Bhutani Earth-Loving Flowers

The Greatest happiness for All

You will find very important info on happiness, clicking the below URL:

[Bhutan's Gross National Happiness Index | OPHI](#) It reads, among others, as follows:

The phrase 'gross national happiness' was first coined by the 4th King of Bhutan, King Jigme Singye Wangchuck, in 1972 when he declared, "Gross National Happiness is more important than Gross Domestic Product." The concept implies that sustainable development should take a holistic approach towards notions of progress and give equal importance to non-economic aspects of wellbeing.

Since then the idea of Gross National Happiness (GNH) has influenced Bhutan's economic and social policy, and also captured the imagination of others far beyond its borders. In creating the Gross National Happiness Index, Bhutan sought to create a measurement tool that would be useful for policymaking and create policy incentives for the government, NGOs and businesses of Bhutan to increase GNH.

The GNH Index includes both traditional areas of socio-economic concern such as living standards, health and education and less traditional aspects of culture and psychological wellbeing. It is a holistic reflection of the general wellbeing of the Bhutanese population rather than a subjective psychological ranking of 'happiness' alone.

Dear my ELFO FAMILY, a philosopher Bentham presented a maxim 'The greatest happiness of the greatest majority', while I urge **The greatest happiness for ALL** as sung in my 1st draft of Bhutanese Earth-Loving Song as follows:

I

From the loftiest Bhutan Himalaya happiness flows,

Republic of Trinidad and Tobago is the southernmost island country in the Caribbean. Consisting of the main islands Trinidad and Tobago and numerous much smaller islands, it is situated 11 kilometres (6.8 miles) off the coast of northeastern Venezuela and 130 kilometres (81 miles) south of Grenada.^[10] It shares maritime boundaries with Barbados to the east, Grenada to the northwest and Venezuela to the south and west.^{[11][12]} Trinidad and Tobago is generally considered to be part of the West Indies. The island country's capital is Port of Spain, while its largest and most populous city is San Fernando.

San Fernando

The island of Trinidad was inhabited for centuries by Indigenous peoples before becoming a colony in the Spanish Empire, following the arrival of Christopher Columbus, in 1498. Spanish governor José María Chacón surrendered the island to a British fleet under the command of Sir Ralph Abercromby in 1797.^[13] Trinidad and Tobago were ceded to Britain in 1802 under the Treaty of Amiens as separate states and unified in 1889.^[14] Trinidad and Tobago obtained independence in 1962, becoming a republic in 1976.^{[15][10]}

I hear members' and non-members' sorrowful news almost every day.

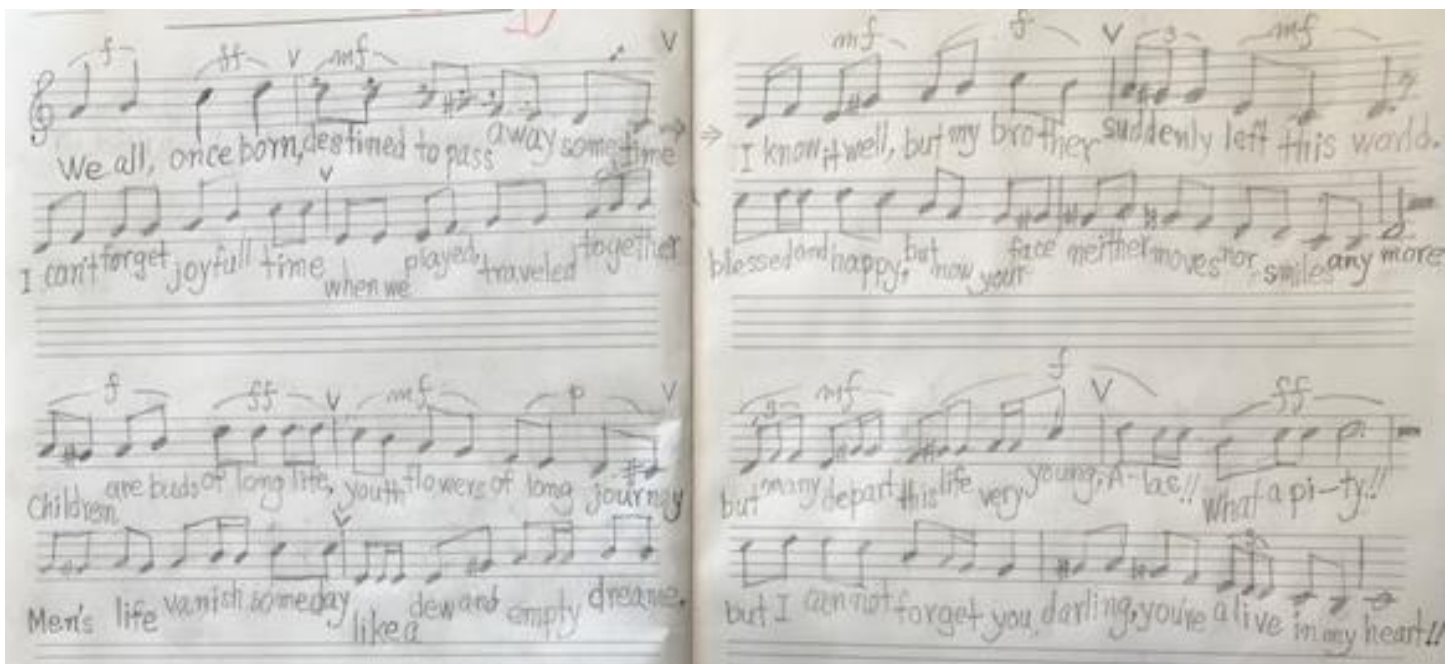

We can imagine how pitiful and painful those mothers are whose sons died in battle fields. War victims in Russo-Ukrainian War may be considerable number. In Oct. 29, 2022 Ukrainian military announced that Russian war deaths were over 70,000. Ukrainian war deaths must also be not a little. I composed my song, also thinking of those unfortunate persons:

*We all, once born, are destined to pass away some time.
I know it well, but my brother suddenly left this world.
I can't forget joyfull time when we played, traveled together,
blessed and happy, but now your face neither moves nor smiles any more!*

*Children are buds of long life, youth flowers of long journey.
But many depart this life very young. Alas!! What a pity!!
Men's life vanishes some day like a dew and empty dream.
But I can not forget you, Darling, you're alive in my heart!!*

left this world unfortunately 不運にもこの世を去った passed away 逝去した pitiful and painful かわいそうで、苦痛な are destined to 運命づけられている buds 芽 alas あー vanish 消える empty dream 空しい夢

It all happened on a certain day
Time for Ave Maria the universe saw generate
In the beginning the word became fire
Not even an atlas had the globe
But the place had a name
It was land, land

And the creator made nature
Made the fields and forests
He made the animals, he made the sea
Finally, he rebelled
that gives us the guarantee
What drives us to fight
By the earth, earth

mother earth our hope
Where life bears fruit
Your son comes to sing
To be and have the dream in its entirety
Being landless, being a warrior
With the mission to sow
to earth, earth
