

# Swiss Earth-Loving Flowers

From the loftiest alpine range love flows.

Our Swiss idea is far high, cherishing permanent neutrality.

From plain to our native country people climb up, aiming at peace, harmony with all,  
feel hope, seeing grand mounts and calm deep thoughts.

From heart we wish permanent peace, amity with all for One World.

Happily singing together, we march an Earth-Loving Amicable Way.

From our Switzerland rises the bright Sun lighting people to better Planet,  
love and beauty spreading flowers reaching down to oceans and the world.
