Our ZAP is an OASIS in Warring Time

Let's BRIGHTEN the dark world through our ZAP!!

We will march with faith and HOPEs Along the Earth-Loving-Amicable Way, Singing Earth-Loving Songs as Compass!

In our journey of life there are many important points, which are admired in our songs as **Earth-Loving Flowers**. It is why we feel ourselves satisfied with them, filled with essential treasures of life when we sing them. So everyday, chatting, we will sing, rehearsing for 20 minutes in CLACL (Culture, Language and Amicable Chatting Lesson), which I preside for the time being. One of the basic melody of **Earth-Loving Flowers** is demonstrated in N.4 in the Youtube <http://mopw.org/You%20Tube.html>

My Dear Nepali Members

One of the good ways for making our Planet better and brighter is to create and develop regional and national ZAPs (Zoom Amicable Party). The other day a Nepali member Ms. Shanta maya Pariyar (pic.) sent me a greeting, and I answered her:

Glad to see your message!! Let's activate NELFA (Nepale Earth-Loving Friendly Association). Let's create Nepale national ZAP (Zoom Amicable Party)!!

Sounds great.

Let's go ahead with ex-Amb. Yuba Nath. He is a Chief of the Interstate Council, and Vice-Pres. of the NELFA. If you agree, I want to appoint you as an organizer of Nepale ZAP (Zoom Amicable Party). If you don't know well how to set up Zoom info, some technician will help you.

I can't understand this program. Plz let me know first.

==🌱🌿🍀🌻== Invitation == Dear Shanta maya Pariyar Please join the next new ZAP (Zoom Amicable Party), a bright OASIS in current dark age. Will you see an attachment? This time we want to invite many lady members as well as non-members because men members were majority in the past. Ladies will be more glad and joyful!!, I'll propose the ELFO General Asembly to create a lady circle in the ZAP in future.

Dear Shanta, you know, you receive almost every day a message from us Sapporo, but don't receive from Pres. of your NELFA at all. The NELFA (Nepali Earth-Loving Association) is itself an organization. It goes without saying that there must be good communication among Nepale members, but there is no communication. The Nepali ZAP will be one of very good means of promoting mutual understanding among the NELFA members.

Shanta maya Pariyar Politician, Kathmandu, says, "I am a dedicated, hardworking and innovative person, I have the pleasure of working within any capacity. I am also compassionate, kind and never misses the opportunity to help others.

I am passionate about promoting gender equity and child education this has influenced me to add it to my plans to establish an INGO to promote gender equity and child education in the future. Again, as a professional lawyer, I see to it that child rights are not abused. I have children welfare at heart."

In NOV 7, 2022 I sent an invitation to the ZAP to many ELFO members and non-members, and Nepali member [Bhim Bahadur Khadka](#) (pic.) answered, "Okay", and I wished him to cooperate with Ms. Shanta maya.

In NOV. 20, 2022 in the ZAP I talked with Nepali ex-Amb. [Yuba Nath Lamsal](#) (pic.) about creating one of the ZAP BASEs in Nepal. He agreed with me. Mr. [Anup Khadka](#) (pic.) from Nepal is an environmental and social activist, he may be willing to locate a ZAP BASE in Nepal.

Dear Anup Khadka, please try to create ZAP BASE, cooperating with member compatriots.

I ask all members of the NELFA to be cooperative with initiators trying to create one of the ZAP BASEs in Nepal, among others, Ms. [Lucky Sherpa](#), (left.pic.) **the first indigenous women**

Ambassador for Australia and New Zealand, **Former MP**; [Ravi Bhandari](#) (left pic.), **Global Peace Ambassador**; [Ms. Gita Gurung](#) (right pic.), **Global Peace Ambassador**, and [Shankar Sapkota](#) (right pic.) in the technical field. (He/she)

ZAP's Role for promoting Members' Economic Activities!!

Due to coronavirus nowadays personal communication is becoming far less than before almost everywhere in the world. Nevertheless our ELFO must try to find members ready to facilitate cooperation through good communication.

Though financial and industrial activities in the ELFO frame is very important, the Finance and Industry Council (FIC) was inactive due to absence of correspondence from the FIC side. So that recently I appointed a new member [Dr. Tamara Alqolaghassi](#) as Chief of the FIC who is positive in respect of promoting financial and industrial activities.

She says in in her message to me, "Hope all's well. Very glad to start this journey with ELFO", concluding, "We will have a lot to add to build success, and I believe success will be a result of productive team work. Again, glad to start collaboration, I'm positive, it will be fruitful, and we will achieve a lot of success. Thank you for all your efforts."

Vice-Chief of the FIC is President of the BELFA (Brazilian Earth-Loving Friendly Association) Mr. Edmario Peixinho (left pic), and also recently (NOV 23, 2022) I appointed H.E. Amb. Mr. Lawrence Yawa (right pic.) as FIC Vice Chief. I wrote in my message to him, among others, as follows:

I am glad if you pay attention to the several tasks which I want you to realize:

- 1. to be a Representative of South-African Branch of the ELFO,*
- 2. to join the ZAP in order to get acquainted with members, especially with Chief Ms. Tamara and your compatriots.*
- 3. to locate and develop one of the ZAP BASEs in South Africa.*
- 4. to establish South African Earth-Loving Association (SAELFA)*
- 5. to create a South-African Earth-Loving Compsny. (SAELC)*
- 6. to help Ms. Dr. Tamara achieve such aforementioned national process*

It is possible that if Mr. Edmario and Mr. Lawrence will make great efforts to develop their national ZAP, national ELFA and national ELC (Earth-Loving Company), the FIC will pay more attention to the Brazilian and South-African members' financial and industrial activities, but at present time Nigerians and Nepales are also positive, so it is not clear what country will be chosen as test case if the FIC selects such 1st, 2nd country.

The NELFA is the only one ELFA where bankers, investors and economists are classified as one sector among many sectors in the NELFA. So in NEPAL it is very easy to open the ZAP only for them (He/ she)

Welcoming Song

At last I wrote a short welcoming song for new members. They will be glad to hear my own song, the lyric of which is as follow:

Lyric and melody written by Rikio Kaneko

I

We all Earth-loving friendly united fellows,
glad to see you, welcome warmly
with lovely flowers.

ようこそ!! Bienvenue!! 欢迎!! Bienvenido!!

!! أهلا بك, Willkommen!! Добро пожаловать!! स्वागत!! Finally you see

an Earth-Loving happy FAMILY!! (<http://mopw.org/pr.207%20appo..pdf>)

N.B. The following words means “Welcome”: ようこそ[Yohkoso]-Japanese; 欢迎[Huānyíng]-Chinese; أهلا بك ['ahlan bik]-Arabian; Добро пожаловать [Dobro pozhalovat'] – Russian; and स्वागत [svaagat] – Nepali.

II

We all welcome you whomever joyfully with kind smiles.

See the calmest precious oasis with lovely flowers!!

Look at Africans, Americans, Asians, Europeans,

sharing friendly blessed common water,

having crossed a peak of long life journey.

Birthday Song

I wrote also a birthday song with melody of the ABC Earth-Loving Song when I was in a train for Obihiro city to see my pregnant daughter. It is also a good idea to use the melody of the ABC Earth-Loving Song because it is easier for ELFO FAMILY to sing it. The Examining Committee adopted it as another Earth-Loving Song. **We have never heard such a beautiful birthday song.** Members will be glad at the beautiful lyric and melody for their birthday:

I

We all everyday celebrate friends' birthday,

Today you're born on our blessed Earth.

تهاني [tuhani]!! Glückwunsch!! Поздравляю!! बधाई छ [Badhāī cha]!!

We all are happy to see your smile, dear (name to be celebrated)!!

II

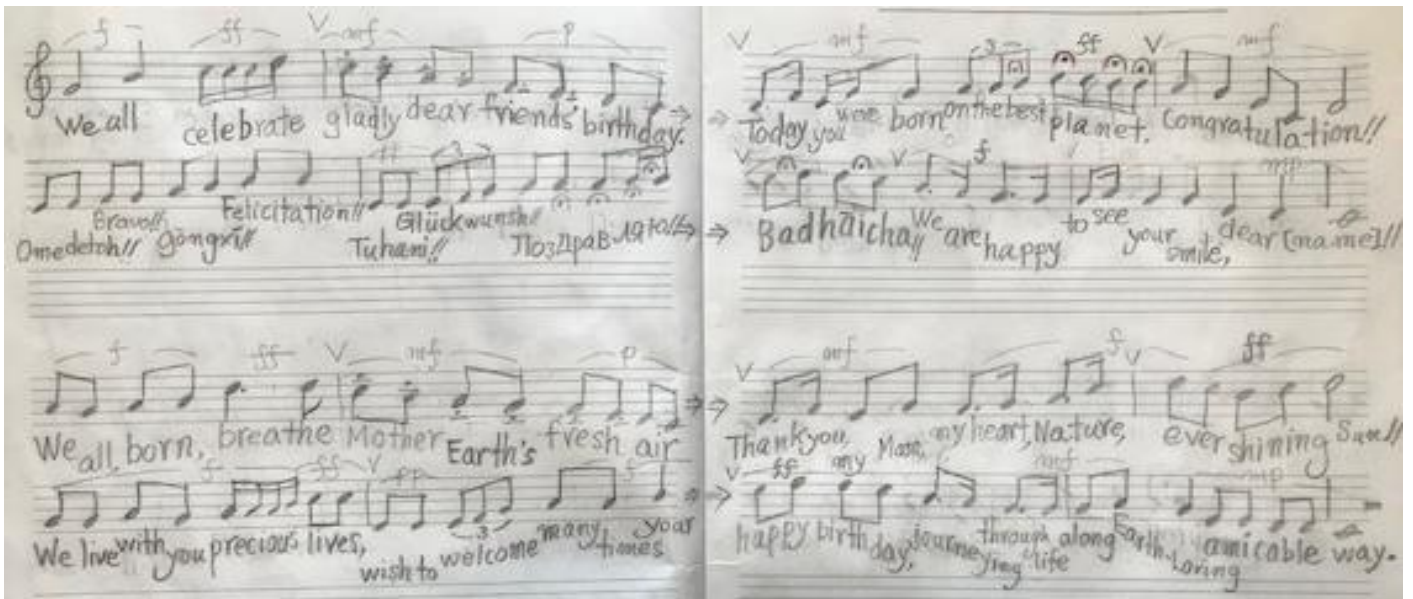

We all, born, breathe Mother Earth's fresh air.

Thank you, mother, my heart, Nature, ever shining Sun!!

We live with you precious lives,

wish to welcome many times your happy birthday,

journeying through life along Earth-Loving Amicable Way.

Elegy for Unhappy People

Another Earth-Loving Song for unhappy persons

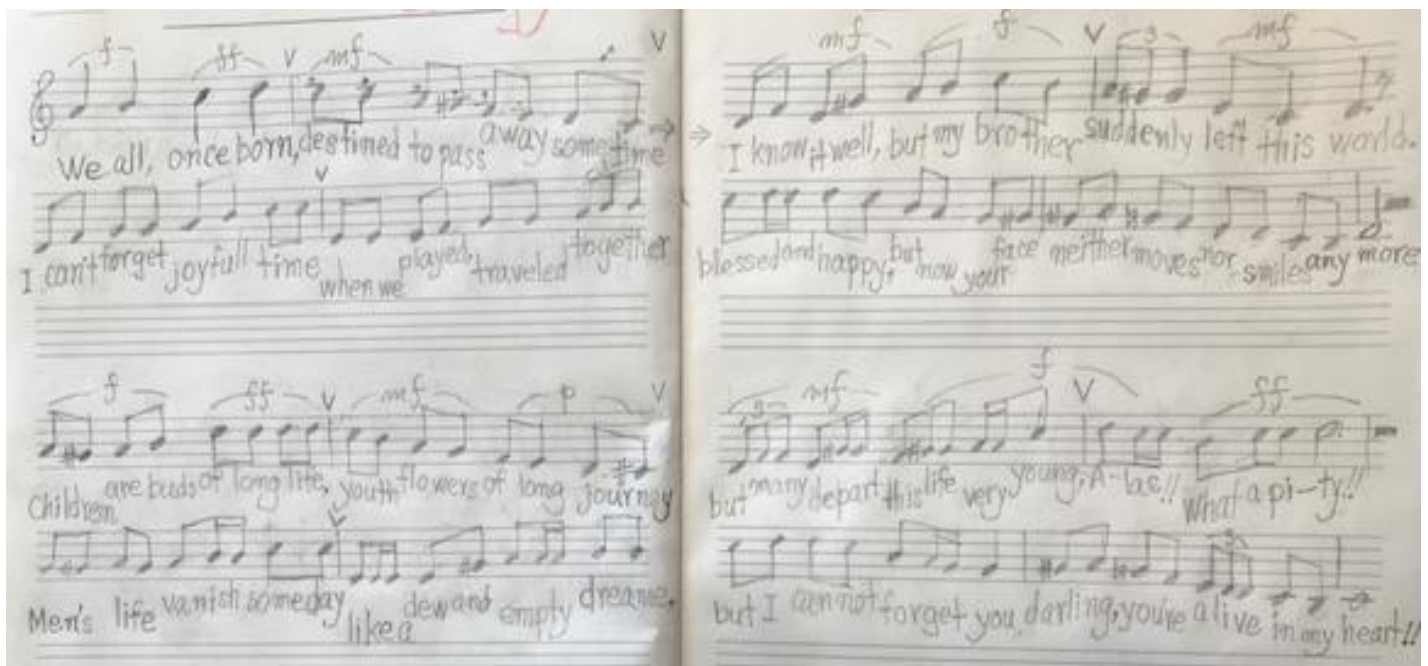

I wrote another song this time for unhappy persons who left this world unfortunately. My dearest younger brother Yoshio Kaneko (75 y. pic.) passed away this year in June 5th, and ELFO GA Chair Irina's mother Nina (83 y.) recently in September 18th. I hear members' and non-members' sorrowful news almost every day.

Some commit suicide, while many people are killed. In the USA 19,500 persons were killed by gun violence in 2020 (53 persons a day). This year they are afraid that more victims appear. We can imagine how pitiful and painful those mothers are whose sons died in battle fields. War victims in Russo-Ukrainian War may be considerable number. In Oct. 29, 2022 Ukrainian military announced that Russian war deaths were over 70,000. Ukrainian war deaths must also be not a little. I composed my song, thinking of those unfortunate persons:

*Once born, all are destined to pass away some time.
I know it well, but my brother suddenly left this world.
I can't forget joyfull time when we played, traveled together,
blessed and happy, but now your face neither moves nor smiles any more!*

*Children are buds of long life, youth flowers of long journey.
But many depart this life very young. Alas!! What a pity!!
Men's life vanishes some day like a dew and empty dreame.
But I can not forget you, Darling, you're alive in my heart!!*

Matters to be talked with belligerent TOPs

For a short lecture at the ZAP (Zoom Amicable Party)

The ICO (International Conciliation Organization), which is, so to speak, ‘a child’ of our ELFO, decided that, among others, the followings might be matters to be talked with Pres. Putin, Pres. Zelensky and/or their authorities:

(Respecting ELFO GA's decision dated April 15, 2022, ICO General Assembly adopted the following items)

1. Cease-fire

A. General Armistice

Considering incalculable precious value of life of human beings, to save succeeding generations from the scourge of war, and to evade terrible astronomical huge claim for reparation, we the ICO, expecting a possibility of adoption, by belligerents, of our ideas on stopping war immediately or in very near future, propose, first of all, wholistic ceasefire as early as possible, and early commencement of negotiation for that purpose.

If only belligerents can agree to such General armistice, it is the best. But in case they cannot do so by themselves, our ICO proposes creation of an International Armistice Commission (IAC) as mentioned later (Paragraph 13).

B. Partial Armistice

Secondly, in case the belligerents cannot agree the aforesaid proposal, our ICO proposal is to realize ceasefire in such a time as the belligerents agree to:

1. while both of belligerents are negotiating, sitting face to face;
2. while both of belligerents are negotiating through online;
3. While our PAD (Peace and Amity Ambassadors Delegation) is staying in Kyiv;
4. From 00:00~08:00 in the morning;
5. X-mas day from 00:00~24:00;
6. 1st~3rd day of New Year;
7. Besides them the ICO welcome any agreement on cease-fire partly or wholly at any time and in any place.

N.B. Here “fire” means to launch a missile, to discharge a gun etc. and does not include preparation for battle.

2. Ukraine will not join the NATO

As Ukraine once expressed her readiness not to join the NATO, it may be comparatively easy for the ICO to embody its equitable proposal to the belligerents. The ICO will search for the followings:

- i . What States should guarantee security of Ukrainian State?
- ii . Is it not better for the United Nations to be a contracting party of the said security treaty?

Permanent neutralization of Ukraine

In July 22, 2022 before all the ELFO FAMILY I dared to mention a way of neutralization of the Ukraine as one of the possible breakthroughs of negotiation for cease-fire and peaceful settlement of Russo-Ukrainian War.

If the ECOC (Executive Committee of Online Conciliation) were to propose it now, the Ukrainian

Government would be more or less dissatisfied with such an idea. **It is equitable, therefore, that, to that extent, Russian side would make due concessions to Ukrainians.** Let's ICO talk about it.

A. ICO members' opinions

○ **ex-Amb. Yuba Nath.** You know already his exclamation (JUL 22, 2022) regarding my idea about neutralization of Nepal and Ukraine. Nepal is similar with Switzerland in some respects. Our correspondence is as follows:

Rikio: *Thank you, Yuba Nath San. I hope that your country be permanently neutralized State which not only States but other entities guarantee.*

Yuba: *Resourceful, Intelligent, Knowledgeable, Intelligent and Open. This is RIKIO.*

Rikio: *Dear Yuba, may I open our conversation to the ICO and ELFO members? Because I want very much to talk among ELFO FAMILY about permanent neutralization of Ukraine. I suppose you'll agree to my ideas.*

Yuba: *ok*

○ **Pres. of the BELFO Edmario Peoxinho.**

In JUL 23, 2022 he wrote, "I agree with the valuable perspectives and mindset of Mr. Rikio Kaneko on Ukraine's Neutrality and Vision."

Neutralization was great thema of the ICO GA (General Assembly), but no body was against neutralization of Ukraine.

B. Reasons for neutralization of Ukraine

1. As I said, a way of neutralization of the Ukraine may be "one of the possible breakthroughs of negotiation for cease-fire and peaceful settlement of Russo-Ukrainian War."

2. Militarization with modern weapons and strengthening military alliances are contrary to normalization of Earth-community and maintaining beautiful cosmos.

3. Considering history of human beings, use of armed forces and even threat by it were prohibited gradually, so, the way along which humankind march is disarmament and peaceful settlement of conflicts.

4. Such peaceful amicable way leads to ONE World, namely, World Federation where **every State shall be peaceful, and of neutralized character.** Permanent neutralized States or regions are forerunners of progressive peaceful process moving toward establishment of ONE World. **They can be even proud of it: they are in the van of the era!!**

C. Concept of permanently neutralized State

Here a permanently neutralized State means a State whose independence and integrity are for all future time guaranteed by an international treaty, under the condition that such State binds itself never to take up arms against any other State except for defence against attack, and never to enter into such international obligation as could indirectly involve it in war. (Oppenheim's international law, Vol. I . PEACE, 8th ed. Longmans, p.243.)

The neutralization may contain a possibility to conclude a convention by which a neutralised State can acquire, without cession of, new parts of territory with the consent of all the contracting States.

Here I took into account Ukrainian possibility that Ukraine can recover sovereignty over region which she

lost it at the time of conclusion of peace treaty with Russia. It goes without saying that such alteration of sovereignty needs a new agreement among contracting parties of the treaty.

Separate treaty of neutralization. It seems better to conclude a treaty of permanent neutralization of Ukraine apart from a peace treaty between Russia and Ukraine because the former treaty involve more contracting parties, while the latter concerns, in principle, belligerent Russia and Ukraine though both treaties relate each other closely.

D. Equitable and good compromise

What will be the compromises between Russia and Ukraine from view points of equity and goodness (ex aequo et bono)? First of all, our ECOC will see the contents of obligations to be imposed upon Ukrainian State. If the treaty of neutralization stipulates such heavy obligations for Ukraine as disarmament, it is equitable that on Russian back would be also heavy burdens, to that extent. The converse is also true.

Here ECOC's task is to try to make up a draft convention as clearly as possible. Then it will be easier for the ECOC to propose several mutual compromises.

3. Demilitarization

Neutralization partakes politico-diplomatic and military character, while demilitarization partakes mainly military character imposing restrictions in respect of weapons and region. We are pleased if belligerents agree to following points.

1. If restrictive burden is heavy on Ukrainian shoulder, then to that extent, Russian burden will be also heavy.
2. In Ukraine such 3 non-nuclear principles are to be applied as in Japan for a long time, namely: not producing, not possessing and not allowing the entry of nuclear weapons into the country.
3. Along the Russo-Ukrainian border, will be created a **demilitarized zone** with certain width of regional belt.
4. Our ICO proposes to Russians and Ukrainians to change the said zone into not arena of quarrels, but on the entire contrary, into a place where spirit of peace, friendship, welfare, and cooperation rules.
5. A definite zone (for example, 1km.) around an atomic station shall be demilitarized, and it shall not be a battlefield.
6. Ukraine **and Russia** shall neither locate military objects within or near a port which are used for exporting food, nor use such a port for importing weaponry and other military purposes.

4. Non-use of a mass destruction weapon

It may be comparatively easy for belligerents to promise not to use a mass destruction weapon, namely, ABC weaponry: Atomic, and Bacteriological and Chemical.

Our ICO will proposes as follow:

1. Both belligerents agree to never use a mass destruction weapon at any place so far as the enemy belligerent does not use it.
2. When a Head of State or some authorities declare serious military action with severe words, they shall answer to any questioner that use of the ABC weapon will not be included in this action.
3. If there a doubt happens as to use of ABC weapons, the concerned State shall permit international inspection to be organized by the United Nations.

5. Territorial problems

It may be very complicated process to settle these problems:

- A. It will be very good if Russia and Ukraine can conclude a peace treaty by themselves which would settle their territorial problems finally.
- B. It is possible, however, that even if they succeeded to conclude peace treaty which stops warfare, they could not agree to final settlement of territorial problems.

The several points below-mentioned concerns the just said case B, and are to be regarded as the ICO PROPOSALS to belligerents.

Point N.1

If Russia and Ukraina fail to settle territorial problems by peace treaty, they shall promise to continue to negotiate after its conclusion.

Point N.2

If they cannot settle the territorial problem for a long time by negotiation after conclusion of peace treaty, it may be several phases which our ICO may propose to Russia and Ukraine.

Point N. 3

Our ICO proposes the 10 years for diplomatic negotiation. This period is for autonomy of diplomatic negotiation between Russia and Ukraine.

Point N.4

If they fail to settle territorial problems by diplomatic negotiation, they shall submit the case to an international conciliatory organization. (As to our ICO, the GA will decide if it is ready to receive the case)

Point N.5

If Russia and Ukraine agree to conclusion of the said international conciliatory organization, it is very good.

But if one of them does not agree to it, the case shall be submitted to the ICJ (International Court of Justice), asking it to deliver an advisory opinion.

Point N.6

If Russia and Ukraine agree to conclusion of the said advisory opinion of the ICJ, it is very good. But if one of them does not agree to it, the case shall be submitted to the ICJ, asking it to deliver a judicial decision binding both of the parties.

Point N.7

Russia and Ukraine shall respect the decision of the ICJ, provided that they may alter the contents of decision if they agree to it.

N.B. While conciliation or judicial procedure goes on, Russia and Ukraine may negotiate at any time.

6. Food (wheat) problems

In order that Ukraine provides African countries with food, especially Ukrainian wheat, we the ICO proposes followings:

1. Ukraine and Russia shall neither locate military objects within or near a port which are used for exporting food, nor use such a port for importing weaponry and other military purposes.
2. Russia and Ukraine will neither attack such a peaceful port so long as other belligerent observes the aforementioned rules, nor attack a ship carrying such humanitarian food.
3. A Commission for Exporting Food to Africa (CEFA) will be created. It shall be composed, among others, of permanent member of African Union, United Nations, Russia, Ukraina, and Turkey.

7. Non-attack against an atomic station

According to Article 55 of the Hague Regulation of 1907, a belligerent occupying enemy territory shall only be regarded as administrator and usufructuary of the public buildings, real property, forests, and agricultural works belonging to the hostile State and situated in the occupied territory; and he must protect the stock and plant, and administer them according to the rules of usufruct.

He may, therefore, sell the crops from public land, cut and sell timber in the public forests, let public land and building for the time of his occupation. (Ibid, Oppenheim, pp. 397~398).

ICO 's proposal is as follows:

1. A belligerent or a warring entity shall make an oath never to attack any atomic station at any time and from any place irrespective of nationality of the actual ruler or manager of the station.
2. A belligerent shall demilitarize 1 km. zone around an atomic station, provided that its ruling belligerent may have police power with small arms.
3. When attacks become serious in or around an atomic station, administrator shall stop its operation.
4. International inspection of any atomic station by International Atomic Energy Agency (IAEA) shall be admitted at any time when the IAEA think it necessary.

8. Non-attack of a church, a hospital, a school

Article 56 of the Hague Regulation of 1907 prohibits all destruction of, and damage to, historical monuments, works of art and science, building for charitable, educational, and religious purposes.

“But such objects enjoy this protection only during military occupation of enemy territory. Should a battle be waged around an historical monument on open ground, should a church, a school, or a museum be defended and attacked during military operations, these otherwise protected objects may be damaged or destroyed under the same conditions as other enemy property”.(Oppenheimer's International Law, Lauterpacht, Vol. II, 7th ed.p.415)

Our ICO proposes:

1. that religious, educational and medical establishments shall not be used for military purposes, and so long as they remain so, they shall not be an object of military operation.
2. that Ukrainian side shall inform in advance Russian authorities of the name and place of the establishments of these categories which are, or to be, located within theatre of war.
3. If Russian armed forces are going to attack these categories, Russian side shall inform Ukrainian authorities of such attack in advance.

9. Humanitarian corridor

ICO's proposal is as follows:

1. Civilians shall neither remain in nor enter warring theatre where military objects are. If they are temporally obliged to be there, humanitarian corridor must be created immediately for their leaving from there, and they must not be attacked.

2. When military objects in a region (a village, a city or prefecture etc.) are declared to be attacked, and the region is besieged by troops with possible severe destruction, humanitarian corridors shall be created by belligerents' agreement.

3. In case creation of humanitarian corridor is declared unilaterally by Ukrainian side, Russian side respect it as much as possible so long as the corridor is used as one-way-traffic along which only people wishing to leave the region may flee to a safer region or a foreign country.

4. Such an one-way-traffic corridor may be created by an belligerents' agreement.

5. Taking into account probability that even with such creation of one-way-traffic many civilians are obliged to remain there, they shall not be regarded as a terrorist or against some norm so long as civilians observe wartime rules.

6. When one of the belligerents asks the United Nations to observe a humanitarian corridor, and the UN agrees to it, the other belligerent shall respect it.

10. Belligerent nationals' interexchange

ICO proposes as follows:

1. Taking into account civilian common people's natural aspiration after restoration of peace and friendship, both of belligerents shall not prevent peaceful interchange not only among relatives of belligerent countries, but also in respect of their nationals' international interexchange.

2. May both belligerents stop war, restore peace for their nationals' friendly interexchange.

11. Prisoners

Our ICO proposes as follows:

1. From humanitarian point of view, belligerents shall facilitate exchange of prisoners as much as possible.

2. When a Russian troop or organ brings an Ukrainian civilian to Russian authorities, they shall inform Ukrainian authorities of the civilian name, address, profession etc. as soon as possible.

12. Aid and reparation

Money should be used not for destruction, but for construction and rising a level of life ASAP

The problems of aid and reparation for Ukrainians are also very important, I presented my ideas to the ICO GA, which adopted the below-mentioned proposals of mine unanimously. Fortunately No ICO members expressed any doubt.

“Personally I want almost all the States around the world to aid Ukrainians to restore their level of life. I suppose that Ukrainians' standard of living rapidly and horribly declined after commencement of Russo-Ukrainian War. Before the war Ukrainian PPP (purchasing power parity) was 51 % as is seen in the

below table.

Fiji 56%; Bhutan 55%; Jordan 54%; Jamaica 53%; **Ukraine 51%**; Eswatini 51%; Belize 50%; Philippines 49%; Morocco 48%;
(<http://mopw.org/mem.fee.%20jan%202022.pdf>)

I hope that all the States should help Ukrainians restore former level of life. What States, to what extent, and how many years should aid Ukrainians? Here it is desirable to apply some objective economic and social indications. One of my ideas is adoption, by the ICO GA, of followings.”

Thus I sent my proposals to the GA, which also adopted them unanimously:

1. **WIN-and-WIN relations**. Aid and reparation will be rendered on basis of win-and-win relations, not a victor nation-and-a defeated nation.
2. Almost all the States of the world should aid Ukraine until she restores her PPP to 50%;
3. SHARE (ratio) of aid by each State for Ukraine will be proportionate with (a) her military expenditure or (b) the increased budget part of the past military expenditure which was caused by Russo-Ukrainian War.
4. On the basis of Win-and-Win spirit both Russia and Ukraine renounce mutually right to claim reparation for damages caused by war, provided that Russia shall also aid Ukraine in accordance with the preceding paragraph 3.
5. The State which went to default or the States whose PPP is less than 50% may be exempted from the aforesaid aid.

13. The Armistice Commission

1. An International Armistice Commission (IAC) will be created which will be composed of belligerents, States and international organizations concerned.
2. In the aforesaid “States” will be included a State which guarantees neutralization of Ukraine. In the “international organization” may be included the United Nations (UN), FAO, IAEA, African Union etc.
3. The principal purpose of the IAC is to help belligerents agree to conditions of armistice and restoration of peace.
4. A consultative committee without belligerents may be opened with the UN chairmanship.

14. ICJ for settling legal problems

War must be ended by conclusion of peace treaty. In case there appears legal problem regarding interpretation of some phrases, there must be an Article which provides method for settling the problem. It is desirable that when Russian and Ukrainian Government are not able to the problems neither by negotiation nor by conciliation, they choose, among others, judicial settlement by the International Court of Justice.

Technical problems of manipulation of the ZAP

Dear Ms. Amina Lawan

From Rikio Kaneko

Thank you for your initiative for carrying out African Amicable Party though only some Africans joined the First African ZAP (Zoom Amicable Party) due to your unexperienced first manipulation of the Zoom. Don't be disappointed with it because it sometimes happens with beginners.

Anyway, I suddenly set up the Zoom info and sent it to ELFO members on last Saturday evening. And Mr. SYLVANUS MURRAY (pic.) participated in the PART 1 of the ZAP, but he didn't appear on the screen (browser), and we could not listen his voice.

Every weekend we have the ZAP. Of course, you may promote it in your country with your compatriot-ELFO members even if participants are a few. I'll join you. It'll be joyful and very significant.

As she sent me an affirmative sign, I sent her my messages, which reads, among others,

That's very good, Let's try to organize the ZAP even if with a few members at first!! If you are ready, please try to open American (including South-American) ZAP in OCT 15. 2022.

ELFO Secretart-General Irina sent the following message to a member of Uganda.

===== ZOOM AMICABLE PARTY =====🍷🍷

“As for Skype, we cannot manipulate it well, but in the ZAP (Zoom Amicable Party) we can meet. On coming Saturday in Brazil our ELFO member Mr. Edmario opens the ZAP. Maybe, he'll send you invitation. I'll join it, of course. Please you, too, participate in it.”

“I have explored the pdf files and would like to collaborate with you in Uganda”, answered he. His name is Bwambale (pic.) Dear Mr. Bwanbale, will you please try to create African ZAP in cooperation with Ms. Mariame and other African journalists? If you succeed in it, it's of revolutionary significance which is far better than war!!

Not only vertical, but also horizontal communication 垂直的だけでなく、水平的意思疎通をも!!

At present you feel that there are sufficient info from central Sapporo, but rare other communication. It is extremely undesirable. ELFO Leaders must take initiative in our ELFO FAMILY's horizontal activities.

Due to coronavirus our members' communication was conducted mainly by email, we could not listen to members' real voices and see real faces. **Zoom Amicable Party (ZAP)** will improve such situation. So that let's activate closer contact through it, promoting intercultural intercourse and mutual understanding.

Time difference

Don't mind time difference because if you click the Zoom URL in advance, the beginning time in your location (country) will be indicated in your computer.

Noriko sings a very famous song in Japan

Like The Flow of The River of Hibari Misora

川の流れるように

Like The Flow of The River

知らず知らず 歩いて来た
細く長い この道
振り返れば 遙か遠く
故郷が見える
でこぼこ道や
曲がりくねった道
地図さえない
それもまた人生

I came walking without realizing
Down this narrow and long path
Looking back, in the distance
I can see my hometown
Through bumpy tracks
And paths with twists and turns
I don't even have a map
And yet that's the life

ああ 川の流れるように
ゆるやかに
いくつも 時代は過ぎて
ああ 川の流れるように
とめどなく
空が黄昏に 染まるだけ

Ah, like the flow of the river
It runs slow
Through a lapse of time
Ah, like the flow of the river
Ceaselessly
Skies are burning ablaze at twilight

生きることは 旅すること
終わりのない この道
愛する人 そばに連れて
夢探しながら
雨に降られて
ぬかるんだ道でも
いつかは また
晴れる日が来るから

To live is to travel
Down this endless path
Having my lover at my side
In search of my dreams
Even if the ground is muddy
In the pouring rain
Someday, I know
Sunny days will come again

ああ 川の流れるように Ah, like the flow of the river
おだやかに It runs calmly
この身を まかせていたい I want to leave my body to it
ああ 川の流れるように Ah, like the flow of the river
移りゆく季節 雪どけを待ちながら Waiting for the snow to thaw In the season to come

ああ 川の流れるように
おだやかに
この身を まかせていたい
ああ 川の流れるように
いつまでも
青いせせらぎを 聞きながら

Ah, like the flow of the river
It runs calmly
I want to leave my body to it
Ah, like the flow of the river
I hope it will go on forever
Listening to the blue stream

Hibari Misora

Japanese Queen of popular song

Even now people sing her songs

Hibari Misora (美空 ひばり) was a Japanese singer, actress and cultural icon.^{[1][2]} She received a Medal of Honor for her contributions to music and for improving the welfare of the public, and was the first woman to receive the People's Honour Award, which was conferred posthumously for giving the public hope and encouragement after World War II.^{[3][4]}

Misora recorded a total of 1,200 songs and sold 68 million records.^[5] After she died, consumer demand for her recordings grew significantly, and, by 2001, she had sold more than 80 million records.^[6] By 2019, record sales surpassed 100 million.^{[7][8]} Her swan-song "Kawa no Nagare no Yō ni" (川の流れるのように) is often performed by numerous artists and orchestras as a tribute to her, including notable renditions by The Three

Tenors (Spanish/Italian), Teresa Teng (Taiwanese) and Mariachi Vargas de Tecalitlan (Mexican). Each year there is a special on Japanese television and radio featuring her songs. A memorial concert for Misora was held at the Tokyo Dome on November 11, 2012. It featured numerous musicians such as Ai, Koda Kumi, Ken Hirai, Kiyoshi Hikawa, Exile, AKB48 and Nobuyasu Okabayashi amongst others, paying tribute by singing her most famous songs.^[3]
