup> President's and 3<sup>rd</sup> President's functions is necessity of external correspondence and unnecessariness of external correspondence. The former matters belong to functions of 2<sup>nd</sup> President, while the latter matters belong to the 3<sup>rd</sup> President.

Article 16. 2<sup>nd</sup> President has, among others, the following functions:

- a. to invite many kinds of persons to join our ELFO FAMILY, namely; a State, a present and former Head of State, a present and former Diplomat, an Autonomy (Self-Governing Community), an domestic and international Organization, and many kinds of natural persons;
- b. to introduce a proposal (a bill) to the GA (General Assembly) after approval with the 1<sup>st</sup> President, provided that a proposal not accompanied with financial outcome may be introduced straight to the GA.
- c. to make up one year's plan to be introduced in the GA, calling for cooperation with ELFO FAMILY, provided that the 2<sup>nd</sup> President shall make up in advance its contents as clear as possible.
- d. to be present in Interstate Department, Solidarity Department, Territorial and Boundary Department, and in other Department when they deliberate very important matters.

Article 17. 3<sup>rd</sup> President has, among others, the following functions:

- a. to keep and develop horizontal good communication among members, using emails, Zoom, Skype, Whatsapp, Twitter, making MM (Mail Magazine), conducting ZAP (Zoom Amicable Party) etc.;
- b. to create and develop national ELFA (Earth-Loving Friendly Association), helping them at the first stage by presiding 1<sup>st</sup> meeting or GA;
- c. to call for promotion of activities and development of the Principal organs of the ELFO, at the same time, hearing their wishes;
- d. to make up one year's plan, calling for cooperation with ELFO FAMILY, provided that the

2<sup>nd</sup> President shall make up in advance its contents as clear as possible;

e. to be present in Principle organs of the ELFO when the 3<sup>rd</sup> President thinks it is good for both sides.

## Chapter 5. Acting President

Article 18. Considering that almost all the Leaders of ELFO MAMILY are extremely busy with their personal affairs and social activities, each President of our ELFO FAMILY, besides that of court of justice, shall have an Acting President.

*It implies that each President of national ELFA shall have his or her Acting President.*

Article 19. When President does not keep good communication with ELFO members, Acting President may send info, talk with, them by one's judgement.

Article 20. Acting President may present one's ideas to ELFO members in President name with his or her consent as well as in one's own name.

Article 21. Acting President may appoint ELFO members as Vice-Presidents, Advisors, Consultants, and Assistants who are to be under one's President so long as the latter does not appoint them. *(See vacant posts in attachment at pp. 2~5)*

Article 22. Acting President may promote many kinds of events in President's name with his or her consent as well as in Acting President's own name.

Article 23. When the GA judges that present Acting President's inauguration as President is far better than a given existing presidency, the Acting President may inaugurate as President immediately without Certificate provided for in Article 8.

# Under Construction

## Chapter 6. Advisors, Consultant, and Assistant

Article 23. An Advisor has a right to recommend some steps to President even if the latter does not ask the first to do so. President appoints an Advisor Section Head and its staffs.

Article 24. A Consultant has not such right as an Advisor has, and recommend some steps to President if the latter asks the firster to do so. President appoints a Consultant Section Head and its staffs.

Article 25. While having free time, an assistant will help President perform routine functions. President appoints an Assistant Section Head and its staffs.

## Chapter 7. Chairperson of the General Assembly of the ELFA

Article 26. Chairperson may receive any member's proposal on agenda item, and in his or her judgement may decide the priority of deliberation, provided that ELFO 1<sup>st</sup> President has priority in choosing the order of agenda items, shall propose the order if any. When the 1<sup>st</sup> President wishes to withdraw a matter from deliberation, he shall explain the situation about it.

Article 27. The 1<sup>st</sup> category of Hon. President has the 2<sup>nd</sup> priority after the 1<sup>st</sup> President, provided that if the latter has not presented a concurrent agenda items, the former's proposal goes automatically.

*Such simplified procedure will accelerate deliberation and early adoption of decisions. If we set up bureaucratic documental restrictions, we will loose many time in vain. See reality, now I am writing the present Draft "Rules on Presidents and their concerning staffs" without consulting the 1<sup>st</sup> President. If I asked him to review my draft, and if he did not answer me for a long time, what would happen? Rule-making process would be as if it were such very slow movement of that of earthworm.*

Article 28. Only the 1<sup>st</sup> category of Hon. President and 1st President may send their draft agenda items directly to the concerned members, not through the Chairperson, or may send it firstly to the Chairperson.

*You know already such an example: I'll not send specialty present Draft Rules only to GA Chair Chair Irina Karpekina, but straight to all of ELFO members including her, asking her as follow:*

*Dear GA Chair Irina Karpekina, I ask you to decide adoption of my proposal at 20: 00 of JAN 2023 if there is no objection to it.*

Article 29. Period of deliberation may be restricted, in principle, to 2 days if there is no objection to it, or if there are only some members who are against it.

Article 30. When overwhelming majority vote “Yes”, it is not necessary for a Chairperson to announce the number of “Yes” votes.

*Almost every day a new face join our central ELFO or national local ELFA (Earth-Loving Friendly Association). It is actually impossible to ascertain exact number of our members at the time of adoption of a given decision.*

Article 31. The minutes of each General Assembly shall be certified by the 1<sup>st</sup> President, provided that the latter may not certify each decision on each agenda of the former.

*If we taked beaurocratic step that each decision on agenda item shall be certified at the time of its doption, rule-making process would very slow as an earthwor.*

## Chapter 8. Election Administration Commission

Article 32. Election may be conducted by Interntet, Fax, email etc.

Article 33. A Central Election Administration Committee (CEAC) may be composed of 2 members which shall be recognized by the GA. A National Election Administration Committee (NEAC) also may be composed of 2 members which shall be recognized by the GA of its NELFA.

Article 34. President of a national ELFA may ask the Central Election Administration Committee (CEAC) to administer its national election without its national as a member of the CEAC, or may ask to add his or her national to the CEAC.

*This rule reflects present week solidarity among members of NELFAs. Some of NELFAs have not organizational force even to creat one’s national EAC.*

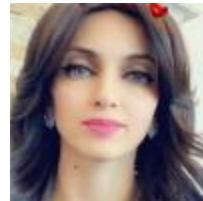

Article 35. When an elected person’s winning is perfectly clear, it is not necessary for the CEAC or NEAC to totalize all the votes in accordance with the category of votes.

*For example, when only a few was against a candidate, while overwhelming members voted for the candidate.*

## The Past Messages

### 2. Dr. Tamara A. Visits African Presidents タマラ博士のアフリカ訪問

You know, she is Chief of our Finance and Industry Council. Recently she opened international event concerning African economy, and this week sent me a message that she would be in Africa soon, visit more than one country there to meet with Presidents and governmental officials for economic empowerment. And then I sent her an email, asking her to submit my below-mentioned wish to those African Presidents whom she would meet.

*Dear African Dignities and Personalities concerned*

*I am Hon. Prof. President of the ICO (International Conciliation Organization), Hon. Pres. of the ELFO (Earth-Loving Friendly Organization). Dr. Ms. Tamara Alqolaghassi is Chief of Finance and Industry Council of the ELFO.*

*I have honor to send my greeting to your Excellency, and to wish you together with us to call for ceasefire and restoration of peace between Russia and Ukraine.*

*As is seen in the URL <http://mopw.org/pr.%20n233-con-3rd%20prop..pdf> our ICO have sent to Russian Pres. V. Putin and Ukrainian Pres. V. Zelensky our Proposal on conciliation 3 times with qualification.*

*Now our ICO General Assembly adopted the 4<sup>th</sup> Proposal in the form of our “WISH” to belligerents. I am very pleased if your Excellency are ready to address our 4<sup>th</sup> Proposal “WISH” together with us to Russian and Ukrainian Tops. The 4<sup>th</sup> Proposal on conciliation WISH will be as follows with African situation considered.*

#### *International Conciliation Organization and Africans Wish Ceasefire and Restoration of Peace*

*1. We the ELFO (Earth-Loving Friendly Organization), the ICO (International Conciliation Organization), the undermentioned Africans and others welcome Russian initiative of unilateral declaration of temporal truce of 36 hours because it is a positive step toward total ceasefire and restoration of peace.*

*2. We wish that in future Ukrainians also take a rest calmly by their top leader's declaration of truce even if it is 12 hours ceasefire, and even if it is not negotiation, but unilateral initiative. There is no doubt that even an unilateral truce and much more a bilateral ceasefire become blessed bliss for especially soldiers and their mothers because they can enjoy temporal peace with far more stressless feeling.*

*3. Even if Russian step is unilateral truce of 36 hours, it is the very first step which may lead to bilateral truce and finally to general ceasefire and restoration of peace. People around world, therefore, can see a Light*

and a Hope, which make their heart less stressful. So that we ~~the ELFO and ICO~~ wish that Russian and Ukrainian belligerents enter the 2nd stage for promoting truce and promoting ceasefire and restoration of peace. We wish that they consider our following Proposal:

a. When in future one of the belligerents declares an unilateral truce, the other belligerent complies with, and respect, it, stopping battle, not firing.

b. When it is impossible for one of them to respect the aforementioned clause, that belligerent makes an effort to make truce at least one third of the period which the other belligerent proposed.

c. We wish that belligerents pay the utmost attention to the fact that overwhelming majority around the world aspire after peace, not war, and that the current Russo-Ukrainian War is not a simple restrictive relations only between the belligerents, but it is one of the 2 greatest causes of contemporary world-wide serious distress: coronavirus and Russo-Ukrainian War are flying on our precious Earth hand in hand closely, influencing very bad huge impacts upon all human beings, *especially upon Africans*.

d. Further we wish that both of belligerents understand more or less gigantic compromise is necessary for building peace and amity between belligerents. The ICO has already sent its concrete conciliatory Proposal and draft compromise. (See <http://mopw.org/pr.%20n233-con-3rd%20prop..pdf>)

*We the undermentioned Africans agree to not only to the present 4rt Proposal on conciliation WISHES, but also the 1<sup>st</sup>, 2<sup>nd</sup> and the 3<sup>rd</sup> fair and equitable Proposals on conciliation.*

## 4<sup>th</sup> Propozal to Belligerants was adopted JAN 9th

I asked the GA (General Assembly) of both the ELFO and the ICO (International Conciliation Organization) to announce our below-mentioned WISHES regarding truce between Russia and Ukraine, to send them the WISHES, which the ELFO and the ICO adopted

1. We both the ELFO and the ICO welcome Russian initiative of unilateral declaration of temporal truce of 36 hours because it is a positive step toward total ceasefire and restoration of peace.

2. We wish that Ukrainians also take a rest calmly by their top leader's declaration of truce even if it is 12 hours ceasefire, and even if it is not negotiation, but unilateral initiative. ### 3.ELFO 2nd Pres. Abraham Kisembo's Idea on Management.

Today (JAN 7, 2023) he (pic.) sent me the following message on his idea, which I agree to:

*Fellow Presidents and Secretary General of our Great ELFO, my salutations. I am writing to interest you on the subject of ELFO structures and Finance. We are such a big family with different departments of importance.*

*Now we have an obligation to see that all Arms of ELFO start to function from Head to Bottom. This will give us good output in the process. The different Councils must not be on paper but we need to make sure they function including the different Regional and National Associations within ELFO.*

*Here bellow are my suggestions:*

**1. Let every Council present to us through the Secretary General at least 6 months action plan** on how they intend to go about matters within their jurisdictions. These plans will be reviewed by a small team of Experts which we will constitute and a final action plan will be communicated but the genesis of ideas must be generated by the Council members themselves.

**2. Let there be at least one zoom meeting each month for the departments** to follow up and make actions. We shall hence require written months reports to keep updated with the departmental or Council activities. We have a lot to accomplish and yet we cannot afford to lay back.

**3. The Finances of this organization must be defined.** We cannot depend on membership fees as a sole means of financing the organization's activities. We need to urgently create a financial base and activate our bank. I had earlier pledged to release one of **my gold concessions** in the Eastern Province of Ituri in the Democratic Republic of Congo to be developed by ELFO, I still maintain this position.

### 4. Adoption of Rules on Hon.Pres., Pres., Acting Pres. Vice-Pres. etc.

GA (General Assebley) Chair of the ELFO and the ICO Irina Karpekina said to me that she decided the adoption the above Rules in JAN 6, 2023, but she was so busy that she would inform members of it later.

It is undoubtful that compus for our ELFO FAMILY is, amontg others, Preable of the ELFO Charter, its Purposes, Principles, and other constitutional rules. Preamble of the ELFO Charter reads, among others, as follows:

recollecting that as history tells us, for a long time a human society has been of heterogeneous and separated character, constantly conflicting,

in the future, however, having respect for diversity on the Earth community, their culture and tradition, strengthening mutual understanding and solidarity among the nations,

attaching importance to friendly relations among nations and individual friendship derived from a simple fact that we are a human.

## 2. Rikio K. sends 3<sup>rd</sup> Proposal to Pres. Putin and Zelensky

In January 1st of Happy New Year 2023 the General Assembly of our International Conciliation Organization (ICO) adopted the below-mentioned conciliatory Proposal to Russian Pres. V. Putin and Ukrainian Pres. V Zelensky. Today (JAN 4, 2023), I will send them these documents, contents of which are the same though here you see only a message to Pres. Putin which reads, among others, as follow:

*Dear Mr. Vladimir Putin  
President of Russia*

*I have honor to send to your Excellency my 3rd hearty greeting regarding our goodwill proposal of*

conciliation between Russia and Ukraine, concerning Russo-Ukrainian War.

I am President of the ICO (International Conciliation Organization) which was created in May 17, 2022 with the current war as a momentum. The ICO is composed mainly of Diplomats of MFA, PAAs (Peace and Amity Ambassador), which attaches great importance to natural friendship irrespective of many differences among people, races or nations.

Pleased at the creation of the ICO, nevertheless I am very sad to see that by war many many people died, were killed. As wartime goes by for the longer time, the more people will kill each other, having the more and more intense hatred, which may lead to the more horrible unprecedented catastrophe, world war III.

Now in order to contribute to making our Planet safer, more peaceful and friendly, our ICO decided to make utmost efforts to render good offices or mediation for your Excellency's Russia and Ukraine.

Dear Mr. Vladimir Putin, members of our ICO will be very pleased if your Excellency or authorities as well as Ukrainian side will participate in our conciliatory process, even if agreeing partly to our fair proposal.

Both belligerent parties can see ICO's original Proposal in an URL: <http://mopw.org/pr.%20n186-con-start.pdf> at pp.7~12. Here our ICO proposed on the following matters: Cease-fire; Ukraine will not join the NATO; Demilitarization; Non-use of a mass destruction weapon; Territorial problems; Food (wheat) problems; Non-attack against an atomic station; Non-attack of a church, a hospital, a school; Humanitarian corridor; Belligerent nationals' intetcourse; Prisoners; Aid and reparation; The Armistice Commission; ICJ for settling legal problems.

And in January 1, 2023, the ICO General Assembly decided to add 2 points (rosy phrases) to the original text.

1<sup>st</sup> additional point concerns conciliatory procedure of territorial problems which reads as follows:

Point N.5

If belligerents were unwilling to submit to their territorial case to international conciliation, the United Nations may organize an UN Conciliation Commission with or without belligerent States as its member.

2<sup>nd</sup> addition concerns sum of aid to be sent to Ukraine after the end of war:

SHARE (ratio) of aid by each State for Ukraine will be proportionate with (a) her military expenditure or (b) the increased budget part of the past military expenditure which was caused by Russo-Ukrainian War. (a) is preferable.

The ICO wants to accelerate process of early conciliation. So that the first talk between a belligerent and the ICO will begin with Russian side or Ukrainian side, which will express their readiness earlier than the other.

We want to conduct the present conciliation, opening its process through the Internet in many universities and before all the people around the world for keeping fairness and transparency.

Our authentic common language is English.

For earlier ceasefire, restoration of peace, and promotion of friendship,

Very truly yours,

ICO President Hon.Prof. Rikio Kaneko

We have Rules on Presidents in ELFO FAMILY. (See: <http://mopw.org/rules%20on%20pres..pdf>)  
But it is not enough to develop our huge FAMILY effectively and orderly. I propose, therefore, to the GA (General Assebbly) of the ELFO as well as the ICO to adopte the following my proposal at **20:00 of JAN 6, 2023** if there is no objection to it..

N.B. **Rosy phrases is today's additional rules.** and **king's blue sentences are my comment.**

## **Rules on Presidents and their concerning staffs**

Considering that in our ELFO FAMIY there are already many kinds of Presidents, and that in future there will appear more and more Presidents in our FAMILY, now it is necessary to elaborate rules concerning Hon. President, Presidents, **Acting Presidents**, Vice-Presidents, **Advisors, Consultants, Assitants, Chairperson of the General Assembly, and** Election Administration Committee etc.

In December 25, 2022 the General Assembly (GA) of the Earth-Loving Friendly Organization (ELFO) and the GA of the International Conciliation Organization (ICO) adopted unanimously the “Rules on Presidents in ELFO FAMILY” as is seen in the URL: <http://mopw.org/rules%20on%20pres..pdf>

**Present Rules on Presidents and their concerning staffs are results of our wishes to develop the ELFO FAMILY more friendly, harmoniously and effectively by dividing many complex functions among competent collaborators willing actually to contribute to making our Planet better.**

### **Chapter 1. General Rules**

Article 1. At any time and in any place any ELFO member may suggest one's idea to develop ELFO FAMILY for promoting friendship and peace among nations, and may announce one's willingness to be ELFO President, Acting President, a Vice-President, or other important staff.

Article 2. Present Rules may be applied, with necessary qualifications, to status of important staffs of ELFO FAMILY: namely, the ICO (International Conciliation Organization), many national ELFA (Earth-Loving Friendly Associations) etc.

## Chapter 2. Hon. President of the ELFO

Article 3. President, who was recognized by the ELFO GA as having rendered great contribution in the development of the ELFO FAMILY, may be Hon. President of the ELFO.

Article 4. There may be 2 kinds of Hon. President. The 1<sup>st</sup> category of the Hon. President may continue to have its former competence to act when incumbent President or other staffs cannot realize one's functions as is expected. ~~In that sense the 1<sup>st</sup> category of the Hon. President has responsibility for developing the ELFO FAMILY,~~ while the 2<sup>nd</sup> category of Hon. President has not, **in principle, such rights and any** duties.

*The deletion of the above sentence is a result of consideration of lightning Hon. President's burden.*

Article 5. Hon. Presidents of both categories may continue to have right of vote provided for in ELFO Charter, Article 8. Hon. Presidents are regarded as a member of the ELFO FAMILY even after their retirement without membership fee.

*The Article 8 reads: So long as a member does not express yes or no, his or her Representative shall be regarded as mandatory, and his or her yes or no shall also be regarded as the same with that of Representative.*

Article 6. Hon. President of both categories may, rather are expected to, invite many VIPs, Dignitaries, Diplomats and other personalities to join our ELFO FAMILY, and remuneration will be paid to them alike as to other members

## Chapter 3. Presidents and Vice-Presidents of the central ELFO

Article 7. Incumbent President and Vice-President will continue to remain as present position so long as new President and Vice-President do not appear and, even if they are elected, are not recognized by incumbent President by Certificate.

*Though 3 new Presidents were elected, I had not yet sent them a Certificate to that effect, so officially they were not President. Soon I sent it to them.*

Article 8. If only one member recommends oneself as a candidate for President or Vice-President, presents an oath that he will actually perform one's roles expected by our ELFO FAMILY, and join an open forum conducted by ELFO President, they will be regarded as having won the election. In the open forum former President, Hon. President and and other members may participate.

Article 9. If no member stants as a candidate for the vacant seats, 2<sup>nd</sup> prolonged election will be conducted in ~~7~~14 days after the scheduled 1<sup>st</sup> election.

Article 10. In 2<sup>nd</sup> prolonged election any suitable member may be candidate for them, declaring oath that he will actually perform his roles expected by our ELFO FAMILY. In the open forum former President, Hon. President and and other members may participate.

Article 11. Plural members may declare one's candidacy for Presidents or Vice-Presidents, provided that they will announce their political opinion and join an open forum conducted by ELFO President. Such a candidate may be regarded as elected automatically if there does not appear an opponent candidate.

Article 12. Under system of PRESIDENT of 3 HEADS, 2<sup>nd</sup> and 3<sup>rd</sup> Presidents have rights of appointmet of their Acting Presidents, Advisors, Consultants and Assistants, and staffs of their subsidiary organs. All the other staffs shall be appointed by 1<sup>st</sup> Presient.

## Chapter 4. Acting President

Article 13. Considering that all most all the Leaders of ELFO MAMILY are extremely busy with their personal affairs and social activities, each ELFO President shall have an Acting President.

Article 14. President does not keep good communication with ELFO members, Acting President may talk with them by one's judgement.

Article 15. Acting President may present one's ideas to ELFO members in President name with his or her consent as well as in one's own name.

Article 16. Acting President may appoint ELFO members as Vice-Presidents, Advisors, Consultants, and Assistants who are to be under one's President so long as the latter does not appoint them. *(See vacant posts in attachment at pp. 2~5)*

Article 17. Acting President may promote many kinds of events in ne's President's name with is or her consent as well as in Acting President's own name.

## Chapter 5. Advisors, Consultant, and Assistant

Article 18. An Advisor has a right to recommend some steps to President even if the latter does not ask the first to do so. President appoints an Advisor Section Head and its staffs.

Article 19. A Consultant has not such right as an Advisor has, and recommemd some steps to President if the latter asks the firster to do so. President appoints an Cosultantr Section Head and its staffs.

Article 20. While having s free time, an ssistant will help President perform routine functons. President appoints an Assistant Section Head and its staffs.

## Chapter 6. Chairperson of the General Assembly of the ELFA

Article 21. Chairperson may receive any member's proposal on agenda item, and in his or her judgement may decide the priority of deliberation, provided that ELFO 1<sup>st</sup> President has priority in choosing the order of agenda items, shall propose the order if any. When the 1<sup>st</sup> President wishes to withdraw a matter from deliberation, he shall explain the situation about it.

Article 22. The 1<sup>st</sup> category of Hon.President has the 2<sup>nd</sup> priority after the 1<sup>st</sup> President, provided that if the latter has not presented a concurrent agenda items, the former's proposal goes automatically.

*Such simplified procedure will accelerate deliberation and early adoption of decisions. If we set up beaucroatic documental restrictions, we will loose many time in vain. See reality, now I*

*am writing the present Draft “Rules on Presidents and their concerning staffs” without consulting the 1<sup>st</sup> President. If I asked him to review my draft, and if he did not answer me for a long time, what would happen? Rule-making process would be as if it were such very slow movement of that of earthworm.*

Article 23. Only the 1<sup>st</sup> category of Hon.President and 1st President may send their draft agenda items directly to the concerned members, not through the Chairperson, or may send it firstly to the Chairperson.

*You know already such an example: I'll not send specially present Draft Rules only to GA Chair Chair Irina Karpekina, but straight to all of ELFO members including her, asking her as follow:*

Dear GA Chair Irina Karpekina, I ask you to decide adoption of my proposal at 20: 00 of JAN 2023 if there is no objection to it.

Article 24. Period of deliberation may be restricted, in principle, to 2 days if there is no objection to it, or if there are only some members who are against it.

Article 25. When overwhelming majority vote “Yes”, it is not necessary for a Chairperson to announce the number of “Yes” votes.

*Almost every day a new face join our central ELFO or national local ELFA (Earth-Loving Friendly Association). It is actually impossible to ascertain exact number of our members at the time of adoption of a given decision.*

Article 26. The minutes of each General Assembly shall be certified by the 1<sup>st</sup> President, provided that the latter may not certify each decision on each agenda of the former.

*If we taked beaurocratic step that each decision on agenda item shall be certified at the time of its doption, rule-making process would very slow as an earthwor.*

## Chapter 4. Election Administration Commission

Article 27. Election may be conducted by Interntet, Fax, email etc.

Article 28. A Central Election Administration Committee (CEAC) may be composed of 2 members which shall be recognized by the GA. A National Election Administration Committee (NEAC) also may be composed of 2 members which shall be recognized by the GA of its NELFA.

Article 29. President of a national ELFA may ask the Central Election Administration Committee (CEAC) to administer its national election without its national as a member of the CEAC, or may ask to add his or her national to the CEAC.

*This rule reflects present week solidarity among members of NELFAs. Some of NELFAs have not organizational force even to creat one's national EAC.*

Article 30. When an elected person's winning is perfectly clear, it is not necessary for the CEAC or NEAC to totalize all the votes in accordance with the category of votes.

*For example, when only a few was against a candidate, while overwhelming members voted for the candidate.*

## From my past messages

Up to the present time almost all the important, even secondary documents were drafted by me regarding all the fields of our ELFO FAMILY's activities. - B. Concerning aforementioned vacant seat, election will be conducted 5<sup>th</sup> of January 2023 year under the present EAC.
- C. Any suitable member may be candidate for them, declaring oath that he will actually perform his roles expected by our ELFO FAMILY.

## My former but important materials

### Another Earth-Loving Song for unhappy people

I wrote another song this time for unhappy persons who left this world unfortunately. My dearest younger brother Yoshio Kaneko (75 y. pic.) passed away this year in summer in June 5th, and ELFO GA Chair Irina's mother Nina (83 y.) recently in September 18th. I hear members' and non-members' sorrowful news almost every day.

r 55 / 67

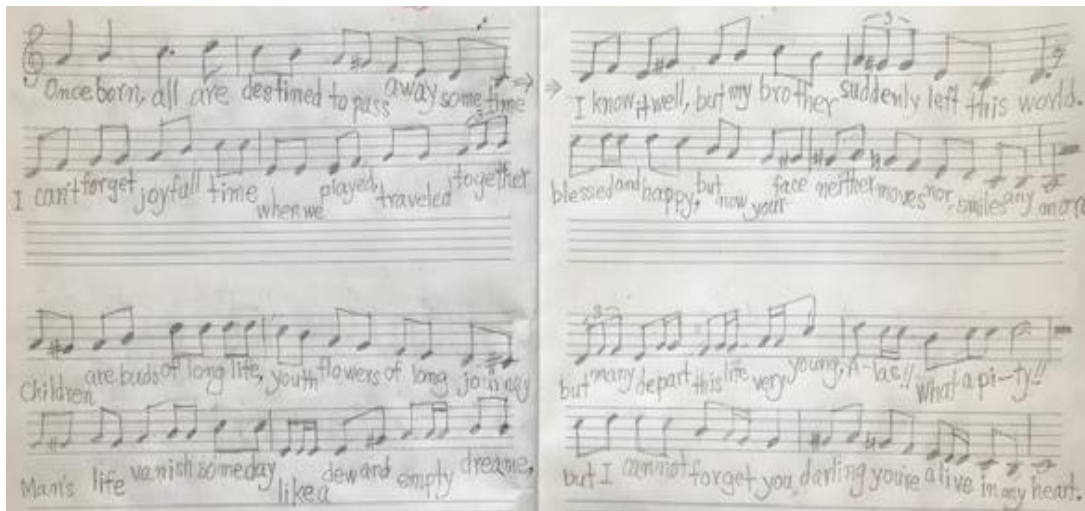

Some commit suicide, while many people are killed. In the USA 19,500 persons were killed by gun violence in 2020 (53 persons a day). This year they are afraid that more victims appear. We can imagine how pitiful and painful those mothers are whose sons died in battle fields. War victims in Russo-Ukrainian War may be considerable number. In Oct. 29, 2022 Ukrainian military announced that Russian war deaths were over 70,000. Ukrainian war deaths must also be not a little. I

composed my song, thinking of those unfortunate persons:

*Once born, all are destined to pass away some time.*

*I know it well, but my brother suddenly left this world.*

*I can't forget joyfull time when we played, traveled together, blessed and happy, but now your face neither moves nor smiles any more!*

## Contest of Art Works (芸術作品コンテスト)

Time limit for Contest of Art was SEP 31, 2022, but no one tried to present it to the examining committee though I tried to send the aforementioned elegy to the time limit in vain. I ask Hector Carlos to present his plan on the Contest of Art Works as soon as possible.

## Conciliation Trial began! 調停の試み開始!

ICO Vice-Pres. Alain Nkongnenwi (pic) urged me to commence the conciliation between Russia and Ukrain and I agreed with him and and showed you a draft document to be sent to Russian Pres. V.Putin and Ukrainian Pres. V. Zelensky. And the other day I sent my greeting:

To Russian Pres. Putin see: <http://mopw.org/pr.%20m.%20n184%20pr.%20invi.%20p..pdf>

To Ykrainian Pres. Zelensky: <http://mopw.org/pr.%20m.%20n185%20pr.%20invi.z..pdf>

Today (OCT 11, 2022) Alain N. sent me a message, “*Dear Pres. Rikio, I am writing with the objective to know how our communication with H.E. Zelensky of Ukraine is going this far and possibly how you think we can prepare and set ourselves up for the first phase of the dialogue process.*”

I answered him, “*Let's wait for their reply. Just a few days ago I sent them my greeting and message. It is possible that they will pay or not pay attention to our offer of conciliation. Irrespective of their reaction to us, let's try to heighten authority our ICO (International Conciliation Organization) by inviting many Dignities, States, international organizations, universities, lawyers to join the ICO.*”

**Rectors are joining our FAMILY, may be good offices for Conciliation**  
**学長が ELFO に入りつつあり、調停の良きオフィス（居住調停）にりうる!!**

AS A CHIEF OF THE ELFO PEACE COUNCIL I EXPRESS MY DEEPEST CONCERN TO THE ENTIRE SITUATION BETWEEN RUSSIA & UKRAINE. I AM VERY MUCH WORRIED ABOUT THE SITUATION THAT IS PREVAILING IN UKRAINE. I URGE RUSSIAN PRESIDENT VLADIMIR PUTIN TO COME ON TABLE TALKS AND FIND A SOLUTION HOW WE CAN PUT AN END TO THIS WAR. WAR WILL NOT MAKE ANY SENSE. IT WILL MAKE MORE THINGS VULNERABLE AND FOR OUR FUTURE GENERATIONS WE WON'T BE IN A POSITION TO GIVE THEM A GOOD ENVIRONMENT AND THE WORLD OF LOVE.

## PAAs' Great Roles! 平和友好大使の大きな役割!

### Urgent tasks for the PAAs 平和友好大使の緊急課題

- A. SELECTION of Dialogists.** Some PAAs will help ICO Pres. me Rikio select Dialogists:
- B. INVITATION for VIPs to join the ICO.** There are many States which are interested in conciliation between belligerents Russia and Ukraine. It is significant to wish them to join the ICO or participate in our project.
- C. CREATION & DEVELOPMENT of each national ELFA.** Creation of many national Earth-Loving Friendly Associations (ELFA) is important. At present there are only several ELFAs. It's urgent task for the PAAs to create one's own national ELFA. (See <http://mopw.org/e-framepage.html> click "Country branches")
- D. PARTICIPATION in the ZAP.** It's not difficult to take part in the ZAP itself. You don't have to pay party fee, only click the ZAP URL. And you can enjoy it, getting acquainted with many personalities.
- E. CREATION of national or regional ZAP.** Up to the present time I and Secretariat have been opening many ZAPs for all the ELFO FAMILY. Now it's high time to create regional ZAPs or national ZAPs.
- F. PLACEMENT of PAAs to Principal Organs:** There are 24 Principal organs in our ELFO. PAAs will be posted to these organs.

## Zoom Amicable Party!! ズーム親睦会!!

We must become accustomed to the Zoom In next ZAP I asked Brazilian Association and Mexican Association to promote the ZAP to be opened on coming Saturday at 8:00 or 9:00 by Japanese time. Of course, Sapporo will help them. And I asked Ms Mariame to help us, sending her the following message:

Dear Ms. Mariame (pic.) and other ELFO journalists, will you please help us also kindly develop the ZAP world-wide. Dear Mariame Soma, please join next time the ZAP if you have a free time, and try to hold it in Africa.

N.716. [Mariame SOMA](#) (SEP 5, 2022) [Burkinfaso](#). Global Goodwill Ambassadors, Journaliste, Présentatrice Radio et TV à Radio Oméga.

ELFO Secretart-General Irina sent the following message to a member of Uganda.

===== ZOOM AMICABLE PARTY =====🍷🍷

*"As for Skype, we cannot manipulate it well, but in the ZAP (Zoom Amicable Party) we can meet. On coming Saturday in Brazil our ELFO member Mr. Edmario opens the ZAP. Maybe, he'll send you invitation. I'll join it, of course. Please you, too, participate in it."*

*"I have explored the pdf files and would like to collaborate with you in Uganda",*

answered he. His name is Bwambale (pic.) [linkedin.com/in/bwambale-rwamanyonyi-179754125](https://www.linkedin.com/in/bwambale-rwamanyonyi-179754125) Web-site: [giftwomenlink.org](http://giftwomenlink.org). I sent him again the following message:

*Dear Mr. Bwanbale, will you please try to create African ZAP in cooperation with Ms. Mariame and other African journalists? If you succeed in it, it's of revolutionary significance which is far better than war!!*

Not only vertical, but also horizontal communication 垂直だけでなく、水平的意思疎通をも!!

At present you feel that there are sufficient info from central Sapporo, but rare other communication. It is extremely undesirable. ELFO Leaders must take initiative in our ELFO FAMILY's horizontal activities.

## WIN-and-WIN good and fair relations 勝利と勝利の良き関係

In AUG 31, 2022 I proposed my idea on post war aid for Ukraine which reads as follows and adopted by the ICO GA:

1. **WIN-and-WIN relations. Aid and reparation will be rendered on basis of win-and-win relations, not a victor nation-and-a defeated nation.**
2. Almost all the States of the world should aid Ukraine until she restores her PPP to 50%; (<http://mopw.org/mem.fee.%20jan%202022.pdf>)
3. SHARE (ratio) of aid by each State for Ukraine will be proportionate with (a) her military expenditure or (b) the increased budget part of the past military expenditure which was caused by Russo-Ukrainian War.
4. On the basis of Win-and-Win spirit both Russia and Ukraine renounce mutually right to claim reparation for damages caused by war, provided that Russia shall also aid Ukraine in accordance with the preceding paragraph 3.
5. The State which went to default or the States whose PPP is less than 50% may be exempted from the aforesaid aid.

I am very very grateful to all the ICO members for understanding profound insight of my peaceful ideas for saving loss of countless lives and destruction. Regarding this proposal, ICO Seacretary-General Irina Karpekina and a Secretary HOPE Watanabe agreed. Our member Ms. Joanna Korpo Ballah (pic.) sent me immediately her delightful message:

- Joanna Korpo Ballah

*Being passionate enough about what you want to achieve, is your greatest strength in*

*achieving your Dreams.*

Joana Korpo Ballah- Facebook

First of all General Armistic!! If it is impossible, Partial Truce!  
まず第1に全面的停戦!! それが不可能なら部分的休戦を!!

At 20:00 of September 7, 2022, the ICO GA recognized the following addition (red sentences) to former proposal (black italics) which the GA had already adopted.

#### A. General Armistice

Considering incalculable precious value of life of human beings, to save succeeding generations from the scourge of war, and to evade terrible astronomical huge claim for reparation, we the ICO, expecting a possibility of adoption, by belligerents, of our ideas on stopping war immediately or in very near future, propose, first of all, wholistic ceasefire as early as possible, and early commencement of negotiation for that purpose.

If only belligerents can agree to such General armistice, it is the best. But in case they cannot do so by themselves, our ICO proposes creation of an International Armistice Commission (IAC) as mentioned later (Paragraph 13).

#### B. Partial Armistice

Secondly, in case the belligerents cannot agree the aforesaid proposal, our ICO proposal is to realize ceasefire in such a time as the belligerents agree to:

1. while both of belligerents are negotiating, sitting face to face;
2. while both of belligerents are negotiating through online;
3. While our PAD is staying in Kyiv;
4. From 00:00~08:00 in the morning;
5. X-mas day from 00:00~24:00;
6. 1st~3rd of New Year;
7. Besides them the ICO welcome any agreement on cease-fire partly or wholly at any time and in any place.

N.B. Here "fire" means to launch a missile, to discharge a gun etc. and does not include preparation for battle.

Please see at p.5 of the URL <http://mopw.org/pr.%20m.%20n171-net.con-matters-truce.pdf>

## 5. Opening mailtos in a Group グループ内でメイルアド公開

It goes without saying that communication among ELFO MAMILY is very important. More important than it is good communication within many sub-groups, for example, among members of each national ELFA (Earth-Loving Friendly Association). In our ELFO FAMILY Ambassador groups play will play very important roles, especially **PAAs (Peace and Amity Ambassadors)**. Please see current 160 PAAs in the URL <http://mopw.org/peace%20amb%20160n2.pdf>

I want to add each PAA's email addresse as seen in the case of Vladimir Grbic (it's not his real mailto.):

N. 160 (703. Vladimir Grbic (AUG 27, 2022) **Serbia**. Olympic champion hall of fame **global ambassador** of special olympics, PhD sports and PE. [vladi-kaneko@jcom.home.ne.jp](mailto:vladi-kaneko@jcom.home.ne.jp) His representative is Mrs. Irina Karpekina.

*Understanding proper capacities, proper interest and what we are essentially in our nature, its possible to go even over our 100%. Accepting our capacities and limits is the hard part of the job. Once accepted, we finally have all what we need to fly.*

If some PAA is unwilling to opening one's mailto, please feel free to tell me so. I'll respect members' wish to 100%.

**Let's Welcome 30 New Members Warmly 30 名の新人を温かく歓迎!!**

This time many people around the world entered our ELFO FAMILY and the BELFO (Brazilian Earth-Loving Friendly Association) thanks to the latter's President Edmario Peixinho. Please see an attachment. You notice that these days several kinds Ambassadors are joining daily our FAMILY thanks to Irina Karpekina's invitation. I'm very grateful to Mr. Edmario Peixinho and Ms. Irina Karpekina (pic.) for your great efforts.

## African Union is invited to join our ICO アフリカ連合に国際調停機構への加入を案内

Yesterday I sent a message to African Union, asking it to accede to our ICO. Nowadays, you know, Africa is suffering from wars, conflicts, hungers, illness etc. I'm not sure if States or international organizations join

us, but if we continue to call for them, it is possible that some of them enter our ICO. Anyway I continue to invite them to the ICO.

The Heads of State and Government of the African Union (AU) have elected **H.E. Macky Sall**, President of the Republic of Senegal, as the new Chairperson of the African Union for the year 2022. Fortunately there are 4 ELFO Diplomats of MFA from Senegal. Even if the AU will not enter the ICO, I wish Senegal President join us. **I'll send him my message, expecting the following ELFO Diplomats also express their hope for him to join us:**

N.32. **Dramane SAMOURA** (2020/08/12) Diplomat at Embassy of [Senegal](#). Member of the Young Diplomats in London; (Pic.)

## My Dear Esteemed ICO and Earth-Loving FAMILY

**Let's accelerate process of the Online Conciliation** (オンライン調停を加速せん!!)

**Every day war victims and destruction go on!!** (毎日戦争犠牲者と破壊が!!)

**Let's invigorate also economic sector!!** (経済的分野の活動も活性化しよう!!)

**1. Nepali ex-Amb. Yuba Nath was appointed the First Vice-Pres. of the NELFA (Nepali Earth-Loving Friendly Association)!!**  
**ネパール地球愛友好協会第1副会長に元ネパール外交官ユーバ ナス氏が!!**

President of the NELFA Mr. Sapkota sent me a message in which he wrote, "I am engaged and unable to spare time for ELFO activities". He wanted to perform his roles, but busy life as a Judge obliged him to write thus. So **today** I appoint Mr. [Yuba Nath Lamsal](#) as the First Vice-President of the NELFA in accordance with decision of the ELFO GA and on the basis of agreement between Mr. Sapkota and me. He is President of the NELFA, but now actual leadership will be in Mr. Yuba's hand.

N.B. Please read his article on international politics [Click here](#)

**2. Additionally I propose that the First Vice Secretary General of each national ELFA (Earth-Loving Friendly Association) may be appointed by ELFO President. 国別協会の第1副事務総長も同様に**

I propose so because at present time Secretary-General of each national ELFA is not active. So that dear ELFO GA Chair Irina Karpekina, will you decide adoption of my present proposal at **20:00 of AUG 25, 2022** if there is no objection to it?

## Dr. Ravinder Kumar's opinion on necessity of stopping war どこでも平和を欲しい Je veux la paix partout 我要到处和平

Yesterday (AUG 22, 2022) Indian Dr. Ravinder sent me his opinion mentioning, among other, as follows:

I want peace every where now. Different types of wars are developing, hydrolic, chemical and biological wars are here which are bained. Human is nowadays greedy and killing human generation. Why we are educated? Education basic aims to develop the human mindset that he works for humans in a better way. But the countries' nowadays main aim is to become powerful. It cannot be aimed at any country. If there is no human being there Is no country.

Country becomes with the humans. Governments should work for the dignity of entire life of people. They shall reduce the military forces and utilise this money for the betterment of human life. Peace is a human right. Country like India one little schudel caste school child killed by a teacher becaucs he dranked water from the pitchure. Such kind of events is shameful. We want peace, no war, only peace. Peace is always for the betterment of society and living creature too.

I condemn the war between Ukraine and Russia and appeal to both the nations involved in the war. Both nations should live in peace and protect the lives and property of their citizens. Both countries will not gain from war. War will push both nations back. This will cause economic and physical damage. Both heads of state need to act with due diligence for their citizens. Powerful countries should negotiate and convince the heads of both countries that they should stop the war right now. Due to this, both countries will have peace and their citizens will live happily and prosper.

## From past but important messages

### 1. Let's Activate Also ELFO FAMILY's Economic Sector!

**ELFO ファミリーの経済部門も活性化せん! Activons aussi le secteur économique d'ELFO FAMILY !**

**A. Chief of Finance and Industry Council wanted.** In order to invigorate our Finance and Industry Concil and activities in this sector, it is necessary to appoint a new Chief Councilor because communication between present Chief and me impossible from technical problems for a long time. I want, therefore, someone **recommend oneself or other to be a candidate for the Chief of Finance and Industry Council.**

**B. How to invigorate ELFO FAMILY's economic activities?** Firstly, preparation. Let's encourage establishment of a national branch of central ELFO, namely, each national ELFA (Earth-Loving Friendly Association). Secondly, on the basis of national branch its members will create also an national ELC (Eart-Loving Company). You remember, a Brazilian President of the BELFA, aspired after ecominic activities:

### 2. ELFO members' insuficiant fund! (会員の不十分な基金!)

[Edmario Peixinho](#) (pic.) wrote 2 weeks ago as follows:

Hello, my friends of ELFO. I humbly propose to the banker friends of ELFO and the members - economists of ELFO to support me with humility and kindness to get a fair demand for funds to sell all ELFO products in Brazil and set up a store selling ELFO products in Brazil. My financial condition in Brazil at the moment is extremely insufficient. My goal is to use this sales logistics of ELFO's products to maintain Brazilian BELFA as President of the BELFA (Brazilian Earth-Loving Friendly Association). I cannot do this alone, without the support of the economists and bankers who are members of the ELFO. Together we are stronger. Let's advance the BELFA and ELFO economy.

#### **[4. Mr. Edmario P. was appointed as a Vice-Chief of the Finance and Industry Council エドマリオ氏が金融産業理事会の副理事長に就任]**

**Yesterday ELFO Pres.Rikio appointed him as a Vice-Chief of the Finance and Industry Council in order to invigorate economical activities of our ELFO. Today in the morning (August 26, 2022) he sent us his inaugural greeting which reads as follows:**

*Hello ELF family. I hope everyone is well, healthy, enlightened and blessed. I am extremely honored and grateful for the recognition of Mr. Rikio Kaneko to select me as Deputy Head of the Finance and Industry Council. I am highly motivated and determined by the emphasis to be given this responsibility in the role of Deputy Head of the Finance and Industry Council. I am immensely grateful with much respect, affection, kindness, solidarity and support from Mr. Rikio kaneko and all the brothers and sisters in the ELFO family.*

*Grateful,*

## **From former Messages**

### **1. ELFO leaders are expected to act more autonomously now!! (地球愛友好機構の指導者は、もっと自主的に活動されたし)**

Up to the present time almost all the important, even secondary documents were drafted by me regarding all the fields of our ELFO FAMILY's activities. You must know, however, that in future it will be more difficult for me to preside all organs as in the past. It goes without saying that ELFO FAMILY Leaders are expected to act more autonomously and actively in their own sectors of our inclusive world-wide ELFO FAMILY.

## 2. Mr. Kelly is a good example of autonomous and passionate initiator!! (ケリー氏はその好例!!)

Mr. Kelly Fadairo joined our ELFO FAMILY in JUL 8, 2022, he is from Côte d'Ivoire, a Global Goodwill Ambassador. I was very pleased that soon after his entry, he expressed his willingness to organize Ivory Coast Earth-Loving Friendly Association. Of course, I helped him, and sooner or later the ICELFA (Ivory-Coast Earth-Loving Friendly Association) will be created. Click [here](#).

## 3. The first Vice-President of an ELFA will be named by ELFO Pres. (国別地球愛友好協会の第1副会長はELFO会長が任命する。)

Every member of ELFO FAMILY is receiving info frequently from central ELFO, but not receiving from national ELFA (Earth-Loving Friendly Association). In order to invigorate each national ELFA I propose, therefore, to each of them and to the ELFO GA that the First Vice-President would be appointed by the ELFO President, provided that there shall be agreement to that effect between ELFO and ELFA Presidents.

[His proposal was adopted unanimously by ELFO GA]

## 1. Dialogists are expected to rehearse their speech (対話者はズームで出演の練習を)

I expect all the ICO dialogists to rehearse their speech in advance in the ZAP (Zoom Amicable Party). (As for dialogists see at pp. 8~10, clicking of the URL <http://mopw.org/pr.%20m.%20n151-net%20con..pdf> You can see my draft greeting, clicking [here](#).)

## 2. Several dialogists wanted who ask belligerents a question (首脳との対話者の推薦を)

Click [here](#) and look at pp.8~10, and you see one dialogist per one matter. I propose that 2 persons would be a dialogist per one matter. Please recommend oneself or other as a dialogist.
