

My dear Indian Prime Minister H.E. Mr. Narendra Modi

Our message N.2. July 8, 2023

We, co-senders of present Proposal have honor to introduce us. The one is Hon. Prof. of Sapporo University Rikio Kaneko and President of the OJTAC (One Judge Territorial Arbitration Court), the 2nd is a Brazilian Edmario Peixinho, President of the ELFO (Earth-Loving Friendly Organization).

We are pleased that neither Indian nor Nepali Government, regarding their border conflict, was against our 1st Proposal (April 15, 2023) that if both conflicting States want our ICO to conciliate between India and Nepal, the ICO will do it with pleasure.

(Please see <http://mopw.org/indian%20n%20nepali%20tops%20230415.pdf>)

The General Assemblies (GA) of the ELFO and the ICO, however, deliberated this matter again, and judged that possibly not only Nepali Government, but also Indian would be interested in our conciliation or arbitration, and that Conclusion by conciliation with great efforts and long term is not binding upon conflicting parties, while award by arbitration is obligatory upon them, so that trial of arbitration seems to be more significant than conciliation, regarding border conflict between India and Nepal.

Before we sent you the said 1st Proposal, our ELFO had already prepared for the system of One Judge Territorial Arbitration Court (OJTAC) in order to settle the border conflict as early as possible, on the other hand, securing fairness and objectivity.

First of all, please see [The Rules of One Judge Territorial Arbitration Court](#). You will understand that actually many jurists and dignities are participate in making award, so that my subjective award is precluded. Even all the ELFO members of about 1800 will have a vote or votes for correcting my award.

(See <http://mopw.org/ira.87.ga11.rules%20on%20ojtac.%20230530.pdf>.)

As President of the OJTAC I, Rikio Kaneko, will spend great efforts to settle present border conflict within one year or at the latest within 2 years.

The most significant essence of the OJTAC lies in fresh feasibility of promoting fair rule of law and both India and Nepal can be proud of its initiative act as pioneers in this peaceful and amicable way.

I have written the 1st draft Indian Earth-Loving Song!! I dedicated this song of mine to my dear Indian Prime Minister H.E. Mr. Narendra Modi. Now this time I show you 2nd draft Indian Earth-Loving Song also dedicated to Your Excellency. In this song lies my enthusiastic aspiration after peace and amity with all:

I

From the loftiest Himalaya mercy flows to all. Indian idea is far high, born in long old times.

From many countries to our Holy Land people travel, aiming at peace, harmony with all,

feel hope, seeing many saints in calm deep thoughts.

II

From heart we wish permanent peace, amity with all for One World.

Happily singing together, we march an Earth-Loving Amicable Way.

From India Mahatma Gandhi lights people to non-violence,

love and beauty spreading flowers reaching down to oceans and the world.

My dear Nepali Prime Minister Mr. Pushpa Kamal Dahal
