Birthday Song

I wrote a birthday song when I was in a train for Obihiro city to see my pregnant daughter. The ELFO Examining Committee adopted it as one of Earth-Loving Songs. I expect that not only ELFO members, but also people around the world be glad at the below beautiful lyric and melody for their birthday:

I

We all celebrate dear friends' happy birthday,

Today you were born on the best Planet.

Thank you, my mam, my heart, our-Earth, ever shining Sun!!

We live with you precious life,

We are thankful, heartily glad that we are ALIVE,

journeying through life an Earth-Loving Amicable Way.

Let's sing songs recommended by ELFO

1. Imagine

Imagine there's no Heaven
It's easy if you try
No Hell below us
Above us only sky
Imagine all the people
Living for today...

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people
Living life in peace

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one
