## USA military action to Venezuela and Colombia

Wikipedia reports as follows([https://en.wikipedia.org/wiki/2026\\_United\\_States\\_strikes\\_in\\_Venezuela](https://en.wikipedia.org/wiki/2026_United_States_strikes_in_Venezuela)):

On 3 January 2026, the [United States](#) launched military strikes on [Venezuela](#) and captured President [Nicolás Maduro](#) and his wife [Cilia Flores](#).<sup>[12][13]</sup> The operation, codenamed **Operation Absolute Resolve**,<sup>[14][15]</sup> began around 2 a.m. local time, when explosions were observed.<sup>[16]</sup> The [United States Armed Forces](#) bombed infrastructure across northern Venezuela to [suppress air defenses](#) as an apprehension force attacked Maduro's residence in [Caracas](#).<sup>[17][18]</sup> Maduro and Flores were flown to [New York City](#) by US forces.<sup>[19]</sup> (For further info see the said URL)

**Will USA forces strike also Colombia? USA must refrain from it.**  
Analogous situation may happen in US-American relations.

Our ELFO FAMILY should propose insightful ideas to all the Heads of State about these and other military actions together with 9<sup>th</sup> PROPOSA on Russo-Ukrainian War.

## Urgent Motion

July 25, 2025

Dear ICO Pres. UN Amb. Kisembo Abraham and dear ICO 1<sup>st</sup> Vice-Pres Chen Xu

You know that now we see **serious military conflict between Cambodia and Thailand** concerning their border problem around Plea Vihear. Dear Messer., please talk between you about this problem. I hope that you will send to the General Assemblies (GA) of the ICO and the ELFO a draft PROPOSAL to be sent to the Heads of State of Cambodia and Thailand. The 2 GAs will deliberate the draft promptly to be sent to the 2 Heads of States. [FROM Hon. Pres. Rikio Kaneko]

[July 25, 2025. FROM ICO Pres. Kisembo] Dear leaders I am convinced that, it will also be important to engage ASEAN, Association of South East Asian Nations which is a critical regional block to ensure that leaders that understand the deep seared issues around the conflict can think through the issues carefully, it will also interest ASEAN member States because this conflict has a direct bearing on their Peace, security and development Nexus. If ASEAN speak as one voice on this matter, the Security Council will respect their opinion on the way forward. A regional committee could be instituted to foster peace between these two nations.

[FROM Edmario] Dear Kisembo, I completely agree with your ideas. However, it is also important to strengthen ties and mutual cooperation between Chinese President Xi Jinping and Thailand, Cambodia, and Ukraine regarding the ceasefire. Frankly, China, under Mr. Xi Jinping, should make every effort and use its powerful influence to persuade Russia to accept a ceasefire, initiate peace negotiations, and put an end to the bloodshed. China's stance on Putin's war will be a determining factor in relations between the European Union and China.

The participation of the international community, including China, could be crucial to ensuring progress in negotiations in Thailand, Cambodia, Ukraine, Israel, and other countries on the brink of war. These ideas could prevent military escalation.

[FROM Rikio, July 31, 2025] Dear Chen Xu, though military conflict ended, territorial problems remain unsettled, will you please try to make up a draft PROPOSAL to be sent, firstly, to the GAs of the ICO and the ELFO for its deliberation, then to the said 2 States? If you are busy, you'll ask Kisembo to do.

Dear Kisembo, please talk with Amb. Chen Xu about it.

ro and Rio de Janeiro at 20:00 from August 1, 2025.

## Registration of our ELFO with the UN!!

ICO Vice Pres. Chen Xu recommended me to register of ELFO with the United Nations in Genieva, I think it is good step, so that let's consider further measures to be taken by the ELFO. He says that it will require some fees and a thousand dollars to register ELFO for global participation, and that he will suggest the channel we will go through for the registrations.

**Dear Chen Xu**, will you please tell me the URL for registration, then ELFO Secretariat can set up communication with authorities for registration.

**From the Past Materials**

# Urgent Motion

OCT 25, 2024; <http://mopw.org/>

Ex-US Pres. Mr. Trump won the presidential election. Now we may be conducive to changing our precious Earth into better world, and I propose to the ELFO FAMILY (the ELFO, the ICO, the OELO, each national ELFA, and other subsidiary organs and members) to adopt my proposal as follows:

1. ELFO Delegation will meet US high officials or Pres. Trump if possible.
2. Our Delegation will hand our draft treaty on permanent neutralization on Representatives

Dear Diplomats of MFA

OCT 25, 2024:

I hope this message will find you fine and happy.

Maybe, you know that ELFO FAMILY recognized the promotion of project of PELPA (Palace of Earth-Loving Peace and Amity) firstly in Sapporo, secondly in Santa Catarina in Brazil. See:

Sapporo Palace <http://mopw.org/ri-loanee-n7-241014.pdf>

Santa Catarina Palace <http://mopw.org/ed-loanee-n24-241018.pdf>

According to the MOU (Memorandum of Understanding), there are 3 kinds of Runners:

- 1<sup>st</sup> Runners such as I (Hon. President) will invest a lot of capital in the project;
- 2<sup>nd</sup> Runners such as Pres. of the ELAF have to invest at least 500 US \$.
- 3<sup>rd</sup> Runners as ELFO Diplomats invest at least 300 US \$ (See attachment, Art.16)

Dear Diplomats, you don't have to be worried about this 3<sup>rd</sup> kind of investment. Because you may pose such reservations as would make your investment safer:

- 1<sup>st</sup> reservation that you will invest if the project will be realized by PPP with Sapporo city;
- 2<sup>nd</sup> reservation that original preparatory capital will be accumulated enough for refund;
- 3<sup>rd</sup> reservation that one's refund shall be remitted during 3 years with 6% interest.
- 4<sup>th</sup> reservation that if Loanee-Enterpriser fails to refund, interest will be 7% after 4<sup>th</sup> year, 8% after 5<sup>th</sup> year.

I want all the Diplomats to agree to these 4 reservations. If you have your own 5<sup>th</sup> reservation, please send me a message to that effect. It may be noted. If you want to invest more than 300 US \$, they will undoubtedly welcome you.

On the other hand, I want to lighten respected Diplomats' burden, asking the GA to decide mitigation or non-membership fee if you invest in such significant project as PELPAs around the world.

**Dear GA Chair Irina**, if there is no objection, will you decide the adoption of the above-mentioned common 4 reservations which make Diplomats feel safer, and the following system of lightning Diplomats' burden?

ELFO Charter, Article 5, Paragraph 3 stipulates that "A State and an autonomy may be a ML member.". I suppose that Diplomats already know that ML (Mailing List) members don't have to pay annual membership fee.

Today (OCT 25) I ask ELFO GA to adopt my proposal that, regarding investment, Cooperators (Diplomats, bankers, investors, donators etc.) may be temporal ML members who need not pay membership fee as follows: **If a Cooperator invests X00 US \$ with refunding years Y, the person will be immune from membership for  $X \times Y$  years.**

For example, if you invest 300 US \$ with refunding period of 3 years, you don't have to pay membership fee for 9 years. Please see many Diplomats of MFA (Ministry of Foreign Affairs) in an attachment. It will be not burdensome for them, rather it will please them with 6% interest with safer reservations.

I ask the GA to recognize that the above-mentioned 4 reservations be standard for 3<sup>rd</sup> Runners, and that the above  **$X \times Y$  years** formula be applied to the 3<sup>rd</sup> Runners.

All the ELFO members will celebrate members birthday!!  
Thus in July 30, 2025 the ELFO 3 VIPs Meeting decided.

## John Lennon's Imagine

Imagine there's no Heaven  
It's easy if you try  
No Hell below us  
Above us only sky  
Imagine all the people  
Living for today...

Imagine there's no countries  
It isn't hard to do  
Nothing to kill or die for  
And no religion too  
Imagine all the people  
Living life in peace

You may say I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will be as one

Imagine no possessions  
I wonder if you can  
No need for greed or hunger  
A brotherhood of man  
Imagine all the people  
Sharing all the world

You may say I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will live as one

## Do you have any additional idea?

Rules on Presidents and other important staffs stipulate as follows:

*Article 1. At any time and in any place any ELFO member may suggest one's idea to develop ELFO FAMILY, to create a subsidiary organ for promoting friendship and peace among nations, and may announce one's willingness to be ELFO President, Acting President, a Vice-President, or any other staff, may recommend any member to be any staff or a very important staff.*

In AUG 14 Hon. Pres. Rikio proposed to create a subsidiary organ for the President: Presidential Info Secretary which is somewhat similar with Presidential Press Secretary in the SU Government. Please feel free to send your

recommendation regarding election of Presidents or selection of other staffs. As autumn is approaching, I'll go the **next step of election of Presidents and selection of ne staffs.**

## **New Rules on Presidents and staffs**

In our mother ELFO FAMILY there are many children Organizations of not only international, but also domestic national character. And the FAMILY has its **Rules on Presidents and other important staffs.**

Articles which concern election of Presidents and selection of important staffs are, among others, as follow:

### **Chapter 4. Presidents' Functions under PRESIDENT of 3 HEADS**

**Article 14.** The 3 Presidents shall respect the following rules:

- a. They shall pay attention to friendly cooperation and harmonious division of works among them under 1<sup>st</sup> President's leadership, if it is impossible, under 2<sup>nd</sup> President's leadership;
- b. They shall keep good communication among them, and if any of them cannot answer the other President, his or her Acting President or an assistant shall answer provisionally; and
- c. 1<sup>st</sup> President may, in his or her own judgement, may announce President's Declaration or Statement, while both the 2<sup>nd</sup> President and the 3<sup>rd</sup> President may, with 1<sup>st</sup> President's **or GA's** approval, make a Declaration in its name.

**Article 15.** The 1<sup>st</sup> President under system of PRESIDENT of 3 HEADS may have such general functions as provided for in the ELFO Charter, provided that the 2<sup>nd</sup> and the 3<sup>rd</sup> Presidents have the functions laid down in Article 16 and Article 17 respectively.

One of the standard dividing 2<sup>nd</sup> President's and 3<sup>rd</sup> President's functions is necessity of external correspondence and unnecessariness of external correspondence. The former matters belong to functions of 2<sup>nd</sup> President, while the latter matters belong to the 3<sup>rd</sup> President.

**Article 16.** 2<sup>nd</sup> President has, among others, the following functions:

a. to invite many kinds of persons to join our ELFO FAMILY, namely; a State, a present and former Head of State, a present and former Diplomat, an Autonomy (Self-Governing Community), a domestic and international Organization, and many kinds of natural persons;

b. to introduce a proposal (a bill) to the GA (General Assembly) after approval with the 1<sup>st</sup> President, provided that a proposal not accompanied with financial outcome may be introduced straight to the GA.

c. to make up one year's plan to be introduced in the GA, calling for cooperation with ELFO FAMILY, provided that the 2<sup>nd</sup> President shall make up in advance its contents as clear as possible.

d. to be present in Interstate Department, Solidarity Department, Territorial and Boundary Department, and in other Department when they deliberate very important matters.

e. to act for 1<sup>st</sup> President while neither he or she nor Acting President cannot perform their roles.

**Article 17.** 3<sup>rd</sup> President has, among others, the following functions:

a. to keep and develop horizontal good communication among members, using emails, Zoom, Skype, Whatsapp, Twitter, making MM (Mail Magazine), conducting ZAP (Zoom Amicable Party) etc.;

b. to create and develop national ELFA (Earth-Loving Friendly Association), helping them at the first stage by presiding 1<sup>st</sup> meeting or GA;

c. to call for promotion of activities and development of the Principal organs of the ELFO, at the same time, hearing their wishes;

d. to make up one year's plan, calling for cooperation with ELFO FAMILY, provided that the 3<sup>rd</sup> President shall make up in advance its contents as clear as possible;

e. to be present in Principle organs of the ELFO when the 3<sup>rd</sup> President thinks it is good for both sides.

## Chapter 5. Acting President

**Article 18.** Considering that almost all the Leaders of ELFO MAMILY are extremely busy with their personal affairs and social activities, each President of our ELFO FAMILY, besides that of court of justice, shall have an Acting President.

**Article 19.** When President does not keep good communication with ELFO members, Acting President may send info, talk with, them by one's judgement.

**Article 20.** Acting President may present one's ideas to ELFO members in President name with his or her consent as well as in one's own name. In the latter case Acting President may not get allowance from the President.

**Article 21.** Acting President may appoint ELFO members as Vice-Presidents, Advisors, Consultants, and Assistants who are to be under one's President so long as the latter does not appoint them.

**Article 22.** Acting President may promote many kinds of events in President's name with his or her consent as well as in Acting President's own name.

**Article 23.** When the GA judges that present Acting President's inauguration as President is far better than a given existing presidency, the Acting President may inaugurate as President immediately without Certificate provided for in Article 8. In August 6, 2025 ELFO 3 VIPs Meeting amended old "Rules on Presidents and other staffs". Most important revision is permission of only recognition, by Candidates, of OATH and POLICY. **Chapter 10. Oath and Policy** which reads now as follows:

## Chapter 10. Oath and Policy

**Article 42.** A candidate for any President in ELFO FAMILY shall present, in principle, the following Oath:

*I take the oath that I will perform always friendly and peacefully my roles, appoint important staffs, open the General Assembly at least 1 rounds a year, keeping good communication with concerned members.*

2. A candidate may add some phrases to the above said Oath.

**Article 43.** A candidate for President shall present, in principle, one's Policy in which the following points are at least included:

*I reconfirm my Oath presented to the ELFO, and make utmost efforts to realize the following points:*

- 1. **Team work and solidarity:** in order to realize normal development of our organization I am determined to strengthen team work among members of our ELFA.*
- 2. **Invitation of people to join us:** I will also try to invite people to join our organization, promoting their friendship and cooperation*
- 3. **Independency:** I will try to make our Organization to be as independent as possible, provided that our organization will cooperate well with ELFO FAMILY.*
- 4. **ZAP (Zoom Amicable Party):** I will join the 30 minutes' ZAP once a month at least, When I cannot join the ZAP, I will ask our member to participate in it.*

2. A candidate may or may not add one's opinion to the above said Policy within one page.

3. Any candidate for President **may only declare one's recognition of the**

**typical Oath and Policy** stipulated in Art. 42 and 43, and may be regarded as having presented them to authorities.

## **Hon. President's right to appoint staffs**

We see very slow process of appointment, by Presidents, of their staffs though Hon. Pres. Rikio has been succeeding in inviting many candidates for Presidents' Organizations. So that he proposed to revise the Rules on Presidents, Article 5 (<http://mopw.org/rules%20on%20pres.%20250804.pdf>) and the GA adopted the following rule:

**Article 5. Hon. Presidents may suggest the post (status) in a given Organization to members and/or non-members, and may appoint them immediately when they agreed to the position.**

Cf. Old Article 5:

Article 5. Hon. Presidents and other members may suggest the post (status) of a new member whom they invite to join the ELFO FAMILY, provided that President will appoint him or her later officially. In case of absence of the official appointment, the new member shall be regarded as having the post suggested by the inviters.

I am ready to be Vice-President of your national ELC!

Dear ELFO FAMILY Members, in order to develop ELFO FAMILY, it is very important to create the ELC (Earth-Loving Companies) around the world.
